18 (3) If a zone plan provides for an assessment, the treasurer
19 of the city or village in which the zone area is located as an

11 (3) All expenditures by a business improvement zone shall be
12 audited annually by a certified public accountant. The audit shall
13 be completed within 9 months of the close of the fiscal year of the
14 business improvement zone. Within 30 days after completion of an
15 audit, the certified public accountant shall transmit a copy of the
16 audit to the board and make copies of the audit available to the
17 property owners and the public.

4 state or nationally chartered bank or a state or federally
5 chartered savings and loan association, savings bank, or credit
6 union whose deposits are insured by an agency of the United States
7 government and that maintains a principal office or branch office
8 located in this state under the laws of this state or of the United

17 (2) Approval of the new zone plan at the special meeting by
18 ~~60%~~50% of the property owners of assessable property voting at
19 that meeting, with the vote of the property owners being weighted
20 in accordance with section 10f(2), constitutes reauthorization of
21 the business improvement zone for an additional 7-year period,
22 commencing as of the expiration of the 7-year period then in
23 effect. If the new zone plan reflects any new assessment, or
