Pastor Edward M. Pruet, III, Senior Pastor of Kingdom Cross Church in Canton, offered the following invocation:

“O, Heavenly Father, Lord Jesus,

We thank You for bringing us together on such an occasion as this—an occasion where lawmakers are making decisions for the well being of the entire state of Michigan community. We thank You for being part of the process and having Your hand in it all. We thank You for placing the right people in place to bring forth the change needed so that our society can be a better society for all. If anything is not like You, we ask that You remove it and make it more like You. We ask that You cleanse us of our sins and guide our path, always.

As the lawmakers go into session, we ask that You give them guidance, comfort, and love. We ask that You ease the burden they have and allow for commonalities to move the process forward. We ask that You protect them and their families. We ask that You continue allow the right decisions to be made.

As we look into our communities, while working through the process, we ask that You help the lawmakers make decisions that will positively impact everyone. We ask, as our first responders, police officers, fire men and women, soldiers work to protect us, that You keep them protected and uplifted in Your eyes. We ask that Your love, grace, and mercy shines bright. We know You have everything under control. We love You.

In Jesus’ name we pray, Amen!”

Motions and Resolutions

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 338.

A resolution of tribute offered as a memorial for Edward LaForge, former member of the House of Representatives.

Whereas, It is with great sadness that the members of this legislative body learned of the passing of Ed LaForge. For six years, he served as a state representative and a dedicated and persistent champion for the people of the 60th House District and the entire state; and

Whereas, Ed LaForge was a devoted family man with deep ties to his community. He was both a nurse and a plumber before entering public life to serve as a city commissioner in Kalamazoo for a decade. In 1994, the people of Kalamazoo elected him to represent the 60th House District in the Michigan House of Representatives for the first time; and

Whereas, Ed LaForge was known in Lansing for his passionate efforts to improve the lives of our state's most vulnerable people. He worked on issues which especially impacted children and the poor, most notably early childhood education, adoption, foster care, and child protection. He brought his belief in equality and justice to his work as the chair of the Human Services and Children Committee and minority vice chair of the Family and Children Services Committee. He also served on committees covering a wide range of issues such as agriculture, economic development, education, the environment, labor, mental health, and urban policy; and

Whereas, Ed LaForge was an outspoken and determined advocate, admired by his constituents, friends, family, and colleagues. Upon his passing, we offer our condolences to his family and friends. We hope that they may find comfort in the knowledge that the community as a whole shares in their bereavement, and that the legacy of Ed LaForge's contributions will long continue to enrich our state; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Edward LaForge, a member of this legislative body from 1995 to 2000; and be it further

Resolved, That copies of this resolution be transmitted to the LaForge family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,
The resolution was adopted by unanimous standing vote.

The Speaker called Associate Speaker Pro Tempore Tedder to the Chair.

Second Reading of Bills

Senate Bill No. 839, entitled

A bill to amend 1994 PA 451, entitled "Natural resources and environmental protection act," by amending section 63207 (MCL 324.63207), as added by 2004 PA 449.

Was read a second time, and the question being on the adoption of the proposed amendment previously recommended by the Committee on Natural Resources (for amendment, see House Journal No. 43, p. 784),

Rep. Cole moved that consideration of the bill be postponed temporarily.
The motion prevailed.

By unanimous consent the House returned to the order of

Motions and Resolutions

Reps. Barrett, Bellino, Crawford and Elder offered the following resolution:

House Resolution No. 339.

A resolution to urge the President of the United States to aggressively enforce the terms, conditions, and intent of the Buy American Act and to urge no waivers to the act be granted.

Whereas, The Buy American Act of 1933 was enacted to help ensure public money is directed to domestically-produced end products. The act provides preferential treatment for domestic sources of unmanufactured articles, manufactured goods, and construction material for public use. In so doing, the act asserts America's independence to provide the critical supplies and materials needed for our national defense, rather than relying on foreign-sourced supplies and materials; and

Whereas, The domestic purchasing requirements in the Buy American Act help protect and promote critical American industries. American manufacturing is the cornerstone of this nation's economic engine, and since June of 2009, manufacturing is responsible for creating more than 185,000 new jobs in Michigan. On average, these good-paying jobs provided more than \$81,000 in pay and benefits in 2015 to workers in Michigan's second-largest sector, a sector which accounts for more than 15 percent of the state's gross domestic product; and

Whereas, Buying American-made products is in the long-term interest of the American taxpayer. The materials and supplies produced by American workers are a good investment. The quality of the items produced domestically ensure that taxpayer money is spent on items that meet robust standards rather than on cheaper foreign-made alternatives that require more maintenance and replacement sooner than American-made goods; and

Whereas, Enforcing the terms and conditions of the Buy American Act also provides an environment in which small and disadvantaged businesses can thrive. The expense of starting and growing a small business in America creates a disadvantage over foreign competitors. Buy American promotes domestic supply chains, ensuring that America's small businesses play a role in creating domestically-made end products; and

Whereas, Better enforcement of the Buy American Act is necessary to maximize the domestic benefits of this law. In the absence of aggressive enforcement, and with the proliferation of Buy American waivers, American producers and the small businesses upon which we rely are undermined. The federal government should support American manufacturing by aggressively enforcing the Buy American Act and ensuring no waivers to the act are granted; now, therefore, be it

Resolved by the House of Representatives, That we urge the President of the United States to aggressively enforce the terms, conditions, and intent of the Buy American Act and to urge no waivers to the act be granted; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Commerce and Trade.

Reps. Calley, Crawford, Elder, Green, Howrylak, Kahle, Kelly and Yanez offered the following resolution:

House Resolution No. 340.

A resolution to declare May 13-19, 2018, as InfantSee Week in the state of Michigan.

Whereas, The most critical stages of vision development occur in the first year of a child's life; and

Whereas, Undetected eye and vision problems can lead to permanent vision impairment or loss of life; and

Whereas, One in 10 children is at risk from undiagnosed eye and vision problems; and

Whereas, One in 30 children will be affected by amblyopia, a leading cause of vision loss in people younger than 45 years; and

Whereas, Undetected vision problems can contribute to a decrease in a child's quality of life and may lead to developmental and behavioral difficulties which impede classroom learning, as well as increase the costs to society; and

Whereas, Early detection of vision problems is the best way to treat and prevent permanent vision impairment; and

Whereas, Member optometrists of the American Optometric Association and The Vision Care Institute of Johnson & Johnson Vision Care, Inc., have partnered to create InfantSee, a public health program to provide a one-time, no-cost eye assessment for infants six to twelve months; now therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 13-19, 2018, as InfantSee Week in the state of Michigan. We commend the members of the Michigan Optometric Association and the profession of optometry on the 10th anniversary of the InfantSee program for voluntarily dedicating their expertise and services to the infants of Michigan; and be it further

Resolved, That we encourage parents to schedule an InfantSee assessment for their infants.

The question being on the adoption of the resolution,

The resolution was adopted.
