A resolution recognizing January 29-February 4, 2017, as Catholic Schools Week.

Whereas, There are 52,447 students attending 222 Catholic elementary and high schools throughout our great state; and

Whereas, The Constitution of Michigan states that “Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged”; and

Whereas, Catholic school parents pay tuition in addition to supporting public schools through their taxes; and

Whereas, Catholic schools comply with the same health, safety, and general welfare regulations required of public schools; and

Whereas, The viability of Catholic schools should be encouraged so that declines in Catholic school enrollment, which necessitate increases in public expenditures in the School Aid Fund, can be avoided; and

Whereas, Catholic schools instill a broad, values-based education, emphasizing the lifelong development of moral, intellectual, and social values in young people, making them responsible citizens of our state and nation; and

Whereas, Catholic schools educate many students who are non-Catholic and many students who are economically disadvantaged, ensuring that a good education remains the single best way out of poverty; and

Whereas, With their traditionally high academic standards, high graduation rates, and commitment to community service, Catholic schools and their graduates make a positive contribution to society; and

Whereas, January 29-February 4, 2017, has been designated as Catholic Schools Week, with the theme “Catholic Schools: Communities of Faith, Knowledge and Service” as denoted by the National Catholic Educational Association and the United States Conference of Catholic Bishops; and

Whereas, The common good of the state of Michigan is strengthened through the continued existence of Catholic schools; and

Whereas, Catholic schools seek to form a supporting partnership with each student’s family, encouraging the involvement of parents in the education of their children, so that Catholic schools are part of a solution to form productive lives for future generations; now, therefore, be it
