9 and CMHSPs or PIHPs. The contracts shall contain an approved plan and budget as well
10 as policies and procedures governing the obligations and responsibilities of both
11 parties to the contracts. Each contract with a CMHSP or PIHP that the department is
12 authorized to enter into under this subsection shall include a provision that the
13 contract is not valid unless the total dollar obligation for all of the contracts

3 include, but are not limited to, all of the following:

4 (a) Each contractor or subcontractor shall have a mission that is consistent
5 with the purpose of multicultural integration funding.

6 (b) Each contractor shall validate that any subcontractors utilized within
7 these appropriations share the same mission as the lead agency receiving funding.

8 (c) Each contractor or subcontractor shall demonstrate cost-effectiveness.

9 (d) Each contractor or subcontractor shall ensure its ability to leverage
10 private dollars to strengthen and maximize service provision.

11 (e) Each contractor or subcontractor shall provide timely and accurate reports
12 regarding the number of clients served, units of service provision, and ability to
13 meet its stated goals.

14 (2) The department shall require an annual report from the contractors that

25 contractor required to provide data per this section shall be invited to participate
26 in the workgroup.

27 Sec. 4-406. (1) The funds appropriated in part 1 for the state disability

1 assistance substance use disorder services program shall be used to support per diem
2 room and board payments in substance use disorder residential facilities. Eligibility

4 shall include needy persons 18 years of age or older, or emancipated minors, who
5 reside in a substance use disorder treatment center.

6 (2) The department shall reimburse all licensed substance use disorder programs
7 eligible to participate in the program at a rate equivalent to that paid by the
8 department of human services to adult foster care providers. Programs accredited by
9 department-approved accrediting organizations shall be reimbursed at the personal care
10 rate, while all other eligible programs shall be reimbursed at the domiciliary care
11 rate.

12 Sec. 4-407. (1) The amount appropriated in part 1 for substance use disorder
13 prevention, education, and treatment grants shall be expended to coordinate care and
14 services provided to individuals with severe and persistent mental illness and
15 substance use disorder diagnoses.

16 (2) The department shall approve managing entity fee schedules for providing
17 substance use disorder services and charge participants in accordance with their
18 ability to pay.

19 (3) The managing entity shall continue current efforts to collaborate on the
20 delivery of services to those clients with mental illness and substance use disorder

10 (d) Collections from other first- or third-party payers, private donations, or
11 other state or local programs, by department-designated community mental health
12 entity, by subcontractor, by population served, and by service type.

13 (2) The department shall take all reasonable actions to ensure that the
14 required data reported are complete and consistent among all department-designated
15 community mental health entities.

16 Sec. 4-410. The department shall assure that substance use disorder treatment
17 is provided to applicants and recipients of public assistance through the department
18 of human services who are required to obtain substance use disorder treatment as a
19 condition of eligibility for public assistance.

20 Sec. 4-411. (1) The department shall ensure that each contract with a CMHSP or
21 PIHP requires the CMHSP or PIHP to implement programs to encourage diversion of
22 individuals with serious mental illness, serious emotional disturbance, or
23 developmental disability from possible jail incarceration when appropriate.

24 (2) Each CMHSP or PIHP shall have jail diversion services and shall work toward
25 establishing working relationships with representative staff of local law enforcement
26 agencies, including county prosecutors' offices, county sheriffs' offices, county
27 jails, municipal police agencies, municipal detention facilities, and the courts.

1 Written interagency agreements describing what services each participating agency is
2 prepared to commit to the local jail diversion effort and the procedures to be used by
3 local law enforcement agencies to access mental health jail diversion services are
4 strongly encouraged.

5 Sec. 4-418. On or before the 25th of each month, the department shall report to
6 the senate and house appropriations subcommittees on community health, the senate and
7 house fiscal agencies, and the state budget director on the amount of funding paid to
8 PIHPs to support the Medicaid managed mental health care program in the preceding
9 month. The information shall include the total paid to each PIHP, per capita rate paid
10 for each eligibility group for each PIHP, and number of cases in each eligibility
11 group for each PIHP, and year-to-date summary of eligibles and expenditures for the
12 Medicaid managed mental health care program.

13 Sec. 4-428. Each PIHP shall provide, from internal resources, local funds to be
14 used as a bona fide part of the state match required under the Medicaid program in
15 order to increase capitation rates for PIHPs. These funds shall not include either
16 state funds received by a CMHSP for services provided to non-Medicaid recipients or
17 the state matching portion of the Medicaid capitation payments made to a PIHP.

18 Sec. 4-435. A county required under the provisions of the mental health code,
19 1974 PA 258, MCL 330.1001 to 330.2106, to provide matching funds to a CMHSP for mental
20 health services rendered to residents in its jurisdiction shall pay the matching funds
21 in equal installments on not less than a quarterly basis throughout the fiscal year,
22 with the first payment being made by October 1 of the current fiscal year.

23 Sec. 4-494. (1) Contingent upon federal approval, if a CMHSP, PIHP, or
24 subcontracting provider agency is reviewed and accredited by a national accrediting
25 entity for behavioral health care services, the department, by April 1 of the current
26 fiscal year, shall consider that CMHSP, PIHP, or subcontracting provider agency in
27 compliance with state program review and audit requirements that are addressed and

1 reviewed by that national accrediting entity.

2 (2) By June 1 of the current fiscal year, the department shall report to the
3 house and senate appropriations subcommittees on community health, the house and
4 senate fiscal agencies, and the state budget office all of the following:

5 (a) A list of each CMHSP, PIHP, and subcontracting provider agency that is
6 considered in compliance with state program review and audit requirements under
7 subsection (1).

9 subdivision (a), all of the following:

10 (i) The state program review and audit requirements that the CMHSP, PIHP, or
11 subcontracting provider agency is considered in compliance with.

12 (ii) The national accrediting entity that reviewed and accredited the CMHSP,
13 PIHP, or subcontracting provider agency.

14 (3) The department shall continue to comply with state and federal law and
15 shall not initiate an action that negatively impacts beneficiary safety.

16 (4) As used in this section, "national accrediting entity" means the joint
17 commission on accreditation of healthcare organizations, the commission on
18 accreditation of rehabilitation facilities, the council of accreditation, the
19 utilization review accreditation commission, the national committee for quality
20 assurance, or other appropriate entity, as approved by the department.

21 Sec. 4-495. From the funds appropriated in part 1 for behavioral health program
22 administration, \$4,350,000.00 is intended to address the recommendations of the mental
23 health diversion council.

24 Sec. 4-505. For the purposes of special projects involving high-need children
25 or adults, including the not guilty by reason of insanity population, the department
26 may contract directly with providers of services to these identified populations.

27 Sec. 4-506. No later than June 1 of the current fiscal year, the department

1 shall provide the house and senate appropriations subcommittees on community health,
2 the house and senate fiscal agencies, and the state budget office with the most recent
3 cost data information submitted by the CMHSPs on how the funds appropriated in part 1
4 for the community mental health services non-Medicaid services line item were expended
5 by each CMHSP. At a minimum, the information must include CMHSPs general fund/general
6 purpose costs for each of the following categories: administration, prevention, jail
7 diversion and treatment services, MIChild program, children's waiver home care
8 program, children with serious emotional disturbance waiver program, services provided
9 to individuals with mental illness and developmental disabilities who are not eligible
10 for Medicaid, and the Medicaid spend down population.

11 Sec. 4-507. (1) From the funds appropriated in part 1 for behavioral health
12 program administration, the department shall establish a psychiatric residential
13 treatment facility and children's behavioral action team. These services will augment
14 the continuum of behavioral health services for high need youth and provide additional
15 continuity of care and transition into supportive community-based services.

16 (2) Outcomes and performance measures for this initiative include but are not
17 limited to the following:

18 (a) The rate of re-hospitalization for youth served through the program at 30
19 and 180 days.

20 (b) Measured change in the Child and Adolescent Functional Assessment Scale for
21 children served through the program.

22 **STATE PSYCHIATRIC HOSPITALS AND FORENSIC MENTAL HEALTH SERVICES**

23 Sec. 4-601. The department shall continue a revenue recapture project to
24 generate additional revenues from third parties related to cases that have been closed
25 or are inactive. A portion of revenues collected through project efforts may be used
26 for departmental costs and contractual fees associated with these retroactive

1 collections and to improve ongoing departmental reimbursement management functions.

2 Sec. 4-602. The purpose of gifts and bequests for patient living and treatment
3 environments is to use additional private funds to provide specific enhancements for
4 individuals residing at state-operated facilities. Use of the gifts and bequests shall
5 be consistent with the stipulation of the donor. The expected completion date for the
6 use of gifts and bequests donations is within 3 years unless otherwise stipulated by
7 the donor.

8 Sec. 4-605. (1) The department shall not implement any closures or
9 consolidations of state hospitals, centers, or agencies until CMHSPs or PIHPs have
10 programs and services in place for those individuals currently in those facilities and
11 a plan for service provision for those individuals who would have been admitted to
12 those facilities.

13 (2) All closures or consolidations are dependent upon adequate department-
14 approved CMHSP and PIHP plans that include a discharge and aftercare plan for each
15 individual currently in the facility. A discharge and aftercare plan shall address the
16 individual's housing needs. A homeless shelter or similar temporary shelter
17 arrangements are inadequate to meet the individual's housing needs.

18 (3) Four months after the certification of closure required in section 19(6) of
19 the state employees' retirement act, 1943 PA 240, MCL 38.19, the department shall
20 provide a closure plan to the house and senate appropriations subcommittees on
21 community health and the state budget director.

22 (4) Upon the closure of state-run operations and after transitional costs have
23 been paid, the remaining balances of funds appropriated for that operation shall be
24 transferred to CMHSPs or PIHPs responsible for providing services for individuals
25 previously served by the operations.

26 Sec. 4-606. The department may collect revenue for patient reimbursement from
27 first- and third-party payers, including Medicaid and local county CMHSP payers, to

1 cover the cost of placement in state hospitals and centers. The department is
2 authorized to adjust financing sources for patient reimbursement based on actual
3 revenues earned. If the revenue collected exceeds current year expenditures, the
4 revenue may be carried forward with approval of the state budget director. The revenue
5 carried forward shall be used as a first source of funds in the subsequent year.

6 **HEALTH POLICY**

7 Sec. 4-713. The department shall continue support of multicultural agencies
8 that provide primary care services from the funds appropriated in part 1.

9 Sec. 4-717. The department may award health innovation grants to address
10 emerging issues and encourage cutting edge advances in health care including strategic
11 partners in both the public and private sectors.

12 Sec. 4-718. (1) From the funds appropriated in part 1 for health policy
13 administration, the department shall allocate the federal state innovation model grant
14 funding that supports implementation of the health delivery system innovations
15 detailed in the state's blueprint for health innovation document. Over the next five
16 years this initiative will strengthen primary care infrastructure in the state,
17 improve coordination of care, reduce administrative complexity and make access to
18 health coverage more affordable for Michigan residents.

19 (2) Outcomes and performance measures for this new initiative include but are
20 not limited to the following:

21 (a) An increase in the number of physician practices fulfilling patient-
22 centered medical home functions.

23 (b) A reduction in inappropriate health utilization; specifically a reduction
24 in preventable emergency department visits, a reduction in the proportion of
25 hospitalizations for ambulatory sensitive conditions and a reduction in the state's 30
26 day hospital readmission rate.

1 **EPIDEMIOLOGY AND INFECTIOUS DISEASE**

2 Sec. 4-851. From the funds appropriated in part 1 for the healthy homes
3 program, no less than \$1,750,000.00 shall be allocated for lead abatement of homes.

19 400.117e, or if a county operates those detention services programs primarily with
20 professional rather than volunteer staff.

21 Sec. 9-707. In order to be reimbursed for child care fund expenditures,
22 counties are required to submit department-developed reports to enable the department
23 to document potential federally claimable expenditures. This requirement is in
24 accordance with the reporting requirements specified in section 117a(7) of the social
25 welfare act, 1939 PA 280, MCL 400.117a.

26 Sec. 9-708. (1) As a condition of receiving funds appropriated in part 1 for

13 **FIELD OPERATIONS AND SUPPORT SERVICES**

14 Sec. 9-750. (1) The department shall maintain out-stationed eligibility
15 specialists in community-based organizations, community mental health agencies,
16 nursing homes, and hospitals unless a community-based organization, community mental
17 health agency, nursing home, or hospital requests that the program be discontinued at
18 its facility.

19 (2) A contract for an eligibility specialist donated funds position must
20 include, but not be limited to, the following performance metrics:

21 (a) Meeting a standard of promptness for processing applications for Medicaid
22 and other public assistance programs under state law.

23 (b) Meeting required standards for error rates in determining programmatic
24 eligibility as determined by the department.

25 (3) The department shall only fill additional donated funds positions after a
26 new contract has been signed. That position shall also be abolished when the contract

1 expires or is terminated.

2 Sec. 9-751. The department shall submit to the senate and house appropriations
3 subcommittees on the department budget, the senate and house fiscal agencies, the
4 senate and house policy offices, and the state budget office a quarterly report on the
5 implementation status of the Healthy Michigan call center that includes all of the
6 following information:

7 (a) Call volume during the prior quarter.

10 office for resolution.

11 (d) Number of Medicaid applications completed by the Healthy Michigan call
12 center staff and submitted on behalf of clients.

13 Sec. 9-752. (1) The department shall maintain out-stationed eligibility
14 specialists in community-based organizations, community mental health agencies,
15 nursing homes, and hospitals unless a community-based organization, community mental
16 health agency, nursing home, or hospital requests that the program be discontinued at
17 its facility.

18 (2) From the funds appropriated in part 1 for donated funds positions, the
19 department shall enter into a contract with any agency that requests a donated funds
20 position and is able and eligible under federal law to provide the required matching
21 funds for federal funding, as determined by federal statute and regulations. Beginning
22 in fiscal year 2016, the department is authorized to increase the total number of
23 donated funds positions by 200 FTEs. The purpose of these positions will be to address
24 client service needs in adult placement and independent living settings, federally
25 qualified health clinics, hospitals with a high degree of uncompensated care, and
26 employer-based sites. If the department denies a request for donated funds positions,
27 the department shall provide to the agency that made the request the federal statute or

1 regulation that supports the denial. If there is no federal statute or regulation that
2 supports the denial, the department shall grant the request for the donated funds
3 position.

4 (3) A contract for a donated funds position must include, but not be limited
5 to, the following performance metrics:

6 (a) Meeting standards of promptness for processing applications for Medicaid
7 and other public assistance programs under state law.

8 (b) Meeting required standards for error rates in determining programmatic

13 CHILD SUPPORT ENFORCEMENT

14 Sec. 9-901. (1) The appropriations in part 1 assume a total federal child
15 support incentive payment of \$26,500,000.00.

16 (2) From the federal money received for child support incentive payments,
17 \$12,000,000.00 shall be retained by the state and expended for child support program
18 expenses.

19 (3) From the federal money received for child support incentive payments,
20 \$14,500,000.00 shall be paid to the counties based on each county's performance level
21 for each of the federal performance measures as established in 45 CFR 305.2.

22 (4) If the child support incentive payment to the state from the federal
23 government is greater than \$26,500,000.00, then 100% of the excess shall be retained
24 by the state and is appropriated until the total retained by the state reaches
25 \$15,397,400.00.

26 (5) If the child support incentive payment to the state from the federal

1 government is greater than the amount needed to satisfy the provisions identified in
2 subsections (1), (2), (3), and (4), the additional funds shall be subject to
3 appropriation by the legislature.

4 (6) If the child support incentive payment to the state from the federal
5 government is less than \$26,500,000.00, then the state and county share shall each be
6 reduced by 50% of the shortfall.

7 Sec. 9-909. (1) If statewide retained child support collections exceed
8 \$38,300,000.00, 75% of the amount in excess of \$38,300,000.00 is appropriated to legal
9 support contracts. This excess appropriation may be distributed to eligible counties
10 to supplement and not supplant county title IV-D funding.

11 (2) Each county whose retained child support collections in the current fiscal
12 year exceed its fiscal year 2004-2005 retained child support collections, excluding
13 tax offset and financial institution data match collections in both the current year
14 and fiscal year 2004-2005, shall receive its proportional share of the 75% excess.

15 Sec. 9-910. (1) If title IV-D-related child support collections are escheated,
16 the state budget director is authorized to adjust the sources of financing for the
17 funds appropriated in part 1 for legal support contracts to reduce federal
18 authorization by 66% of the escheated amount and increase general fund/general purpose
19 authorization by the same amount. This budget adjustment is required to offset the
20 loss of federal revenue due to the escheated amount being counted as title IV-D
21 program income in accordance with federal regulations at 45 CFR 304.50.

22 (2) The department shall notify the chairs of the house and senate
23 appropriations subcommittees on the department budget and the house and senate fiscal
24 agencies within 15 days of the authorization adjustment in subsection (1).

9 Sec. 18-842. (1) The state building authority rent appropriations in part 1 may
10 also be expended for the payment of required premiums for insurance on facilities
11 owned by the state building authority or payment of costs that may be incurred as the

13 (2) If the amount appropriated in part 1 for state building authority rent is
14 not sufficient to pay the rent obligations and insurance premiums and deductibles

17 obligations.

18 **CIVIL SERVICE COMMISSION**

19 Sec. 18-850. (1) In accordance with section 5 of article XI of the state
20 constitution of 1963, all restricted funds shall be assessed a sum not less than 1% of
21 the total aggregate payroll paid from those funds for financing the civil service
22 commission on the basis of actual 1% restricted sources total aggregate payroll of the
23 classified service for the preceding fiscal year. This includes, but is not limited
24 to, restricted funds appropriated in part 1 of any appropriations act. Unexpended 1%
25 appropriated funds shall be returned to each 1% fund source at the end of the fiscal

1 year.

2 (2) The appropriations in part 1 are estimates of actual charges based on
3 payroll appropriations. With the approval of the state budget director, the commission
4 is authorized to adjust financing sources for civil service charges based on actual
5 payroll expenditures, provided that such adjustments do not increase the total
6 appropriation for the civil service commission.

7 (3) The financing from restricted sources shall be credited to the civil
8 service commission by the end of the second fiscal quarter.

9 Sec. 18-851. Except where specifically appropriated for this purpose, financing
10 from restricted sources shall be credited to the civil service commission. For
11 restricted sources of funding within the general fund that have the legislative
12 authority for carryover, if current spending authorization or revenues are
13 insufficient to accept the charge, the shortage shall be taken from carryforward
14 balances of that funding source. Restricted revenue sources that do not have
15 carryforward authority shall be utilized to satisfy commission operating deducts first
16 and civil service obligations second. General fund dollars are appropriated for any
17 shortfall, pursuant to approval by the state budget director.

21 government for the current fiscal year to fund the flexible spending account program
22 included within the civil service commission. Deposits against state-sponsored group
23 insurance, flexible spending accounts, and COBRA for the flexible spending account
24 program shall be made from assessments levied during the current fiscal year in a
25 manner prescribed by the civil service commission. Unspent employee contributions to
26 the flexible spending accounts may be used to offset administrative costs for the
27 flexible spending account program, with any remaining balance of unspent employee

1 contributions to be lapsed to the general fund.

26 economic development corporation board and the state budget director shall determine

1 whether or not a specific state-owned site qualifies for inclusion in the fund created
2 under this subsection.

3 (2) Proceeds from the sale of any sites designated in subsection (1) shall be

5 preparation expenditures, unless otherwise provided by law. The economic development

19 Sec. 18-867. Proceeds from the sale of the Farnum building shall be
20 subsequently appropriated to the department in accordance with any legislation enacted
21 that authorizes the sale of that property. If the net proceeds from the sale of the
22 Farnum building are less than the \$7,000,000.00 authorized for Senate relocation costs
23 in section 896 of article VIII of 2014 PA 252, an amount equal to the difference
24 between the net sale proceeds and \$7,000,000.00 shall be appropriated by the

7 special maintenance project or remodeling and addition project, for a community
8 college shall be appropriated from state and federal funds, unless otherwise
9 appropriated by the legislature.

10 (3) An expenditure under this article is authorized when the release of the
11 appropriation is approved by the board upon the recommendation of the director. The
12 director may recommend to the board the release of any appropriation in part 1 only
13 after the director is assured that the legal entity operating the community college to
14 which the appropriation is made has complied with this article and has matched the
15 amounts appropriated as required by this article. A release of funds in part 1 shall
16 not exceed 50% of the total cost of planning and construction of any project, not
17 including lump-sum remodeling and additions and special maintenance, unless otherwise
18 appropriated by the legislature. Further planning and construction of a project
19 authorized by this article or applicable sections of the management and budget act,

21 as defined and delineated in the approved program statements and planning documents.

25 federal construction and equipment money for projects funded for construction in this
26 article if an application was not previously made. If there is a reasonable
27 expectation that a prior year unfunded application may receive federal money in a

1 subsequent year, the college shall take whatever action necessary to keep the
2 application active.

3 Sec. 18-874. If university and community college matching revenues are received

12 submitted, or does not adequately authenticate the availability of the project match
13 or board approval of the authorized project, the authorization may terminate. The
14 authorization terminates 30 days after the director notifies the JCOS of the intent to
15 terminate the project unless the JCOS convenes to extend the authorization.
