More than \$ 24,000.00 - \$ 25,000.00	\$ 123.00
More than \$ 25,000.00 - \$ 26,000.00	\$ 128.00
More than \$ 26,000.00 - \$ 27,000.00	\$ 133.00

More than \$ 29,000.00 - \$ 30,000.00	\$ 148.00

More than \$30,000.00, the tax of \$148.00 is increased by \$5.00 for each \$1,000.00 increment or fraction of a \$1,000.00 increment over \$30,000.00. If a current tax increases or decreases as a result of 1998 PA 384, only a vehicle purchased or transferred after January 1, 1999 shall be assessed the increased or decreased tax.

(ii) For the second registration, 90% of the tax assessed under subparagraph (i).

(iii) For the third registration, 90% of the tax assessed under subparagraph (ii).

(iv) For the fourth and subsequent registrations, 90% of the tax assessed under subparagraph (iii).

For a vehicle of the 1984 or a subsequent model year that has been previously registered by a person other than the person applying for registration or for a vehicle of the 1984 or a subsequent model year that has been previously registered in another state or country and is registered for the first time in this state, the tax under this subdivision shall be determined by subtracting the model year of the vehicle from the calendar year for which the registration is sought. If the result is zero or a negative figure, the first registration tax shall be paid. If the result is 1, 2, or 3 or more, then, respectively, the second, third, or subsequent registration tax shall be paid. A van that is owned by an individual who uses a wheelchair or by an individual who transports a member of his or her household who uses a wheelchair and for which registration plates are issued under section 803d shall be assessed at the rate of 50% of the tax provided for in this subdivision.

(q) For a wrecker, \$200.00.

(r) When the secretary of state computes a tax under this section, a computation that does not result in a whole dollar figure shall be rounded to the next lower whole dollar when the computation results in a figure ending in 50 cents or less and shall be rounded to the next higher whole dollar when the computation results in a figure ending in 51 cents or more, unless specific taxes are specified, and the secretary of state may accept the manufacturer's shipping weight of the vehicle fully equipped for the use for which the registration application is made. If the weight is not correctly stated or is not satisfactory, the secretary of state shall determine the actual weight. Each application for registration of a vehicle under subdivisions (j) and (m) shall have attached to the application a scale weight receipt of the vehicle fully equipped as of the time the application is made. The scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the weight of the motor vehicle as registered with the secretary of state and that is accompanied by a statement of the applicant that there has not been a structural change in the motor vehicle that has increased the weight and that the previous registered weight is the true weight.

(2) A manufacturer is not exempted under this act from paying ad valorem taxes on vehicles in stock or bond, except on the specified number of motor vehicles registered. A dealer is exempt from paying ad valorem taxes on vehicles in stock or bond.

(3) Until October 1, 2015, the tax for a vehicle with an empty weight over 10,000 pounds imposed under subsection (1)(a) and the taxes imposed under subsection (1)(c), (d), (e), (f), (i), (j), (m), (o), and (p) are each increased as follows:

(a) A regulatory fee of \$2.25 that shall be credited to the traffic law enforcement and safety fund created in section 819a and used to regulate highway safety.

(b) A fee of \$5.75 that shall be credited to the transportation administration collection fund created in section 810b.

(4) If a tax required to be paid under this section is not received by the secretary of state on or before the expiration date of the registration plate, the secretary of state shall collect a late fee of \$10.00 for each registration renewed after the expiration date. An application for a renewal of a registration using the regular mail and postmarked before the expiration date of that registration shall not be assessed a late fee. The late fee collected under this subsection shall be deposited into the general fund.

(5) As used in this section:

(a) "Gross proceeds" means that term as defined in section 1 of the general sales tax act, 1933 PA 167, MCL 205.51, and includes the value of the motor vehicle used as part payment of the purchase price as that value is agreed to by the parties to the sale, as evidenced by the signed agreement executed under section 251.

(b) "List price" means the manufacturer's suggested base list price as published by the secretary of state, or the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15 USC 1232, if the secretary of state has not at the time of the sale of the vehicle published a manufacturer's suggested retail price for that vehicle, or the purchase price of the vehicle if the manufacturer's suggested base list price is unavailable from the sources described in this subdivision.

(c) "Purchase price" means the gross proceeds received by the seller in consideration of the sale of the motor vehicle being registered.

Sec. 801g. (1) Notwithstanding section 801(1)(j) or 801(1)(k), for a truck, truck tractor, or road tractor engaged in interstate commerce, for which a registration fee otherwise would be provided in section 801(1)(j) or 801(1)(k), the fee may be apportioned under the international registration plan according to the miles traveled in this state in relation to the total miles traveled by the vehicle, if the apportionment is permitted by a reciprocal compact, agreement, or other arrangement entered into by the Michigan highway reciprocity board.

(2) For the purposes of this section, "international registration plan" means a method of licensing trucks and bus fleets proportionally among 2 or more member jurisdictions and includes an apportioned fee that is determined according to the fleet's percentage of miles generated in the various jurisdictions. Upon payment of the apportioned fee there shall be issued 1 registration plate and 1 cab card for each vehicle with the cab card indicating the jurisdictions in which the unit is registered and the registered weight for each jurisdiction.

(3) If the apportionment is permitted, and if at the time of purchase a person elects to have the fees apportioned and the registration is valid for at least 12 months, the annual international registration plan plates may be purchased by paying any out of state portion and 1/2 the amount apportioned for Michigan fees and an extra \$10.00 service fee per vehicle upon purchase and the balance within 180 days before the date of expiration. The secretary of state shall notify a person who has elected to use the installment option of this subsection informing the person of the amount due and of the penalties that shall be imposed if payment is not received within 180 days before the date of expiration. If a person is once late on paying the balance, a penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee. If a person is twice late in paying the balance within a 2-year period, then a penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee, and the person is ineligible to elect the apportionment payment plan for the next 2 registration years following the year of the delinquency. The secretary of state shall suspend the registration of any vehicle for which the registration fee is not paid in full and transmit a statement of the delinquent balance, including the penalty, to the department of treasury for collection.

(4) If a person surrenders a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section for the same vehicle, the apportioned fee for the exchange registration shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the exchange registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The calculation shall include any refund as a credit provided for in section 801b(8). The fee required for the registration shall be rounded off to whole dollars as provided in section 801.

(5) If a person does not surrender a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section, the apportioned fee shall be determined as provided for in this section except the apportioned fee for a registration purchased shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The fee required for this registration shall be rounded off to whole dollars as provided in section 801. Fees under this subsection shall not be prorated for less than 6 months.

(6) Upon proper application for registration of a vehicle under this section, the secretary of state may issue a temporary registration which shall be valid for not more than 45 days from the date of issuance.

(7) The secretary of state may designate an owner or registrant having a fleet of motor vehicles currently registered under this section to act as an agent for the secretary of state for the purpose of issuing to himself or herself a temporary registration. Upon issuance of a temporary registration an agent shall make proper application for an international registration plan registration to the secretary of state within 5 days after issuance of the temporary registration.

(8) An owner issued a temporary registration under this section is liable for the fees provided in this section.

(9) If the owner of a vehicle for which a temporary registration is issued under this section fails to pay the registration fee as required in this section, the secretary of state shall suspend the registrations of all vehicles registered by that owner under this section. The registrations shall remain suspended until the fee is paid.

Sec. 802. (1) For a special registration issued as provided for in section 226(8), there shall be paid 1/2 the tax imposed under section 801 and in addition a service fee of \$10.00.

(2) For all commercial vehicles registered after August 31 for the period expiring the last day of February, a tax of 1/2 the rate otherwise imposed under this act shall be collected. This subsection does not apply to vehicles registered by manufacturers or dealers under sections 244 to 247.

(3) For each special registration as provided for in section 226(9), a service fee of \$10.00 shall be collected.

(4) For temporary registration plates or markers as provided for in section 226a(1), a service fee of \$5.00 for each group of 5 of those temporary registration plates or markers shall be collected.

(5) For a temporary registration as provided in section 226b, the fee shall be either of the following:

(a) For a 30-day temporary registration, 1/10 of the tax prescribed under section 801 or \$20.00, whichever is greater, and an additional \$10.00 service fee.

(b) For a 60-day temporary registration, 1/5 of the tax prescribed under section 801 or \$40.00, whichever is greater, and an additional \$10.00 service fee.

(6) For registration plates as provided for in section 226a(5), (6), and (7), a service fee of \$40.00 for 2 registration plates and \$20.00 for each additional registration plate shall be collected.

(7) For special registrations issued for special mobile equipment as provided in section 216(d), a service fee of \$15.00 each for the first 3 special registrations, and \$5.00 for each special registration issued in excess of the first 3 shall be collected.

(8) The secretary of state, upon request, may issue a registration valid for 3 months for use on a vehicle with an elected gross weight of 24,000 pounds or greater on the payment of 1/4 the tax provided in section 801(1)(k) and in addition a service fee of \$10.00.

(9) Upon application to the secretary of state, an owner of a truck, truck tractor, or road tractor that is used exclusively for the purpose of gratuitously transporting farm crops or livestock bedding between the field where produced and the place of storage, feed from on-farm storage to an on-farm feeding site, or fertilizer, seed, or spray material from the farm location to the field may obtain a special registration. The service fee for each special registration issued under this subsection shall be \$20.00. The special registration shall be valid for a period of up to 12 months and shall expire on December 31. As used in this subsection:

(a) "Feed" means hay or silage.

(b) "Livestock bedding" means straw, sawdust, or sand.

(10) The secretary of state, upon request, may issue a special registration valid for 3 or more months for a road tractor, truck, or truck tractor owned by a farmer, if the motor vehicle is used exclusively in connection with the farmer's farming operations or for the transportation of the farmer and the farmer's family and not used for hire. The fee for the registration shall be 1/10 of the tax provided in section 801(1)(c) times the number of months for which the special registration is requested and, in addition, a service fee of \$10.00. No special registration shall be issued for a motor vehicle for which the tax under section 801(1)(c) would be less than \$50.00.

(11) The secretary of state, upon request, may issue a registration valid for 3 months or more for use on a vehicle with an elected gross weight of 24,000 pounds or greater. The fee for the registration shall be 1/12 of the tax provided in section 801(1)(k), times the number of months for which the special registration is requested and, in addition, a service fee of \$10.00.

(12) The service fees collected under subsections (1), (3), (4), (5), (6), (7), (8), (9), (10), and (11) shall be deposited in the transportation administration collection fund created in section 810b through October 1, 2015.

Sec. 803b. (1) The secretary of state may issue 1 personalized vehicle registration plate that shall be used on the passenger motor vehicle, pick-up truck, motorcycle, van, motor home, hearse, bus, trailer coach, or trailer for which the plate is issued instead of a standard plate. Personalized plates shall bear letters and numbers as the secretary of state prescribes. The secretary of state shall not issue a letter combination that might carry a connotation offensive to good taste and decency. The personalized plates shall be made of the same material as standard plates. Personalized plates shall not be a duplication of another registration plate.

(2) An application for a personalized registration plate shall be submitted to the secretary of state under section 217. Application for an original personalized registration plate shall be accompanied with payment of a service fee of \$8.00 for the first month and of \$2.00 per month for each additional month of the registration period in addition to the regular vehicle registration fee. A second duplicate registration plate may be obtained by requesting that option on the application and paying an additional service fee of \$5.00. Application for the renewal of a personalized registration plate shall be accompanied with payment of a service fee of \$15.00 in addition to the regular vehicle registration fee. The service fee shall be credited to the Michigan transportation fund established under, and shall be allocated as prescribed under, section 10 of 1951 PA 51, MCL 247.660. The amount allocated to the state trunk line fund established under section 11 of 1951 PA 51, MCL 247.661, shall be used by the state transportation department for litter pickup and cleanup on state roads and rights of way.

(3) The expiration date for a personalized registration plate shall be as prescribed under section 226. Upon the issuance or renewal of a personalized registration plate, the secretary of state may issue a tab or tabs designating the month and year of expiration. Upon the renewal of a personalized registration plate, the secretary of state shall issue a new tab or tabs for the rear plate designating the next expiration date of the plate. Upon renewal, the secretary of state shall not issue the owner a new exact duplicate of the expired plate unless the plate is illegible and the owner pays the service fee and registration fee for an original personalized registration plate.

(4) The sequence of letters or numbers or combination of letters and numbers on a personalized plate shall not be given to a different person in a subsequent year unless the person to whom the plate was issued does not reapply before the expiration date of the plate.

(6) The secretary of state may issue a temporary permit to a person who has submitted an application and the proper fees for a personalized registration plate if the applicant's vehicle registration may expire prior to receipt of his or her personalized registration plate. The temporary registration shall be valid for not more than 60 days after the date of issuance. The temporary permit shall be issued without a fee.

Sec. 803r. The service fees collected under sections 803e, 803f, 803i, 803j, 803k, 803l, 803m, 803n, and 803o shall be deposited into the transportation administration collection fund created under section 810b through October 1, 2015.

Sec. 804. (1) In addition to any other fees required under this act, a \$5.00 service fee shall be paid with each application for each distinctive or commemorative plate provided for in this act to cover manufacturing and issuance costs unless these costs are otherwise specifically provided for in this act.

(2) Each applicant for a duplicate or replacement license plate provided for in this act shall pay the following service fee to the secretary of state, in addition to any other fees required under this act:

Sec. 809. (1) An application for transfer of registration from a vehicle subject to section 801(1)(a) to another vehicle subject to that section shall be accompanied by a fee of \$8.00. In addition to the fee of \$8.00, if the registration is transferred from a passenger vehicle to a motor home and if the registration fee for the motor home is greater than the fee paid upon registration of the vehicle from which the registration was removed, then the difference in fee shall be paid by the applicant. If the fee is less than that paid for the registration of the vehicle from which the plates were removed, the difference shall not be refunded. The fees required by this subsection shall be considered to include all fees or charges imposed by this act for the transfer of registration, except those which may be assessed under section 234.

If the fee described in this subsection is not paid within 18 months after the effective date of the public act that authorizes the development and issuance of a fund-raising plate, the related fund-raising plate shall not be created, produced, or issued. A start-up fee paid under this subsection is nonrefundable.

(3) Not less than 3 years after the secretary of state first issues 1 of the fund-raising plates as described in subsection (1) and upon payment of \$2,000.00, the Michigan university or other person sponsoring that fund-raising plate may redesign it as approved by the secretary of state. The payment required under this subsection shall be deposited in the transportation administration collection fund created under section 810b through October 1, 2015 to be used for the cost of creating, producing, and issuing fund-raising plates. However, the secretary of state may continue to renew fund-raising plates already issued and collect the renewal fund-raising donation for those plates.

(6) The state of Michigan, through the secretary of state, shall own all right, title, and interest in all fund-raising plates and collector plates, including the right to use, reproduce, or distribute a fund-raising or collector plate or the image of a fund-raising or collector plate in any form. The secretary of state may authorize the commercial or other use of a fund-raising or collector plate design, logo, or image if written consent is obtained from the pertinent Michigan university or other person that sponsored a fund-raising plate. However, the secretary of state shall not authorize the commercial or other use of a fund-raising or collector plate under this section unless the user first agrees in writing to the terms and conditions that the secretary of state considers necessary. Those terms and conditions may include the payment of royalty fees to 1 or more of the following:

- (a) This state.
- (b) A Michigan university.

(c) Another person that sponsored a fund-raising plate.

(2) If a person is determined pursuant to sections 741 to 750 to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act, the judge or district court magistrate may order the person to pay a civil fine of not more than \$100.00 and costs as provided in subsection (4). However, beginning October 31, 2010, if the civil infraction was a moving violation that resulted in an at-fault collision with another vehicle, a person, or any other object, the civil fine ordered under this section shall be increased by \$25.00 but the total civil fine shall not exceed \$100.00. However, for a violation of section 602b, the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of \$100.00 for a first offense and \$200.00 for a second or subsequent offense. (5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (14), the judge or district court magistrate may order the person to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it shall be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant's prior record of civil infractions or traffic offenses, or a combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding upon the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout the state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments upon receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (14), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) If a person fails to comply with an order or judgment issued pursuant to this section within the time prescribed by the court, the driver's license of that person shall be suspended pursuant to section 321a until full compliance with that order or judgment occurs. In addition to this suspension, the court may also proceed under section 908.

(12) The court shall waive any civil fine, cost, or assessment against a person who received a civil infraction citation for a violation of section 710d if the person, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(13) Until October 1, 2003, in addition to any civil fines and costs ordered to be paid under this section, the judge or district court magistrate shall levy an assessment of \$5.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. An assessment paid before October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer to be deposited into the Michigan justice training fund. An assessment ordered before October 1, 2003 but collected on or after October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer for deposit in the justice system fund created in section 181 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(14) Effective October 1, 2003, in addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of \$40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. Upon payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasury to be deposited into the justice system fund created in section 181 of the revised judiciary act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(15) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, upon receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(16) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance pursuant to section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act upon receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

(17) As used in this section, "moving violation" means an act or omission prohibited under this act or a local ordinance substantially corresponding to this act that involves the operation of a motor vehicle and for which a fine may be assessed.

This act is ordered to take immediate effect.
