5 applying for registration or for a vehicle of the 1984 or a
6 subsequent model year that has been previously registered in
7 another state or country and is registered for the first time in
8 this state, the tax under this subdivision shall be determined by
9 subtracting the model year of the vehicle from the calendar year
10 for which the registration is sought. If the result is zero or a
11 negative figure, the first registration tax shall be paid. If the
12 result is 1, 2, or 3 or more, then, respectively, the second,

4 weight. Each application for registration of a vehicle under
5 subdivisions (j) and (m) shall have attached to the application a
6 scale weight receipt of the vehicle fully equipped as of the time
7 the application is made. The scale weight receipt is not
8 necessary if there is presented with the application a
9 registration receipt of the previous year that shows on its face
10 the weight of the motor vehicle as registered with the secretary
11 of state and that is accompanied by a statement of the applicant
12 that there has not been a structural change in the motor vehicle
13 that has increased the weight and that the previous registered
14 weight is the true weight.

15 (2) A manufacturer is not exempted under this act from
16 paying ad valorem taxes on vehicles in stock or bond, except on

7 date. An application for a renewal of a registration using the
8 regular mail and postmarked before the expiration date of that
9 registration shall not be assessed a late fee. The late fee
10 collected under this subsection shall be deposited into the

26 provided in section 9 of article IX of the state constitution of
