Lord God, on this beautiful morning in the state of Michigan, we are grateful to be here. We thank You for the vision You have planted in us of what might be. We have learned it from parents and experiences and all kinds of opportunity to grow in faith.

We thank You for calling us individually and gifting us to be leaders and servants at the same time. We are here for a reason. Our prayer is that we will each build up our own communities and, together, the state of Michigan, always strengthening how we live together.

Finally, we pray that You would help us to each be patient and caring and good listeners of one another. We pray this in the name of Jesus the Christ. Amen.

**House Concurrent Resolution No. 3**

**Senate Resolution No. 76**

**Senate Resolution No. 75**

The motion prevailed.

**Senate Resolution No. 204.**

A resolution to urge the U.S. Congress to pass the Americans with Disabilities Act (ADA) Education and Reform Act of 2015.

The question being on the adoption of the resolution,

The resolution was adopted.

Senator Pavlov offered the following resolution:

**Senate Resolution No. 214.**

A resolution to urge the President and Congress of the United States to curb and clarify the role and authority of the U.S. Department of Education as it relates to the “supplement not supplant” provisions in the Every Student Succeeds Act.

Whereas, The federal Every Student Succeeds Act (ESSA) requires that federal Title I funding to low-income students supplements, rather than supplants, state and local dollars. This provision is intended to keep local school districts from using federal Title I dollars as a replacement for state and local dollars in low-income schools; and

Whereas, To enforce this provision, the U.S. Department of Education has proposed burdensome regulations to require school districts to show that average per-pupil state and local spending in Title I schools is at least equal to the average spending in non-Title I schools. The rules allow several different options for districts to calculate spending and demonstrate compliance with “supplement not supplant”; and

Whereas, The proposed regulations exceed the legal authority of the department and blatantly trample on explicit statutory prohibitions. Specific prohibitions in the “supplement not supplant” provisions include subdivision 1118(b)(4), which says, “Nothing in this section shall be construed to authorize or permit the Secretary to prescribe the specific methodology a local educational agency uses to allocate state and local funds to each school receiving assistance under this part”; and

Whereas, School district personnel have complained that the proposed regulations would be unworkable. The School Superintendents Association (AASA) stated that the proposed regulation “glosses over the realities of school finance, the reality of how and when funds are allocated, the extent to which districts do or do not have complete flexibility, the patterns of teacher sorting and hiring, and the likelihood that many students would experience the rule, as drafted, in a way that undermines true efforts aimed at increasing education equity”; now, therefore, be it

Resolved by the Senate, That we urge the President of the United States to direct the U.S. Department of Education to stop its federal overreach as it relates to the “supplement not supplant” provisions of the Every Student Succeeds Act; and be it further

Resolved, That we memorialize Congress to enact legislation that clarifies the Department of Education’s role and authority as it pertains to “supplement not supplant” provisions; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the U. S. Department of Education as public comment on proposed rules.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

Senator Kowall moved that the resolution be referred to the Committee on Education.

The motion prevailed.

Senators Bieda, Booher, Brandenburg, Green, Hansen, MacGregor, Marleau, Proos and Schmidt were named co-sponsors of the resolution.

Senator Hertel offered the following resolution:

**Senate Resolution No. 215.**

A resolution declaring November 17, 2016, as World Pancreatic Cancer Day.

Whereas, In 2016, an estimated 53,070 people in the United States will be diagnosed with pancreatic cancer and 41,780 will die from the disease; and

Whereas, Pancreatic cancer surpassed breast cancer this year to become the third leading cause of cancer death in the United States, and it is projected to become the second leading cause by 2020; and

Whereas, Pancreatic cancer is the only major cancer with a five-year relative survival rate in the single digits at just 8 percent; and

Whereas, When symptoms of pancreatic cancer present themselves, it is generally in later stages, and 71 percent of pancreatic cancer patients die within the first year of their diagnosis; and

Whereas, Approximately 1,520 deaths will occur in Michigan in 2016; and

Whereas, Pancreatic cancer is the seventh most common cause of cancer-related death in men and women across the world; and

Whereas, There will be an estimated 418,451 new pancreatic cancer cases diagnosed worldwide in 2020; and

Whereas, The good health and well-being of the residents of Michigan are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes and effective treatments; now, therefore, be it

Resolved by the Senate, That the State of Michigan and members of this legislative body designate November 17, 2016, as World Pancreatic Cancer Day.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,

Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senators Bieda, Booher, Brandenburg, Green, Gregory, Hansen, MacGregor, Marleau, Proos and Schmidt were named co-sponsors of the resolution.

Senator Zorn offered the following resolution:

**Senate Resolution No. 216.**

A resolution to commemorate the month of October 2016 as Dysautonomia Awareness Month.

Whereas, It is important for this legislative body to recognize official months that are set aside to raise awareness of serious diseases that affect citizens in the state of Michigan; and

Whereas, Dysautonomia is a serious neurological system disease that disables citizens of every age, gender, and race from performing the most basic functions; and

Whereas, People with dysautonomia may have one or several different medical conditions that affect automatic functions of the body, such as heart rate, kidney function, and temperature control; and

Whereas, Certain forms of dysautonomia include side effects, such as frequent fainting, dizziness, shortness of breath, difficulty eating and sleeping, and sometimes leads to death; and

Whereas, Dysautonomia can occur secondary to other medical conditions, such as diabetes, arthritis, and Parkinson's disease; and

Whereas, Symptoms of dysautonomia are usually invisible to the untrained eye, for they usually occur internally; and

Whereas, Many people who have dysautonomia take a year or longer to get diagnosed and are occasionally misdiagnosed due to the lack of external symptoms and awareness; and

Whereas, Despite the lack of awareness, dysautonomia is not rare. In fact, over 70 million people worldwide live with some form of this medical condition; and

Whereas, There currently is no cure to dysautonomia; and

Whereas, Dysautonomia Awareness Month is an opportunity for citizens to raise understanding and funding to assist the fight in finding a cure; now, therefore, be it

Resolved by the Senate, That we hereby commemorate the month of October 2016 as Dysautonomia Awareness Month in the state of Michigan; and be it further

Resolved, That all citizens are encouraged to increase their understanding and awareness of dysautonomia; and be it further

Resolved, That a copy of this resolution be transmitted to the Department of Health and Human Services.
