**STATE OF MICHIGAN
97TH LEGISLATURE
REGULAR SESSION OF 2014**

Introduced by Rep. Lori

ENROLLED HOUSE BILL No. 4915

AN ACT to amend 1989 PA 196, entitled “An act to abolish the criminal assessments commission; to prescribe certain duties of the crime victim services commission; to create the crime victim’s rights fund; to provide for expenditures from the fund; to provide for assessments against criminal defendants and certain juvenile offenders; to provide for payment of crime victim’s rights services; and to prescribe the powers and duties of certain state and local agencies and departments,” by amending section 4 (MCL 780.904), as amended by 2010 PA 280.

The People of the State of Michigan enact:

Sec. 4. (1) The crime victim’s rights fund is created as a separate fund in the state treasury. The state treasurer shall credit to the fund all amounts received under this act and as provided by law. The state treasurer shall invest fund money in the same manner as surplus funds are invested under section 3 of 1855 PA 105, MCL 21.143. Earnings from the fund shall be credited to the fund.

(2) The fund shall be expended only as provided in this act. Amounts in the fund in excess of the necessary revenue determined by the commission under section 3(a) may be used for crime victim compensation under 1976 PA 223, MCL 18.351 to 18.368. Any additional excess revenue that has not been used for crime victim compensation may be used to provide for establishment and maintenance of a statewide trauma system, including staff support associated with trauma and related emergency medical services program activities. Not more than \$3,500,000.00 shall be expended for this purpose from the fund in any fiscal year.

(3) Beginning October 1, 2018, the amount expended for the statewide trauma system from the fund shall not exceed 50% of the maximum allowable under subsection (2), unless the amount expended is reasonably proportional to crime victims’ utilization of the statewide trauma system.

This act is ordered to take immediate effect.
