by amending section 105d (MCL 400.105d), as added by 2013 PA 107,
and by adding sections 107a and 107b.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 105d. (1) The department ~~of community health~~ shall seek a
2 waiver from the United States ~~department of health and human~~
3 ~~services~~ **DEPARTMENT OF HEALTH AND HUMAN SERVICES** to do, without
4 jeopardizing federal match dollars or otherwise incurring federal
5 financial penalties, and upon approval of the waiver shall do, all
6 of the following:

7 (a) Enroll individuals eligible under section

1 1396a(a)(10)(A)(i)(VIII) of title XIX who meet the citizenship
2 provisions of 42 CFR 435.406 and who are otherwise eligible for the
3 medical assistance program under this act into a contracted health
4 plan that provides for an account into which money from any source,
5 including, but not limited to, the enrollee, the enrollee's
6 employer, and private or public entities on the enrollee's behalf,
7 can be deposited to pay for incurred health expenses, including,
8 but not limited to, co-pays. The account shall be administered by
9 the department ~~of community health~~ and can be delegated to a
10 contracted health plan or a third party administrator, as
11 considered necessary. ~~The department of community health shall not~~
12 ~~begin enrollment of individuals eligible under this subdivision~~
13 ~~until January 1, 2014 or until the waiver requested in this~~
14 ~~subsection is approved by the United States department of health~~
15 ~~and human services, whichever is later.~~

16 (b) Ensure that contracted health plans track all enrollee co-
17 pays incurred for the first 6 months that an individual is enrolled
18 in the program described in subdivision (a) and calculate the
19 average monthly co-pay experience for the enrollee. The average co-
20 pay amount shall be adjusted at least annually to reflect changes
21 in the enrollee's co-pay experience. The department ~~of community~~
22 ~~health~~ shall ensure that each enrollee receives quarterly
23 statements for his or her account that include expenditures from
24 the account, account balance, and the cost-sharing amount due for
25 the following 3 months. The enrollee shall be required to remit
26 each month the average co-pay amount calculated by the contracted
27 health plan into the enrollee's account. The department ~~of~~

1 ~~community health~~ shall pursue a range of consequences for enrollees
2 who consistently fail to meet their cost-sharing requirements,
3 including, but not limited to, using the MICHild program as a
4 template and closer oversight by health plans in access to
5 providers. ~~The department of community health shall report its plan
6 of action for enrollees who consistently fail to meet their cost-
7 sharing requirements to the legislature by June 1, 2014.~~

8 (c) Give enrollees described in subdivision (a) a choice in
9 choosing among contracted health plans.

10 (d) Ensure that all enrollees described in subdivision (a)
11 have access to a primary care practitioner who is licensed,
12 registered, or otherwise authorized to engage in his or her health
13 care profession in this state and to preventive services. The
14 ~~department of community health~~ shall require that all new enrollees
15 be assigned and have scheduled an initial appointment with their
16 primary care practitioner within 60 days of initial enrollment. The
17 ~~department of community health~~ shall monitor and track contracted
18 health plans for compliance in this area and consider that
19 compliance in any health plan incentive programs. The department of
20 ~~community health~~ shall ensure that the contracted health plans have
21 procedures to ensure that the privacy of the enrollees' personal
22 information is protected in accordance with the health insurance
23 portability and accountability act of 1996, Public Law 104-191.

24 (e) Require enrollees described in subdivision (a) with annual
25 incomes between 100% and 133% of the federal poverty guidelines to
26 contribute not more than 5% of income annually for cost-sharing
27 requirements. Cost-sharing includes co-pays and required

1 contributions made into the accounts authorized under subdivision
2 (a). Contributions required in this subdivision do not apply for
3 the first 6 months an individual described in subdivision (a) is
4 enrolled. Required contributions to an account used to pay for
5 incurred health expenses shall be 2% of income annually.
6 ~~Notwithstanding~~ **EXCEPT AS OTHERWISE PROVIDED IN SUBSECTION (20)** ,
7 **NOTWITHSTANDING** this minimum, required contributions may be reduced
8 by the contracting health plan. The reductions may occur only if
9 healthy behaviors are being addressed as attested to by the
10 contracted health plan based on uniform standards developed by the
11 department of ~~community health~~ in consultation with the contracted
12 health plans. The uniform standards shall include healthy behaviors
13 ~~that must include, but are not limited to,~~ **SUCH AS** completing a
14 department of ~~community health~~ approved annual health risk
15 assessment to identify unhealthy characteristics, including alcohol
16 use, substance use disorders, tobacco use, obesity, and
17 immunization status. ~~Co-pays~~ **EXCEPT AS OTHERWISE PROVIDED IN**
18 **SUBSECTION (20)** , **CO-PAYS** can be reduced if healthy behaviors are
19 met, but not until annual accumulated co-pays reach 2% of income
20 except co-pays for specific services may be waived by the
21 contracted health plan if the desired outcome is to promote greater
22 access to services that prevent the progression of and
23 complications related to chronic diseases. If the enrollee
24 described in subdivision (a) becomes ineligible for medical
25 assistance under the program described in this section, the
26 remaining balance in the account described in subdivision (a) shall
27 be returned to that enrollee in the form of a voucher for the sole

1 purpose of purchasing and paying for private insurance.

2 (f) ~~By July 1, 2014, design and implement~~ **IMPLEMENT** a co-pay
3 structure that encourages use of high-value services, while
4 discouraging low-value services such as nonurgent emergency
5 department use.

6 (g) During the enrollment process, inform enrollees described
7 in subdivision (a) about advance directives and require the
8 enrollees to complete a ~~department of community health-approved~~
9 **DEPARTMENT-APPROVED** advance directive on a form that includes an
10 option to decline. The advance directives received from enrollees
11 as provided in this subdivision shall be transmitted to the peace
12 of mind registry organization to be placed on the peace of mind
13 registry.

14 (h) ~~By April 1, 2015, develop~~ **DEVELOP** incentives for enrollees
15 and providers who assist the department ~~of community health~~ in
16 detecting fraud and abuse in the medical assistance program. The
17 department ~~of community health~~ shall provide an annual report that
18 includes the type of fraud detected, the amount saved, and the
19 outcome of the investigation to the legislature.

20 (i) Allow for services provided by telemedicine from a
21 practitioner who is licensed, registered, or otherwise authorized
22 under section 16171 of the public health code, 1978 PA 368, MCL
23 333.16171, to engage in his or her health care profession in the
24 state where the patient is located.

25 (2) For services rendered to an uninsured individual, a
26 hospital that participates in the medical assistance program under
27 this act shall accept 115% of ~~medicare~~ **MEDICARE** rates as payments

1 in full from an uninsured individual with an annual income level up
2 to 250% of the federal poverty guidelines. This subsection applies
3 whether or not either or both of the waivers requested under this
4 section are approved, the patient protection and affordable care
5 act is repealed, or the state terminates or opts out of the program
6 established under this section.

7 (3) Not more than 7 calendar days after receiving each of the
8 official waiver-related written correspondence from the United
9 States ~~department of health and human services~~ **DEPARTMENT OF HEALTH**
10 **AND HUMAN SERVICES** to implement the provisions of this section, the
11 ~~department of community health~~ shall submit a written copy of the
12 approved waiver provisions to the legislature for review.

13 (4) ~~By September 30, 2015, the~~ **THE** ~~department of community~~
14 ~~health~~ shall develop and implement a plan to enroll all existing
15 fee-for-service enrollees into contracted health plans if allowable
16 by law, if the medical assistance program is the primary payer and
17 if that enrollment is cost-effective. This includes all newly
18 eligible enrollees as described in subsection (1)(a). The
19 ~~department of community health~~ shall include contracted health
20 plans as the mandatory delivery system in its waiver request. The
21 ~~department of community health~~ also shall pursue any and all
22 necessary waivers to enroll persons eligible for both ~~medicaid~~
23 **MEDICAID** and ~~medicare~~ **MEDICARE** into the 4 integrated care
24 demonstration regions. ~~beginning July 1, 2014. By September 30,~~
25 ~~2015, the~~ **THE** ~~department of community health~~ shall identify all
26 remaining populations eligible for managed care, develop plans for
27 their integration into managed care, and provide recommendations

1 for a performance bonus incentive plan mechanism for long-term care
2 managed care providers that are consistent with other managed care
3 performance bonus incentive plans. ~~By September 30, 2015, the~~ **THE**
4 ~~department of community health~~ shall make recommendations for a
5 performance bonus incentive plan for long-term care managed care
6 providers of up to 3% of their ~~medicaid~~ **MEDICAID** capitation
7 payments, consistent with other managed care performance bonus
8 incentive plans. These payments shall comply with federal
9 requirements and shall be based on measures that identify the
10 appropriate use of long-term care services and that focus on
11 consumer satisfaction, consumer choice, and other appropriate
12 quality measures applicable to community-based and nursing home
13 services. Where appropriate, these quality measures shall be
14 consistent with quality measures used for similar services
15 implemented by the integrated care for duals demonstration project.
16 This subsection applies whether or not either or both of the
17 waivers requested under this section are approved, the patient
18 protection and affordable care act is repealed, or the state
19 terminates or opts out of the program established under this
20 section.

21 (5) ~~By September 30, 2016, the~~ **THE** department of ~~community~~
22 ~~health~~ shall implement a pharmaceutical benefit that utilizes co-
23 pays at appropriate levels allowable by the ~~centers~~ **CENTERS** for
24 ~~medicare and medicaid services~~ **MEDICARE AND MEDICAID SERVICES** to
25 encourage the use of high-value, low-cost prescriptions, such as
26 generic prescriptions when such an alternative exists for a branded
27 product and 90-day prescription supplies, as recommended by the

1 enrollee's prescribing provider and as is consistent with section
2 109h and sections 9701 to 9709 of the public health code, 1978 PA
3 368, MCL 333.9701 to 333.9709. This subsection applies whether or
4 not either or both of the waivers requested under this section are
5 approved, the patient protection and affordable care act is
6 repealed, or the state terminates or opts out of the program
7 established under this section.

8 (6) The department ~~of community health~~ shall work with
9 providers, contracted health plans, and other departments as
10 necessary to create processes that reduce the amount of uncollected
11 cost-sharing and reduce the administrative cost of collecting cost-
12 sharing. To this end, a minimum 0.25% of payments to contracted
13 health plans shall be withheld for the purpose of establishing a
14 cost-sharing compliance bonus pool beginning October 1, 2015. The
15 distribution of funds from the cost-sharing compliance pool shall
16 be based on the contracted health plans' success in collecting
17 cost-sharing payments. The department ~~of community health~~ shall
18 develop the methodology for distribution of these funds. This
19 subsection applies whether or not either or both of the waivers
20 requested under this section are approved, the patient protection
21 and affordable care act is repealed, or the state terminates or
22 opts out of the program established under this section.

23 (7) ~~By June 1, 2014, the~~ **THE** department ~~of community health~~
24 shall develop a methodology that decreases the amount an enrollee's
25 required contribution may be reduced as described in subsection
26 (1)(e) based on, but not limited to, factors such as an enrollee's
27 failure to pay cost-sharing requirements and the enrollee's

1 inappropriate utilization of emergency departments.

2 (8) The program described in this section is created in part
3 to extend health coverage to the state's low-income citizens and to
4 provide health insurance cost relief to individuals and to the
5 business community by reducing the cost shift attendant to
6 uncompensated care. Uncompensated care does not include courtesy
7 allowances or discounts given to patients. The ~~medicaid~~ **MEDICAID**
8 hospital cost report shall be part of the uncompensated care
9 definition and calculation. In addition to the ~~medicaid~~ **MEDICAID**
10 hospital cost report, the department of ~~community health~~ shall
11 collect and examine other relevant financial data for all hospitals
12 and evaluate the impact that providing medical coverage to the
13 expanded population of enrollees described in subsection (1) (a) has
14 had on the actual cost of uncompensated care. This shall be
15 reported for all hospitals in the state. By December 31, 2014, the
16 department of ~~community health~~ shall make an initial baseline
17 uncompensated care report containing at least the data described in
18 this subsection to the legislature and each December 31 after that
19 shall make a report regarding the preceding fiscal year's evidence
20 of the reduction in the amount of the actual cost of uncompensated
21 care compared to the initial baseline report. The baseline report
22 shall use fiscal year 2012-2013 data. Based on the evidence of the
23 reduction in the amount of the actual cost of uncompensated care
24 borne by the hospitals in this state, ~~beginning April 1, 2015,~~ the
25 department of ~~community health~~ shall proportionally reduce the
26 disproportionate share payments to all hospitals and hospital
27 systems for the purpose of producing general fund savings. The

1 department of ~~community health~~ shall recognize any savings from
2 this reduction by September 30, 2016. All the reports required
3 under this subsection shall be made available to the legislature
4 and shall be easily accessible on the ~~department of community~~
5 ~~health's~~ **DEPARTMENT'S** website.

6 (9) The department of insurance and financial services shall
7 examine the financial reports of health insurers and evaluate the
8 impact that providing medical coverage to the expanded population
9 of enrollees described in subsection (1)(a) has had on the cost of
10 uncompensated care as it relates to insurance rates and insurance
11 rate change filings, as well as its resulting net effect on rates
12 overall. The department of insurance and financial services shall
13 consider the evaluation described in this subsection in the annual
14 approval of rates. By December 31, 2014, the department of
15 insurance and financial services shall make an initial baseline
16 report to the legislature regarding rates and each December 31
17 after that shall make a report regarding the evidence of the change
18 in rates compared to the initial baseline report. All the reports
19 required under this subsection shall be made available to the
20 legislature and shall be made available and easily accessible on
21 the ~~department of community health's~~ **DEPARTMENT'S** website.

22 (10) The department of ~~community health~~ shall explore and
23 develop a range of innovations and initiatives to improve the
24 effectiveness and performance of the medical assistance program and
25 to lower overall health care costs in this state. The department of
26 ~~community health~~ shall report the results of the efforts described
27 in this subsection to the legislature and to the house and senate

1 fiscal agencies by September 30, 2015. The report required under
2 this subsection shall also be made available and easily accessible
3 on the ~~department of community health's~~ **DEPARTMENT'S** website. The
4 ~~department of community health~~ shall pursue a broad range of
5 innovations and initiatives as time and resources allow that shall
6 include, at a minimum, all of the following:

7 (a) The value and cost-effectiveness of optional ~~medicaid~~
8 **MEDICAID** benefits as described in federal statute.

9 (b) The identification of private sector, primarily small
10 business, health coverage benefit differences compared to the
11 medical assistance program services and justification for the
12 differences.

13 (c) The minimum measures and data sets required to effectively
14 measure the medical assistance program's return on investment for
15 taxpayers.

16 (d) Review and evaluation of the effectiveness of current
17 incentives for contracted health plans, providers, and
18 beneficiaries with recommendations for expanding and refining
19 incentives to accelerate improvement in health outcomes, healthy
20 behaviors, and cost-effectiveness and review of the compliance of
21 required contributions and co-pays.

22 (e) Review and evaluation of the current design principles
23 that serve as the foundation for the state's medical assistance
24 program to ensure the program is cost-effective and that
25 appropriate incentive measures are utilized. The review shall
26 include, at a minimum, the auto-assignment algorithm and
27 performance bonus incentive pool. This subsection applies whether

1 or not either or both of the waivers requested under this section
2 are approved, the patient protection and affordable care act is
3 repealed, or the state terminates or opts out of the program
4 established under this section.

5 (f) The identification of private sector initiatives used to
6 incent individuals to comply with medical advice.

7 (11) By December 31, 2015, the department ~~of community health~~
8 shall review and report to the legislature the feasibility of
9 programs recommended by multiple national organizations that
10 include, but are not limited to, the council of state governments,
11 the national conference of state legislatures, and the American
12 legislative exchange council, on improving the cost-effectiveness
13 of the medical assistance program.

14 (12) ~~By January 1, 2014, the~~ **THE** department ~~of community~~
15 ~~health~~ in collaboration with the contracted health plans and
16 providers shall create financial incentives for all of the
17 following:

18 (a) Contracted health plans that meet specified population
19 improvement goals.

20 (b) Providers who meet specified quality, cost, and
21 utilization targets.

22 (c) Enrollees who demonstrate improved health outcomes or
23 maintain healthy behaviors as identified in a health risk
24 assessment as identified by their primary care practitioner who is
25 licensed, registered, or otherwise authorized to engage in his or
26 her health care profession in this state. This subsection applies
27 whether or not either or both of the waivers requested under this

1 section are approved, the patient protection and affordable care
2 act is repealed, or the state terminates or opts out of the program
3 established under this section.

4 (13) ~~By October 1, 2015, the~~ **THE** performance bonus incentive
5 pool for contracted health plans that are not specialty prepaid
6 health plans shall include inappropriate utilization of emergency
7 departments, ambulatory care, contracted health plan all-cause
8 acute 30-day readmission rates, and generic drug utilization when
9 such an alternative exists for a branded product and consistent
10 with section 109h and sections 9701 to 9709 of the public health
11 code, 1978 PA 368, MCL 333.9701 to 333.9709, as a percentage of
12 total. These measurement tools shall be considered and weighed
13 within the 6 highest factors used in the formula. This subsection
14 applies whether or not either or both of the waivers requested
15 under this section are approved, the patient protection and
16 affordable care act is repealed, or the state terminates or opts
17 out of the program established under this section.

18 (14) The department ~~of community health~~ shall ensure that all
19 capitated payments made to contracted health plans are actuarially
20 sound. This subsection applies whether or not either or both of the
21 waivers requested under this section are approved, the patient
22 protection and affordable care act is repealed, or the state
23 terminates or opts out of the program established under this
24 section.

25 (15) The department ~~of community health~~ shall maintain
26 administrative costs at a level of not more than 1% of the
27 ~~department of community health's~~ **DEPARTMENT'S** appropriation of the

1 state medical assistance program. These administrative costs shall
2 be capped at the total administrative costs for the fiscal year
3 ending September 30, 2016, except for inflation and project-related
4 costs required to achieve medical assistance net general fund
5 savings. This subsection applies whether or not either or both of
6 the waivers requested under this section are approved, the patient
7 protection and affordable care act is repealed, or the state
8 terminates or opts out of the program established under this
9 section.

10 (16) ~~By October 1, 2015, the~~ **THE** department of ~~community~~
11 ~~health~~ shall establish uniform procedures and compliance metrics
12 for utilization by the contracted health plans to ensure that cost-
13 sharing requirements are being met. This shall include
14 ramifications for the contracted health plans' failure to comply
15 with performance or compliance metrics. This subsection applies
16 whether or not either or both of the waivers requested under this
17 section are approved, the patient protection and affordable care
18 act is repealed, or the state terminates or opts out of the program
19 established under this section.

20 (17) ~~Beginning October 1, 2015, the~~ **THE** department of ~~of~~
21 ~~community health~~ shall withhold, at a minimum, 0.75% of payments to
22 contracted health plans, except for specialty prepaid health plans,
23 for the purpose of expanding the existing performance bonus
24 incentive pool. Distribution of funds from the performance bonus
25 incentive pool is contingent on the contracted health plan's
26 completion of the required performance or compliance metrics. This
27 subsection applies whether or not either or both of the waivers

1 requested under this section are approved, the patient protection
2 and affordable care act is repealed, or the state terminates or
3 opts out of the program established under this section.

4 (18) ~~By October 1, 2015, the~~ **THE** department of ~~community~~
5 ~~health~~ shall withhold, at a minimum, 0.75% of payments to specialty
6 prepaid health plans for the purpose of establishing a performance
7 bonus incentive pool. Distribution of funds from the performance
8 bonus incentive pool is contingent on the specialty prepaid health
9 plan's completion of the required performance of compliance metrics
10 ~~, which~~ **THAT** shall include, at a minimum, partnering with other
11 contracted health plans to reduce nonemergent emergency department
12 utilization, increased participation in patient-centered medical
13 homes, increased use of electronic health records and data sharing
14 with other providers, and identification of enrollees who may be

17 whether or not either or both of the waivers requested under this
18 section are approved, the patient protection and affordable care
19 act is repealed, or the state terminates or opts out of the program
20 established under this section.

21 (19) The department of ~~community health~~ shall measure
22 contracted health plan or specialty prepaid health plan performance

27 section are approved, the patient protection and affordable care

1 act is repealed, or the state terminates or opts out of the program
2 established under this section.

3 (20) By ~~September 1, 2015,~~ **OCTOBER 1, 2018**, in addition to the
