I am pleased to present to the Michigan Legislature the 25th annual Asset Forfeiture Report. Michigan's asset forfeiture laws provide for the seizure of cash and property assets of drug traffickers and other criminal organizations when that property is obtained through illegal activity. The report this year is the second to be submitted as required by The Uniform Forfeiture Reporting Act, 2015 PA 148, which became effective February 1, 2016.

The act repealed the prior asset forfeiture reporting requirements and requires submission of a summary to the Michigan Department of State Police of the reporting agency's activities regarding forfeiture of property under the following sections of law: Public Health Code, MCL 333.7521-333.7533 (Controlled Substances); the Identity Theft Protection Act, MCL 445.79d; Revised Judicature Act of 1961; MCL 600.4701-600.4709 (Omnibus); and Revised Judicature Act of 1961, MCL 600.3801-600.3840 (Public Nuisance). Additionally, the type of information to be reported for each seizure and forfeiture of property was expanded to provide for greater transparency regarding the government seizure of private property.

This report covers the period of January 1, 2017, through December 31, 2017. This is the first report in which all reporting agencies submitted forfeiture data based upon the calendar year. Over \$13 million in cash and assets amassed by drug traffickers was forfeited. Extensive multi-agency coordination is evident in this report and, as a result, considerable assets were obtained through the joint enforcement efforts of agencies at the federal, state, and local levels.

Asset forfeiture funds were used to enhance law enforcement by providing resources for equipment, personnel, vehicles, training, and supplies. Assets seized pursuant to this program also allowed some agencies to contribute monies to non-profit organizations that assist in obtaining information from citizens for solving crimes.

I commend our law enforcement community for the tremendous job they have done and submit this report for your information and review.

The 2017 Michigan Annual Drunk Driving Audit provides detailed information concerning traffic fatalities and injuries, as well as arrest activities that are part of ongoing efforts to reduce drunk driving in our state. Alcohol and/or drug related fatal crashes remain a significant traffic safety issue, with approximately 44.9 percent of the total fatal crashes involving alcohol and/or drugs.

The crash data displayed for each county are 2017 traffic crash statistics. The Michigan Department of State Police, Criminal Justice Information Center, maintains the state's central repository for all crash data collected in Michigan. The crash data is housed in the Traffic Crash Reporting System and the Drunk Driving Audit is created using this data.

A reportable crash in Michigan is defined as: a motor vehicle that is in transport on the roadway that results in death, injury or property damage of \$1,000 or more. In addition, a crash is reported for any snowmobile or off-road vehicle (ORV) with damage of \$100 or more, whether on the roadway or off the roadway.

The Michigan Annual Drunk Driving Audit was compiled with information and data provided by the Michigan Department of State Police, the Michigan Department of State, and the Michigan Department of Transportation. We appreciate the teamwork, assistance, and dedication of each of these departments in helping to make Michigan's roads safe. We look forward to our continued partnership.

Questions regarding Section I (Traffic Crash and Arrest Data) should be directed to the Michigan Department of State Police, Criminal Justice Information Center, Traffic Crash Reporting Unit at 517-241-1699. Questions regarding Section II (Conviction Disposition Data) should be directed to the Michigan Department of State at 517-322-1598.

As you review this report, please feel free to contact the Traffic Crash Reporting Unit at 517-241-1699 with any suggestions and ideas.

Sincerely,
Col. Kriste Kibbey Etue, Director
