ENROLLED SENATE BILL No. 272

AN ACT to amend 1969 PA 306, entitled "An act to provide for the effect, processing, promulgation, publication, and inspection of state agency rules, determinations, and other matters; to provide for the printing, publishing, and distribution of certain publications; to provide for state agency administrative procedures and contested cases and appeals from contested cases in licensing and other matters; to create and establish certain committees and offices; to provide for declaratory judgments as to rules; to repeal certain acts and parts of acts; and to repeal certain parts of this act on a specific date," by amending sections 40 and 64 (MCL 24.240 and 24.264), section 40 as amended by 1999 PA 262.

The People of the State of Michigan enact:

Sec. 40. (1) When an agency proposes to adopt a rule that will apply to a small business and the rule will have a disproportionate impact on small businesses because of the size of those businesses, the agency shall consider exempting small businesses and, if not exempted, the agency proposing to adopt the rule shall reduce the economic impact of the rule on small businesses by doing all of the following when it is lawful and feasible in meeting the objectives of the act authorizing the promulgation of the rule:

(a) Identify and estimate the number of small businesses affected by the proposed rule and its probable effect on small businesses.

(b) Establish differing compliance or reporting requirements or timetables for small businesses under the rule after projecting the required reporting, record-keeping, and other administrative costs.

(c) Consolidate, simplify, or eliminate the compliance and reporting requirements for small businesses under the rule and identify the skills necessary to comply with the reporting requirements.

(d) Establish performance standards to replace design or operational standards required in the proposed rule.

(2) The factors described in subsection (1)(a) to (d) shall be specifically addressed in the small business impact statement.

(3) In reducing the disproportionate economic impact on small business of a rule as provided in subsection (1), an agency shall use the following classifications of small business:

(a) 0-9 full-time employees.

(b) 10-49 full-time employees.

(c) 50-249 full-time employees.

(4) For purposes of subsection (3), an agency may include a small business with a greater number of full-time employees in a classification that applies to a business with fewer full-time employees.

(5) This section and section 45(3) do not apply to a rule that is required by federal law and that an agency promulgates without imposing standards more stringent than those required by the federal law.

Sec. 64. Unless an exclusive procedure or remedy is provided by a statute governing the agency, the validity or applicability of a rule, including the failure of an agency to accurately assess the impact of the rule on businesses, including small businesses, in its regulatory impact statement, may be determined in an action for declaratory judgment if the court finds that the rule or its threatened application interferes with or impairs, or imminently threatens to interfere with or impair, the legal rights or privileges of the plaintiff. The action shall be filed in the circuit court of the county where the plaintiff resides or has his or her principal place of business in this state or in the circuit court for Ingham county. The agency shall be made a party to the action. An action for declaratory judgment may not be commenced under this section unless the plaintiff has first requested the agency for a declaratory ruling and the agency has denied the request or failed to act upon it expeditiously. This section shall not be construed to prohibit the determination of the validity or applicability of the rule in any other action or proceeding in which its invalidity or inapplicability is asserted.

This act is ordered to take immediate effect.
