REGULAR SESSION OF 2012**

Introduced by Reps. Haveman, Lund, Genetski, Lyons, Damrow, Yonker, Rogers and Olson

**ENROLLED HOUSE BILL No. 4929**

AN ACT to amend 1947 PA 336, entitled "An act to prohibit strikes by certain public employees; to provide review from disciplinary action with respect thereto; to provide for the mediation of grievances and the holding of elections; to declare and protect the rights and privileges of public employees; to require certain provisions in collective bargaining agreements; and to prescribe means of enforcement and penalties for the violation of the provisions of this act," by amending the title and section 10 (MCL 423.210), the title as amended by 2011 PA 9.

*The People of the State of Michigan enact:*

TITLE

An act to prohibit strikes by certain public employees; to provide review from disciplinary action with respect thereto; to provide for the mediation of grievances and the holding of elections; to declare and protect the rights and privileges of public employees; to require certain provisions in collective bargaining agreements; to prescribe means of enforcement and penalties for the violation of the provisions of this act; and to make appropriations.

Sec. 10. (1) A public employer or an officer or agent of a public employer shall not do any of the following:

(a) Interfere with, restrain, or coerce public employees in the exercise of their rights guaranteed in section 9.

(b) Initiate, create, dominate, contribute to, or interfere with the formation or administration of any labor organization. A public school employer's use of public school resources to assist a labor organization in collecting dues or service fees from wages of public school employees is a prohibited contribution to the administration of a labor organization. However, a public school employer's collection of dues or service fees pursuant to a collective bargaining agreement that is in effect on the effective date of the amendatory act that added this sentence is not prohibited until the agreement expires or is terminated, extended, or renewed. A public employer may permit employees to confer with a labor organization during working hours without loss of time or pay.

(c) Discriminate in regard to hire, terms, or other conditions of employment to encourage or discourage membership in a labor organization. However, this act or any other law of this state does not preclude a public employer from making an agreement with an exclusive bargaining representative as described in section 11 to require as a condition of employment that all employees in the bargaining unit pay to the exclusive bargaining representative a service fee equivalent to the amount of dues uniformly required of members of the exclusive bargaining representative.

(d) Discriminate against a public employee because he or she has given testimony or instituted proceedings under this act.

(e) Refuse to bargain collectively with the representatives of its public employees, subject to the provisions of section 11.

(2) It is the purpose of 1973 PA 25 to reaffirm the continuing public policy of this state that the stability and effectiveness of labor relations in the public sector require, if the requirement is negotiated with the public employer, that all employees in the bargaining unit shall share fairly in the financial support of their exclusive bargaining representative by paying to the exclusive bargaining representative a service fee that may be equivalent to the amount of dues uniformly required of members of the exclusive bargaining representative.

(3) A labor organization or its agents shall not do any of the following:

(a) Restrain or coerce public employees in the exercise of the rights guaranteed in section 9. This subdivision does not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership.

(b) Restrain or coerce a public employer in the selection of its representatives for the purposes of collective bargaining or the adjustment of grievances.

(c) Cause or attempt to cause a public employer to discriminate against a public employee in violation of subsection (1)(c).

(d) Refuse to bargain collectively with a public employer, provided it is the representative of the public employer's employees subject to section 11.

(4) By March 1 of each year, each exclusive bargaining representative that represents public employees in this state shall file with the commission an independent audit of all expenditures attributed to the costs of collective bargaining, contract administration, and grievance adjustment during the prior calendar year. The commission shall make the audits available to the public on the commission's website. For fiscal year 2011-2012, \$100,000.00 is appropriated to the commission for the costs of implementing this subsection.

This act is ordered to take immediate effect.
