The People of the State of Michigan enact:

Sec. 7405. (1) A person:

(a) Who is licensed by the administrator under this article shall not distribute, prescribe, or dispense a controlled substance in violation of section 7333.

(b) Who is a licensee shall not manufacture a controlled substance not authorized by his or her license or distribute, prescribe, or dispense a controlled substance not authorized by his or her license to another licensee or other authorized person, except as authorized by rules promulgated by the administrator.

(c) Shall not refuse an entry into any premises for an inspection authorized by this article.

(d) Shall not knowingly keep or maintain a store, shop, warehouse, dwelling, building, vehicle, boat, aircraft, or other structure or place, that is frequented by persons using controlled substances in violation of this article for the purpose of using controlled substances, or that is used for keeping or selling controlled substances in violation of this article.

(e) Who is a practitioner shall not dispense a prescription for a controlled substance written and signed or transmitted by facsimile, electronic transmission, or other means of communication by a physician prescriber or dentist prescriber licensed to practice in a state other than Michigan, unless the prescription is issued by a physician prescriber or dentist prescriber who is authorized under the laws of that state to practice dentistry, medicine, or osteopathic medicine and surgery and to prescribe controlled substances.

(2) A person who violates subsection (1) is subject to the penalties prescribed in section 7406.

Sec. 17708. (1) "Preceptor" means a pharmacist approved by the board to direct the training of an intern in an approved pharmacy.

(2) "Prescriber" means a licensed dentist, a licensed doctor of medicine, a licensed doctor of osteopathic medicine and surgery, a licensed doctor of podiatric medicine and surgery, a licensed optometrist certified under part 174 to administer and prescribe therapeutic pharmaceutical agents, a licensed veterinarian, or another licensed health professional acting under the delegation and using, recording, or otherwise indicating the name of the delegating licensed doctor of medicine or licensed doctor of osteopathic medicine and surgery.

(3) "Prescription" means an order for a drug or device written and signed or transmitted by facsimile, electronic transmission, or other means of communication by a prescriber to be filled, compounded, or dispensed. Prescribing is limited to a prescriber. An order transmitted in other than written form shall be electronically recorded, printed, or written and immediately dated by the pharmacist, and that record constitutes the original prescription. In a health facility or agency licensed under article 17 or other medical institution, an order for a drug or device in the patient's chart constitutes for the purposes of this definition the original prescription. Subject to section 17751(2), prescription includes, but is not limited to, an order for a drug, not including a controlled substance as defined in section 7104 except under circumstances described in section 17763(e), written and signed or transmitted by facsimile, electronic transmission, or other means of communication by a physician prescriber or dentist prescriber licensed to practice dentistry, medicine, or osteopathic medicine and surgery in a state other than Michigan.

(4) "Prescription drug" means 1 or more of the following:

(a) A drug dispensed pursuant to a prescription.

(b) A drug bearing the federal legend "CAUTION: federal law prohibits dispensing without prescription" or "Rx only".

(c) A drug designated by the board as a drug that may only be dispensed pursuant to a prescription.

Sec. 17751. (1) A pharmacist shall not dispense a drug requiring a prescription under the federal act or a law of this state except under authority of an original prescription or an equivalent record of an original prescription approved by the board.

(2) A pharmacist may dispense a prescription written and signed or transmitted by facsimile, electronic transmission, or other means of communication by a physician prescriber or dentist prescriber in a state other than Michigan, but not including a prescription for a controlled substance as defined in section 7104 except under circumstances described in section 17763(e), only if the pharmacist in the exercise of his or her professional judgment determines all of the following:

(a) That the prescription was issued pursuant to an existing physician-patient or dentist-patient relationship.

(b) That the prescription is authentic.

(c) That the prescribed drug is appropriate and necessary for the treatment of an acute, chronic, or recurrent condition.

(3) A pharmacist or a prescriber shall dispense a prescription only if the prescription falls within the scope of practice of the prescriber.

(4) A pharmacist shall not knowingly dispense a prescription after the death of the prescriber or patient.

Sec. 17763. In addition to the grounds set forth in part 161, the disciplinary subcommittee may fine, reprimand, or place a pharmacist licensee on probation, or deny, limit, suspend, or revoke the license of a pharmacist or order restitution or community service for a violation or abetting in a violation of this part or rules promulgated under this part, or for 1 or more of the following grounds:

(a) Permitting the dispensing of prescriptions by an individual who is not a pharmacist, pharmacist intern, or dispensing prescriber.

(b) Permitting the dispensing of prescriptions by a pharmacist intern, except in the presence and under the personal charge of a pharmacist.

(c) Selling at auction drugs in bulk or in open packages unless the sale has been approved in accordance with rules of the board.

(d) Promoting a prescription drug to the public in any manner.

(e) In addition to the prohibition contained in section 7405(1)(e), dispensing a prescription for a controlled substance as defined in section 7104 that is written and signed or transmitted by facsimile, electronic transmission, or other means of communication by a physician prescriber or dentist prescriber in a state other than Michigan, unless the prescription is issued by a physician prescriber or dentist prescriber who is authorized under the laws of that state to practice dentistry, medicine, or osteopathic medicine and surgery and to prescribe controlled substances.

This act is ordered to take immediate effect.
