Pastor Randy Hekman, Executive Director of The Grand Awakening in Grand Rapids, offered the following invocation:

“Dear Lord, we thank You for the men and women You have called into all three branches of our state government: the executive, the judicial and, in particular, the legislative branch. I pray You will bless the deliberations and interactions of this body today and for the remainder of this week. Help these men and women who represent us to listen well and to communicate their thoughts and opinions with courage, yet with great compassion and wisdom.

We know You, Lord, have ordained government. You clearly stated through Your servant King David what makes for good leaders. You said: *‘When one rules over people in righteousness, when he rules in the fear of God, he is like the light of morning at sunrise on a cloudless morning, like the brightness after rain that brings grass from the earth.’*

Lord, we know, as a former State Senator once told me, that government is a lagging indicator of the health of the culture. And, going one step further, we believe that culture is a lagging indicator of the health of Your church. We also know that Scripture makes it clear that healing of a nation must start with God’s people humbling themselves, praying, seeking God’s face and turning from THEIR wicked ways.

So we pray for a mighty revival of Your church in all the cities in Michigan. That all true followers of Christ would come fully alive. And that that would lead to the biggest spiritual awakening in the history of America, drawing millions to vibrant faith, bringing health to our culture, unity and grace to government leadership, and the profound blessing of Almighty God to our people.

We pray all this in the powerful name of our Lord Jesus Christ, Amen.”

The Speaker called Associate Speaker Pro Tempore Tedder to the Chair.

Rep. Greig moved that Rep. Scott be excused from today’s session.
The motion prevailed.

The Speaker Pro Tempore assumed the Chair.

While the safe haven baby box legislation is a valiant attempt at aiming to protect 'unwanted' newborns and infants, by creating additional ways that such newborns and infants can be relinquished anonymously and safely, questions and

concerns about the devices and their use have not been sufficiently answered to give me confidence to vote for this legislation. First, because the ‘baby boxes’ would operate similarly to night deposit vaults at financial institutions, but at participating police and fire departments and hospitals, it seems that little to no consideration has been given with respect to the ‘baby boxes’ being used for malicious intent against our first responders. Second, with such complete anonymity, how would the recipients know the health history of the child. Unless relinquished at a hospital, who would do a health intake of the newborn or infant? And third, there is no clear indication in the legislation how the relinquished newborn or infant would be connected with adoptive services. This type of legislation needs additional clarification and work. I am hopeful that these issues will be addressed when the bill package is with the senate.”
