The People of the State of Michigan enact:

Sec. 3107. (1) Except as provided in subsection (2), personal protection insurance benefits are payable for the following:

(a) Allowable expenses consisting of all reasonable charges incurred for reasonably necessary products, services and accommodations for an injured person's care, recovery, or rehabilitation. Allowable expenses within personal protection insurance coverage shall not include either of the following:

(i) Charges for a hospital room in excess of a reasonable and customary charge for semiprivate accommodations except if the injured person requires special or intensive care.

(ii) Funeral and burial expenses in excess of the amount set forth in the policy which shall not be less than \$1,750.00 or more than \$5,000.00.

(b) Work loss consisting of loss of income from work an injured person would have performed during the first 3 years after the date of the accident if he or she had not been injured. Work loss does not include any loss after the date on which the injured person dies. Because the benefits received from personal protection insurance for loss of income are not taxable income, the benefits payable for such loss of income shall be reduced 15% unless the claimant presents to the insurer in support of his or her claim reasonable proof of a lower value of the income tax advantage in his or her case, in which case the lower value shall apply. For the period beginning October 1, 2012 through September 30, 2013, the benefits payable for work loss sustained in a single 30-day period and the income earned by an injured person for work during the same period together shall not exceed \$5,189.00, which maximum shall apply pro rata to any lesser period of work loss. Beginning October 1, 2013, the maximum shall be adjusted annually to reflect changes in the cost of living under rules prescribed by the commissioner but any change in the maximum shall apply only to benefits arising out of accidents occurring subsequent to the date of change in the maximum.

(c) Expenses not exceeding \$20.00 per day, reasonably incurred in obtaining ordinary and necessary services in lieu of those that, if he or she had not been injured, an injured person would have performed during the first 3 years after the date of the accident, not for income but for the benefit of himself or herself or of his or her dependent.

(2) Both of the following apply to personal protection insurance benefits payable under subsection (1):

(a) A person who is 60 years of age or older and in the event of an accidental bodily injury would not be eligible to receive work loss benefits under subsection (1)(b) may waive coverage for work loss benefits by signing a waiver on a form provided by the insurer. An insurer shall offer a reduced premium rate to a person who waives coverage under this subsection for work loss benefits. Waiver of coverage for work loss benefits applies only to work loss benefits payable to the person or persons who have signed the waiver form.

(b) An insurer shall not be required to provide coverage for the medical use of marihuana or for expenses related to the medical use of marihuana.

This act is ordered to take immediate effect.
