Pastor John Scott, Pastor of New Life United Methodist Church in Lakeview, offered the following invocation:

“Gracious and Almighty God, we humbly bow our heads and hearts before You. We acknowledge Your presence here and in all places. You are Alpha and Omega, the beginning and the End. In You we live and move and have our being.

It is You Who has created the landscape of this beautiful state we call home by means of glaciers, running waters and blowing sands. How privileged we are to be trusted with these amazing peninsulas filled with cities and towns, forests, rivers, and lakes that all feed and surround the Great Lakes. What a humble privilege it is to live here, to work here, and to enjoy, and care for this spectacular State.

From the sands of the Leelanau to the rocky outcrops of the Porcupines, from the beaches and harbors of St. Joe and Saugatuck to the sugar beets of the Thumb area, from the streets of Detroit to the horse-drawn carriages of Mackinaw, from the Locks of Sault Ste. Marie to the farmlands of the Heartland, men and women come to this place to make decisions that affect the lives of citizens of this great State.

O God, help us not forget what we have been entrusted with... There are more than 170 species of fish and 3,500 species of plants and wildlife that call the Great Lakes Basin home. In this same basin, more than 35 million people rely upon the Great Lakes for drinking water, jobs, and their way of life. This is just one of the tremendous resources that You, Gracious God, have entrusted to the people who live on the shores of these interconnected bodies of water that make up the largest fresh water system on the planet. Remind us of the incredible responsibility we have to make sound, wise decisions that not only benefit people, but also protect these resources for the generations to come.

So for our elected leaders who gather here, we ask that You would place Your favor upon them and grant them a spirit of collegiality, and wisdom to solve problems and bring solutions. May these, our legislators, possess clear minds and have the ability to be well informed on particular issues so as to pass good laws for our State.

We lift the citizens of this great State to You asking for an outpouring of Your Holy Spirit. We lift in prayer Governor Snyder. May he be blessed with wisdom and protection. O God, stretch Your hand out over this land and protect us.

Finally, Loving God, we ask for many things and seek much in the way of blessing from You. The truth is what we really need is You.

Help us through Your Holy Spirit so that whoever we are, where ever we live, and however we serve, we would be a blessing to You and those whom we call neighbors.

In the name of Jesus Christ we ask.

AMEN.”

Rep. Rutledge moved that Rep. Stanley be excused from today’s session.

### Motions and Resolutions

Reps. Switalski, Brown, Darany, Roberts and Singh offered the following resolution:

**House Resolution No. 354.**

A resolution to declare May 5-11, 2014, as Screen-Free Week in the state of Michigan.

Whereas, Screen-Free Week is an enjoyable and innovative way to improve children’s well-being by reducing dependence on entertainment screen media, including television, video games, computers, and hand-held devices, thus offering time for children to go outside, read, daydream, create, explore, and spend more time with family and friends; and

Whereas, Preschool children spend an average of 32 hours a week with screen media; and

Whereas, School-age children exposed to excessive screen time may also suffer the effects of childhood obesity, sleep disturbances, attention span issues, increased psychological difficulties, negative attitudes toward school, long-term academic failure, poor homework completion, less physical activity, and fewer family meals; and

Whereas, Children who are exposed to marketing practices, may have higher rates of depression, show more symptoms of anxiety, and have poor self-esteem; and

Whereas, Watching television commercials contributes to children’s dissatisfaction with their own body image, leading to an increase in eating disorders; and

Whereas, Research shows that children who are exposed to violent content in movies, video games, and television programs have a potential risk factor for becoming desensitized to violence; and

Whereas, Teens who are heavily exposed to various forms of sexualized media content are more likely to initiate intercourse, have several sex partners, contract a sexually transmitted disease, and men are less likely to empathize with female sexual assault victims; and

Whereas, The American Academy of Pediatrics recommends no screen time for children under 2 and less than 2 hours per day for older children; and

Whereas, Increased screen time for toddlers leaves less time for engagement in creative play, establishing the foundation of learning, constructive problem solving, and creativity; and

Whereas, Research demonstrates the benefits of reduced screen time for children, such as a higher academic performance, healthier lifestyle, prevention for later behavioral problems and victimization by classmates, and a decreased interest in television in later years; and

Whereas, Screen-Free Week establishes the foundation for important lifestyle adjustments that will develop the well-being and quality of life in children all year round; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 5-11, 2014, as Screen-Free Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kesto, Farrington, Poleski, Kelly, Crawford, Kowall, Haines, LaFontaine, Callton, Yonker, McCreedy, Howrylak, Nesbitt, Pscholka, Greimel, Rutledge, Nathan, Singh, Foster, Forlini, Cotter, MacGregor, Kosowski, Brown, Darany, Denby, Heise and Roberts offered the following resolution:

**House Resolution No. 355.**

A resolution to declare May 15, 2014, as Chaldean American Day in the state of Michigan.

Whereas, Approximately 130,000 Chaldeans reside in Michigan, the largest population outside of the Middle East; and

Whereas, The Chaldean population began immigrating to America during the 1920's for better economic, religious and political freedom, bringing with them a strong work ethic which continues to positively add to the growth of Michigan through the establishment of 15,000 Chaldean-owned businesses throughout the state; and

Whereas, The Chaldean community has undoubtedly proven their diligent business skills and entrepreneurial spirit with nearly sixty-one percent of Chaldean American households owning at least one business and thirty-nine percent owning two or more as well as an estimated nine out of ten food stores in Detroit; and

Whereas, The Chaldean American Chamber of Commerce currently has 878 members, representing more than thirty-five hundred businesses with goals of building community ties, ensuring membership value and advocacy for the benefit of Chaldean people; and

Whereas, The Chaldean Community Foundation has promoted steady population growth by providing services to the newly arrived Iraqi Chaldean refugees in efforts to help refugees become contributing members to Michigan through assistance with housing, job placement, language development, social and government program directives; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 15, 2014, as Chaldean American Day in the state of Michigan. We acknowledge the contributions of this innovative and entrepreneurial community as an important part of Michigan's diverse history; and be it further

Resolved, That a copy of this resolution be sent to the Chaldean American Chamber of Commerce as evidence of the highest esteem of the members of the Michigan Legislature.

The question being on the adoption of the resolution,

Rep. Stamas moved that consideration of the resolution be postponed for the day.

The motion prevailed.

Rep. Nathan offered the following resolution:

**House Resolution No. 356.**

A resolution to urge the federal government to produce identification cards for military veterans who, as a result of combat, have shrapnel or other types of metal in their bodies.

Whereas, Of the more than 2.6 million U.S. service members deployed to Iraq and Afghanistan since 2003, over 900,000 have returned home as "wounded warriors." These service men and women have sustained non-fatal war injuries that have left them with physical and mental disabilities that will adversely impact them every day of their lives; and

Whereas, Many of these individuals' injuries are the result of improvised explosive devices (IEDs) that were packed full of bits of metal such as nails and screws. These wounded warriors will live with the shrapnel in their bodies and injuries to their limbs forever; and

Whereas, These proud U.S. veterans do not need to be reminded of their injuries when they go through airport security and are subjected to humiliation and the rudeness of security personnel who may be ignorant of the persistent difficulties caused by the injuries suffered by our veterans. Although the Traffic Safety Administration (TSA) offers expedited screening for wounded warriors, this service requires that the individual contact TSA prior to traveling and does not guarantee appropriate treatment of the injured individual; and

Whereas, Providing veterans with injuries with a special identification card that identifies them as having unique circumstances will allow them to maintain their dignity at airport security. Education for TSA on how to screen wounded veterans is also important as many of these individuals have injuries that make it difficult to remove coats or raise their arms; now, therefore, be it

Resolved by the House of Representatives, That we urge the federal government to produce identification cards for military veterans who, as a result of combat, have shrapnel or other types of metal in their bodies; and be it further

Resolved, That copies of this resolution be transmitted to the Secretary of the Department of Defense, the Secretary of the Department of Veterans Affairs, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Military and Veterans Affairs.

Reps. Stallworth, Greimel, Dianda, Dillon, Tlaib, Roberts, Rutledge, Lipton, Abed, Slavens, Haugh, Lane, Faris, Switalski, Townsend, Heise, Lyons, O'Brien, Cotter, Haines, Jacobsen, Yonker, Muxlow, Rogers, Howrylak, Callton, McCready, Glardon, Zemke, Singh, Olumba, Hooker, Hovey-Wright, Lamonte, Kandreas, McCann, Potvin, Clemente, LaVoy, Banks, Oakes, Brown and Darany offered the following resolution:

**House Resolution No. 357.**

A resolution to commemorate the 60th anniversary of the *Brown v. Board of Education* Supreme Court decision.

Whereas, On May 14, 2014, the nation will mark the 60th anniversary of the U.S. Supreme Court's ruling in *Brown v. Board of Education*, in which the court unanimously decided that "in the field of public education, the doctrine 'separate but equal' has no place. Separate educational facilities are inherently unequal"; and

Whereas, The *Brown v. Board of Education* ruling was a triumphant civil rights victory following decades of litigation and fights to end state-sponsored segregation in U.S. public schools and provided hope and inspiration to those involved in the struggle for racial equality in the United States; and

Whereas, The ruling energized the then-fledgling civil rights movement, opened the door to and gave a legal basis for ending centuries of racial segregation, and is widely recognized as one of the most pivotal U.S. Supreme Court rulings of the 20th century; and

Whereas, The historic decision repudiated the doctrine of "separate but equal" ruling that separate educational systems, by their very nature, could not be equal. It must be noted that many areas of our nation are still struggling with the vestiges of segregation and many students are still not afforded equal opportunities in public education and the larger society; and

Whereas, The challenge of racial equality continues as we must work to build a society in which differences are embraced and opportunities made equally available, a society enriched by racial diversity, not segregated by it, and that we do all we can to build a society that will leave no one behind; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 60th anniversary of the *Brown v. Board of Education* Supreme Court decision. We encourage schools and universities to dedicate time engaging students on the importance of this Supreme Court decision and its impact on equal opportunity in public education and the larger society.

The question being on the adoption of the resolution,

The resolution was adopted.

The Speaker Pro Tempore assumed the Chair.

Rep. Segal, having reserved the right to explain her protest against the passage of the bill, made the following statement:  
 “Mr. Speaker and members of the House:

Today I opposed HB 4997 because it creates a new exemption in state law for e-cigarettes as ‘vapor’ products—not tobacco products. E-cigarettes should be regulated, but regulated as tobacco products since they are derived from tobacco. Instead, this body should be passing HB 5393 which would treat e-cigarettes as tobacco products and help keep them out of the hands of minors. Today I join with health care advocacy groups and providers from across the state in opposing this legislation. I look forward to working with my colleagues to pass real regulations of e-cigarettes that protect the public health.”

Rep. Haines, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:  
 I voted no because this bill does not define e cigarettes as tobacco products.”

Rep. Slavens, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:  
 As I agree with the sponsors intent that the sale of electronic cigarettes to children should be prohibited. I disagree with the definition of e-cigarette ‘vapor products’, electronic cigarette law should mirror tobacco product law. I urge rejection of HB 4997 and treat e-cigs like all tobacco products. We could do this by passing HB 5393.”
