EFFECTIVE DATE: January 15, 2015

**STATE OF MICHIGAN
97TH LEGISLATURE
REGULAR SESSION OF 2014**

Introduced by Senators Jones and Robertson

ENROLLED SENATE BILL No. 493

AN ACT to amend 2006 PA 110, entitled “An act to codify the laws regarding local units of government regulating the development and use of land; to provide for the adoption of zoning ordinances; to provide for the establishment in counties, townships, cities, and villages of zoning districts; to prescribe the powers and duties of certain officials; to provide for the assessment and collection of fees; to authorize the issuance of bonds and notes; to prescribe penalties and provide remedies; and to repeal acts and parts of acts,” (MCL 125.3101 to 125.3702) by adding section 205a.

The People of the State of Michigan enact:

Sec. 205a. (1) 47 CFR 97.15 provides that owners of certain amateur radio service station antenna structures more than 60.96 meters (200 feet) above ground level at the site or located near or at a public use airport must notify the federal aviation administration and register with the federal communications commission as required by 47 CFR part 17.

(2) An amateur radio service station antenna structure may be erected at heights and dimensions sufficient to accommodate amateur radio service communications. Regulation of an amateur radio service station antenna structure by a local unit of government must not preclude amateur radio service communications. Rather, it must reasonably accommodate those communications and must constitute the minimum practicable regulation to accomplish the local unit of government’s legitimate purpose.

(3) To obtain information about the regulation of amateur radio service station antenna structures, a person may contact any advisory board that is jointly established by the Michigan section of the American radio relay league and 1 or more state organizations representing local units of government.

This act is ordered to take immediate effect.
