

HOUSE BILL No. 5464

March 8, 2012, Introduced by Reps. Farrington, Lyons and Olson and referred to the Committee on Judiciary.

A bill to amend 1964 PA 170, entitled

"An act to make uniform the liability of municipal corporations, political subdivisions, and the state, its agencies and departments, officers, employees, and volunteers thereof, and members of certain boards, councils, and task forces when engaged in the exercise or discharge of a governmental function, for injuries to property and persons; to define and limit this liability; to define and limit the liability of the state when engaged in a proprietary function; to authorize the purchase of liability insurance to protect against loss arising out of this liability; to provide for defending certain claims made against public officers, employees, and volunteers and for paying damages sought or awarded against them; to provide for the legal defense of public officers, employees, and volunteers; to provide for reimbursement of public officers and employees for certain legal expenses; and to repeal acts and parts of acts,"

by amending section 2 (MCL 691.1402), as amended by 1999 PA 205.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 2. (1) Except as otherwise provided in section 2a, each
2 governmental agency having jurisdiction over a highway shall
3 maintain the highway in reasonable repair so that it is reasonably
4 safe and convenient for ~~public~~ **VEHICULAR** travel. A person who

1 sustains bodily injury or damage to his or her property by reason
2 of failure of a governmental agency to keep a highway under its
3 jurisdiction in reasonable repair and in a condition reasonably
4 safe and fit for travel may recover the damages suffered by him or
5 her from the governmental agency. The liability, procedure, and
6 remedy as to county roads under the jurisdiction of a county road
7 commission shall be as provided in section 21 of chapter IV of 1909
8 PA 283, MCL 224.21. The duty of the state and the county road
9 commissions to repair and maintain highways, and the liability for
10 that duty, extends only to the improved portion of the highway
11 designed for vehicular travel and does not include sidewalks,
12 trailways, crosswalks, or any other installation outside of the
13 improved portion of the highway designed for vehicular travel. A
14 judgment against the state based on a claim arising under this
15 section from acts or omissions of the state transportation
16 department is payable only from restricted funds appropriated to
17 the state transportation department or funds provided by its
18 insurer.

19 (2) If the state transportation department contracts with
20 another governmental agency to perform work on a state trunk line
21 highway, an action brought under this section for tort liability
22 arising out of the performance of that work shall be brought only
23 against the state transportation department under the same
24 circumstances and to the same extent as if the work had been
25 performed by employees of the state transportation department. The
26 state transportation department has the same defenses to the action
27 as it would have had if the work had been performed by its own

1 employees. If an action described in this subsection could have
2 been maintained against the state transportation department, it
3 shall not be maintained against the governmental agency that
4 performed the work for the state transportation department. The
5 governmental agency also has the same defenses that could have been
6 asserted by the state transportation department had the action been
7 brought against the state transportation department.

8 (3) The contractual undertaking of a governmental agency to
9 maintain a state trunk line highway confers contractual rights only
10 on the state transportation department and does not confer third
11 party beneficiary or other contractual rights in any other person
12 to recover damages to person or property from that governmental
13 agency. This subsection does not relieve the state transportation
14 department of liability it may have, under this section, regarding
15 that highway.

16 (4) The duty imposed by this section on a governmental agency
17 is limited by sections 81131 and 82124 of the natural resources and
18 environmental protection act, 1994 PA 451, MCL 324.81131 and
19 324.82124.
