Sec. 32. (1) In the office of the secretary of state, the bureau of elections created by former 1951 PA 65 continues under the supervision of a director of elections, to be appointed by the secretary of state under civil service regulations. The director of elections shall be vested with the powers and shall perform the duties of the secretary of state under his or her supervision, with respect to the supervision and administration of the election laws. The director of elections shall be a nonmember secretary of the state board of canvassers.

(2) The director of elections, with the approval of the state board of canvassers, shall prepare a statement for designation on the ballot in not more than 100 words, exclusive of caption, of the purpose of any proposed amendment or question to be submitted to the electors as required under section 9 of article II, section 34 of article IV, or section 1 or 2 of article XII of the state constitution of 1963. Sec. 53. To obtain the printing of the name of a person as a candidate for nomination by a political party for the office of governor under a particular party heading upon the official primary ballots, there shall be filed with the secretary of state nominating petitions signed by a number of qualified and registered electors residing in this state as determined under section 544f. Nominating petitions shall be signed by at least 100 registered resident electors in each of at least 1/2 of the congressional districts of the state. Sec. 56. If a candidate of a political party for the office of governor, after having qualified as a candidate, dies after the time specified for filing in section 53, leaving the political party without a candidate for that office, a candidate to fill the vacancy may be selected by the state central committee of that political party, and the name of the candidate selected shall be transmitted to the county officers required by law to print and distribute ballots. The name of the candidate shall be printed on the ballot, but if the primary ballots have been printed, the county officers shall have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts in their respective counties.

The name of the candidate shall be printed on the ballots, but if the ballots have been printed, the county officials shall have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts within their respective counties.

Sec. 96. If for any reason there is no candidate of a political party for the office of United States senator, a blank space shall be provided on each of the official primary ballots that affords every elector of the political party an opportunity to vote for a candidate for that office by writing in the name of his or her selection.

Beginning January 1, 2014, if the congressional district is within 1 county, the nominating petition shall be filed with the county clerk of that county no later than 4 p.m. of the fifteenth Tuesday before the August primary. Nominating petitions shall be in the form as prescribed in section 544c.

Sec. 135. If a candidate of a political party for the office of representative in congress, after having qualified as a candidate, dies after the last day for qualifying, leaving the political party without a candidate for the office of representative in congress, a candidate to fill the vacancy may be selected by 3 delegates elected by a majority of the precinct delegates and nominees for state representative and state senator in a state representative or state senatorial district of the candidate's political party from within the boundaries of the congressional district. If the district comprises more than 1 county, the meeting shall be called and conducted by the chairperson of the state central committee or his or her authorized representative. The name of the candidate selected shall be transmitted to the county officials required by law to print and distribute ballots. The name of the candidate shall be printed on the ballots, but if the ballots have been printed, the county officials shall have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts within their respective counties.

Sec. 136. If for any reason there is no candidate of a political party for the office of representative in congress, a blank space shall be provided on each of the official primary ballots that affords every elector of the political party an opportunity to vote for a candidate for that office by writing in the name of his or her selection.

Sec. 163. (1) To obtain the printing of the name of a person as a candidate for nomination by a political party for the office of state senator or representative under a particular party heading upon the official primary ballots in the various election precincts of a district, there shall be filed nominating petitions signed by a number of qualified and registered electors residing in the district as determined under section 544f. If the district comprises more than 1 county, the nominating petitions shall be filed with the secretary of state. If the district comprises 1 county or less, the nominating petitions shall be filed with the county clerk of that county. Nominating petitions shall be in the form prescribed in section 544c. (2) In lieu of filing a nominating petition, a filing fee of \$100.00 may be paid to the county clerk or, for a candidate in a district comprising more than 1 county, to the secretary of state. Payment of the fee and certification of the name of the candidate paying the fee shall be governed by the same provisions as in the case of nominating petitions. The fee shall be deposited in the general fund of the county and shall be refunded to candidates who are nominated and to an equal number of candidates who receive the next highest number of votes in the primary election. If 2 or more candidates tie in having the lowest number of votes allowing a refund, the sum of \$100.00 shall be divided among them. A refund of a deposit shall not be made to a candidate who withdraws as a candidate.

Sec. 165. If a candidate of a political party for the office of state senator or state representative, as applicable, after having qualified as a candidate, dies after the last day for qualifying as a candidate, leaving the political party without a candidate for the office of state senator or state representative, a candidate to fill the vacancy caused by the death may be selected by 3 delegates elected by a majority of the precinct delegates and nominees for state representative and state senator of the candidate's political party from within the senatorial or representative district. However, if the senatorial or representative district comprises more than 1 county, the meeting shall be called and conducted by the chairperson of the state central committee or his or her authorized representative. The name of the candidate selected under this subsection shall be transmitted to the county officials required by law to print and distribute ballots. The county officials shall print the name of the candidate selected under this section on the ballot in place of the deceased candidate, or if the ballots are already printed, have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts within their respective county.

Sec. 166. If for any reason the number of candidates of a political party for the office of state senator or representative is equal to less than the total number to be nominated and elected, a sufficient number of blank spaces shall be provided

on the primary ballots that affords every elector of the political party an opportunity to vote for as many candidates as are to be nominated and elected by writing in the name or names of his or her selection.

Sec. 193. (1) To obtain the printing of the name of a person as a candidate for nomination by a political party for an office named in section 191 under a particular party heading upon the official primary ballots, there shall be filed with the county clerk nominating petitions signed by a number of qualified and registered electors residing within the county as determined under section 544f. Nominating petitions shall be in the form prescribed in section 544c. Payment of the fee and certification of the candidate's name paying the fee shall be governed by the same provisions as in the case of nominating petitions. The fee shall be deposited in the general fund of the county and shall be refunded to candidates who are nominated and to an equal number of candidates who receive the next highest number of votes in the primary election. If 2 or more candidates tie in having the lowest number of votes allowing a refund, the sum of \$100.00 shall be divided among them. The deposits of all other defeated candidates, as well as the deposits of candidates who withdraw or are disqualified, shall be forfeited and the candidates shall be notified of the forfeiture. Deposits forfeited under this section shall be paid into and credited to the general fund of the county.

Sec. 195. If a candidate of a political party for prosecuting attorney, sheriff, county clerk, county treasurer, register of deeds, drain commissioner, coroner, or surveyor, after having qualified as a candidate, dies after the last day for qualifying, leaving the political party without a candidate for that office, a candidate to fill the vacancy may be selected by the members of the county committee of the candidate's political party, and the name of the candidate selected shall be transmitted to the county officials required by law to print and distribute ballots. The name of the candidate shall be printed on the ballots, but if the ballots have been printed, the county officials shall have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts within their respective counties.

Sec. 196. If for any reason the number of candidates of a political party for any 1 or more of the offices named in section 191 is equal to less than the total number to be nominated by the political party, a blank space or spaces shall be provided on each of the official primary ballots that affords every elector of the political party an opportunity to vote for as many candidates for the office as are to be nominated by the political party by writing in the name or names of his or her selection.

Sec. 198. (1) If a candidate of a political party files a nominating petition or filing fee for a county office and has been nominated for the office by a political party, the candidate is not permitted to withdraw unless he or she has moved from the county or has become physically unfit.

(2) If a candidate of a political party files a nominating petition or filing fee for the office of county commissioner and has been nominated for that office by a political party, the candidate is not permitted to withdraw unless he or she has moved from the county or from the district from which he or she was nominated or has become physically unfit.

(3) If the person who has been nominated as the candidate of a political party for a county office or the office of county commissioner dies before the date of the election for that office, the county executive committee of the party whose candidate has died shall select, by majority vote, a replacement for that person. The name of the replacement selected shall be transmitted to the election officials responsible for the preparation and distribution of ballots, and the name of the replacement shall be affixed to each ballot in place of the name of the original candidate.

(4) A vacancy shall not be filled by a county executive committee except as provided in this section.

(5) This prohibition shall not be construed to prohibit the withdrawal of a candidate who was nominated without having filed a nominating petition or filing fee and whose name has been written or placed on the ballot of a political party.

Sec. 224. (1) To obtain the printing of the name of a person as candidate for nomination by a political party for the office of county auditor under a particular party heading upon the official primary ballots, there shall be filed with the county clerk nominating petitions signed by a number of qualified and registered electors residing within the county as determined under section 544f. Payment of the fee and certification of the name of the candidate paying the fee shall be governed by the same provisions as in the case of nominating petitions. The fee shall be deposited in the general fund of the county and shall be refunded to candidates who are nominated and to an equal number of candidates who received the next highest number of votes in the primary election. If 2 or more candidates tie in having the lowest number of votes allowing a refund, the sum of \$100.00 shall be divided among them. The deposits of all other defeated candidates and of candidates who withdraw or are disqualified shall be forfeited and the candidates shall be notified of the forfeitures. Deposits forfeited under this section shall be paid into and credited to the general fund of the county.

If a candidate of a political party for the office of county auditor, after having qualified as a candidate, dies after the last day for qualifying, leaving the political party without a candidate for the office of county auditor, a candidate to fill the vacancy may be selected by the members of the county committee of the candidate's political party for the county, and the name of the candidate selected shall be transmitted to the county officials required by law to print and distribute ballots. The name of the candidate shall be printed on the ballots, but if the ballots have been printed, the county officials shall have the ballots reprinted with the candidate's name on the ballots and the reprinted ballots shall be distributed to the various voting precincts within their respective counties.

Sec. 227. If for any reason there is no candidate of a political party for county auditor, a blank space shall be provided on each of the official primary ballots that affords every elector of the political party an opportunity to vote for a candidate for the office by writing in the name of his or her selection.

(2) To obtain the printing of the name of a candidate of a political party under the particular party's heading upon the primary election ballots in the various voting precincts of the county, there may be filed by each candidate, in lieu of filing nominating petitions, a filing fee of \$100.00 to be paid to the county clerk. Payment of the fee and certification of the name of the candidate paying the fee shall be governed by the same provisions as in the case of nominating petitions. The fee shall be deposited in the general fund of the county and shall be returned to all candidates who are nominated and to an equal number of candidates who received the next highest number of votes in the primary election. Sec. 352. If a candidate of a political party for a township office, after having qualified as a candidate, dies after the last day for qualifying, leaving the political party without a candidate for a township office, a candidate to fill the vacancy may be selected by the members of the county executive committee of the candidate's political party residing in the township if 3 or more members of the county executive committee of that political party reside in the township.
