Rep. Tom Hooker, from the 77th District, offered the following invocation:

“Dear Lord and Heavenly Father,

We come to You this morning recognizing Your power and authority over every aspect of our lives. We also recognize our frailty and weakness as well as our sinful natures. I see our nation and our state is far from You and Your desire and plan for us. Our state has some of the most violent cities in the nation. Our nation has turned its back on Goodness, compassion, life, and our people have placed You and Your Word last in our conscience and thoughts. Selfishness, theft and even murder is common. You have said in Your word in II Chronicles 7:14 ‘If My people, which are called by My name, will humble themselves, and pray, and seek My face, and turn from their wicked ways: then will I hear from heaven, and will forgive their sin, and heal their land.’ That promise was given not to the unbeliever but to the believer. If and only if we who claim Christ as our Savior, do as that verse says, then and only then, will God forgive our sin and heal this state and nation. I humble myself before You today, seeking Your plan for my life and ask Your forgiveness for my sin against You. I ask for Your wisdom as we conduct the state’s business and call my brothers and sisters here, to seek Your face as well. I ask this in the name of Your Son, my Savior, Jesus Christ. Amen.”

The Speaker assumed the Chair.

Rep. Singh moved that Rep. Liberati be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Singh, Guerra, Brinks, Phelps, Moss, Kivela, LaGrand, Neeley, Plawecki, Hoadley, Pagan, Aaron Miller, McBroom, Bizon, Pagel, Liberati, Canfield, Chirkun, Cochran, Driskell, Faris, Howrylak, Hughes, Lauwers, LaVoy, Leutheuser, Maturen, Sarah Roberts, Tedder, Whiteford and Wittenberg offered the following resolution:

House Resolution No. 306.

A resolution to declare July 3-9, 2016, as Arteriovenous Malformation Awareness Week in the state of Michigan.

Whereas, Arteriovenous malformation (AVM) is defined as an abnormal connection between arteries and veins which bypass the capillary system. AVM is a rare condition that affects approximately 300,000 American citizens. Although many AVMs are asymptomatic, they can cause intense pain or bleeding in addition to other serious medical problems; and

Whereas, This vascular anomaly is widely known because of its occurrence in the central nervous system, but it can appear in any location. It may also cause abnormal sensations such as numbness, tingling, or spontaneous pain; difficulties with movement or coordination, including muscle weakness and even paralysis; vertigo, difficulties of speech, communication, and challenges with everyday activities; and

Whereas, A team of researchers has initiated research on AVM with the goal of identifying a drug therapy to cure the disease. The objectives of this research include determining the mechanism of progression of AVM in humans, developing tools for testing potential pharmacotherapy, and developing drug treatment for humans with AVM; and

Whereas, Kelleigh’s Cause, a not-for-profit organization, was founded in 2013 by Haslett, Michigan native Kelleigh Gustafson at the age of 17. In conjunction with the Children’s Hospital of Wisconsin, Kelleigh’s Cause has been instrumental in raising attention and funds to support the research and treatment of AVM; and

Whereas, There exists a great need for public awareness surrounding this rare condition and increased attention to efforts to support opportunities for advancement in AVM research and treatment; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 3-9, 2016, as Arteriovenous Malformation Awareness Week in the state of Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Sparrow Foundation, Kelleigh Gustafson, and Kelleigh’s Cause as a token of our appreciation.

The question being on the adoption of the resolution,

The resolution was adopted.

The Speaker called Associate Speaker Pro Tempore Franz to the Chair.

In The Chair: Franz

The House agreed to the title of the joint resolution.

Reps. Barrett, Bizon, Brinks, Brunner, Byrd, Chang, Clemente, Cochran, Cole, Cox, Crawford, Driskell, Durhal, Garcia, Garrett, Geiss, Hoadley, Howell, Hughes, Iden, Inman, Jenkins, Kelly, Kosowski, LaGrand, LaVoy, Lucido, Muxlow, Nesbitt, Phelps, Plawecki, Price, Sarah Roberts, Rutledge, Smiley, Talabi and Whiteford were named co-sponsors of the joint resolution.

Rep. Townsend, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted against HJR N because there is no clear evidence that amending the state constitution is necessary to protect the electronic information of Michigan residents. It is not clear what, if anything, the proposed new language in HJR N will add to protections that are already available to Michigan citizens under both the state and federal constitutions. If there is a problem, it is unclear why an amendment to the Michigan Constitution of 1963 is the appropriate remedy, as opposed to a legislative remedy.

The Michigan Constitution is the fundamental law of our state, and we should not take lightly the significance of amending this document. In other words, if members of this body are concerned about protecting the data of Michigan residents from unlawful search and seizure by the government, it would be far better to pass a legislation. Supporters have simply not made their case for the need to amend the state constitution to protect the privacy of Michigan residents. I stand ready to work with my colleagues to explore this issue in greater depth and, if necessary, develop a legislative approach to safeguarding the electronic information of Michiganders.”

Reporting and tracking of maternal deaths has been in effect in Michigan since 1950. This voluntary system has proven to be appropriate and sufficient for the purposes of providing data to researchers who investigate the causes of maternal death. HB 4235 would place another unneeded reporting mandate on the healthcare community and could result in an increase in state costs. I fully support the current voluntary system.”
