Rep. Gary R. Eisen, from the 81st District, offered the following invocation:

“Dear heavenly Father

I would like to thank You for allowing me to be part of this great institution .. working with.... and learning from all my colleagues.

Even though we may disagree on issues and policy... I know we would stand Shoulder to shoulder and fight anything that would threaten the American way of life and all the freedoms we enjoy.

I truly believe ,,,,that united,,, we are strong and divided we are weak.

Please guide us in our decision making so that we can keep Michigan moving forward.

In Jesus name we pray Amen.”

Associate Speaker Pro Tempore Hornberger called Associate Speaker Pro Tempore Lilly to the Chair.

Rep. Rabhi moved that Rep. Pagan be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Wakeman, Crawford, Garza and Kennedy offered the following resolution:
House Resolution No. 234.

A resolution to memorialize the Congress of the United States to repeal the federal ban on Pell grants for prison-based education.

Whereas, The federal Pell Grant Program provides need-based grants to low-income undergraduate and certain postbaccalaureate students to promote access to postsecondary education. Pell grants have been helping millions of low-income students across the country access postsecondary education for 45 years; and

Whereas, The federal Violent Crime Control and Law Enforcement Act denied all incarcerated individuals’ eligibility for federal financial aid in 1994, making prisoners ineligible to receive Pell grants and therefore less likely to obtain a postsecondary degree while incarcerated. Until 1992, Pell grants were available to incarcerated individuals. As a result, education programs expanded throughout the prison system, and by 1990, there were 772 prison college programs in more than 1,000 correctional facilities; and

Whereas, Postsecondary courses and training for incarcerated people will make them more likely to secure jobs and succeed economically upon release. While currently only 24 percent of people in federal prison have had access to some postsecondary education, 65 percent of all new jobs nationwide now require a postsecondary degree; and

Whereas, Postsecondary education and training programs lead to lower recidivism rates, less crime, and improved public safety. Incarcerated people who participate in postsecondary education and training programs are 43 percent less likely to recidivate than those who do not participate; and

Whereas, Prison education reduces violence within the prison system. Prisons with college programs have fewer violent incidents, which allows corrections officials to do their jobs in a safer environment; and

Whereas, Prison-based education is cost-effective. Every dollar invested in prison-based education yields \$4.00 to \$5.00 in taxpayer savings in reduced long-term incarceration costs; and

Whereas, Removing the federal ban on Pell grants for prison education would expand access to postsecondary education for people in Michigan’s prisons; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to repeal the federal ban on Pell grants for prison-based education; and be it further

Resolved, That copies of this resolution be transmitted to President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Education.

Reps. Camilleri, Stone, Hood, Koleszar, Manoogian, Shannon, Tyrone Carter, Garza, Brenda Carter, Sowerby, Hoadley, Greig, Anthony, Witwer, Bolden, Pohutsky, Sneller, Cherry, Chirkun, Hertel, Sabo, Miller, Rabhi, Hope, Kuppa, Peterson, Elder, Haadsma, Lasinski, Brixie, Robinson, Coleman, Kennedy, Cynthia Johnson, Wittenberg, Byrd, Ellison, Yancey, Gay-Dagnogo, Clemente, Liberati, Hammoud, Warren, Cambensy, Tate and Guerra offered the following resolution:

House Resolution No. 235.

A resolution to declare February 27, 2020, as Public Schools Day in the state of Michigan.

Whereas, Public education is the foundation of a 21st-century democracy; and

Whereas, The nation's public schools are where students come to be educated as citizens of the United States; and

Whereas, Each public school prepares the nation's young people to contribute to the society, economy, and citizenry of the country; and

Whereas, Ninety percent of American children attend public schools; and

Whereas, Local, state, and federal lawmakers should prioritize support for strengthening the nation's public schools and empower local education leaders to implement, manage, and lead school districts in partnership with educators, parents, and other local education stakeholders and learning communities; and

Whereas, Local, state, and federal lawmakers should support such necessities as counseling, extracurricular activities, and mental health supports that are critical to help students engage in learning; and

Whereas, Inclusive and safe high-quality public schools are where children learn to think critically, problem solve, and build relationships; and

Whereas, Public schools should provide an environment where all students can succeed beginning in their earliest years, regardless of who they are or where they live; and

Whereas, Efforts should be supported to advance equity and excellence in public education and to implement continuous improvement and evidence-based practices; and

Whereas, Every child has the right to an education that helps them reach their full potential and to attend schools that offer a high-quality educational experience; and

Whereas, Stable, equitable, predictable, and adequate funding for great public schools for every student in America is necessary to ensure that students have inviting classrooms and school libraries with up-to-date resources as well as well-prepared and supported educators; and

Whereas, Educators include teachers, paraprofessionals, and principals who provide a well-rounded and complete curriculum and create joy in learning; and

Whereas, The nation's school buildings should have class sizes small enough to allow students to receive one-on-one attention and to access support services such as health care, nutrition, and after-school programs when needed; and

Whereas, Students, teachers, and professionals make the nation's public schools vital components of the community; and

Whereas, February 24-28, 2020, is National Public Schools Week. Parents and communities are working hard to improve educational outcomes for children across the country; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 27, 2020, as Public Schools Day in the state of Michigan. We call upon Michiganders to observe this week by supporting public schools.

House Resolution No. 236.

A resolution to declare March 2020 as Women's History Month in the state of Michigan.

Whereas, Michigan women of every race, class, and ethnic background have made historic contributions to the growth and strength of Michigan in countless recorded and unrecorded ways; and

Whereas, Michigan women have played and continue to play a critical economic, cultural, and social role in every sphere of the life of Michigan by constituting a significant portion of the labor force working inside and outside of the home; and

Whereas, Accomplished women in Michigan such as Cora Reynolds Anderson, Lorraine Beebe, Cora Mae Brown, Anna Clemenc, Mary Stallings Coleman, Daisy Elliott, Betty Ford, Martha Griffiths, Marie-Therese Guyon-Cadillac, Erma Henderson, Mildred Jeffrey, Rosa Parks, Elly Peterson, Dorothy Comstock Riley, Anna Howard Shaw, Lucinda Stone, and Sojourner Truth deserve more recognition; and

Whereas, Michigan women have played a unique role throughout the history of Michigan by providing the majority of the volunteer labor force of Michigan; and

Whereas, Michigan women were particularly important in the establishment of early charitable, philanthropic, and cultural institutions in Michigan; and

Whereas, Michigan women of every race, class, and ethnic background served as early leaders in the forefront of every major progressive social change movement. Michigan women have been leaders not only in securing their own rights of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, the peace movement, and other movements which created a more fair and just society for all; and

Whereas, The population of Michigan is fifty-one percent women. Women compose thirty-six percent of the Michigan Legislature. The percentage of women legislators in the House of Representatives is thirty-eight percent and the percentage of women legislators in the Senate is approximately thirty percent; and

Whereas, Despite these contributions, the role of Michigan women in history has been consistently overlooked and undervalued in the literature, teaching, and study of Michigan history; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2020 as Women's History Month in the state of Michigan.

Reps. Webber, Crawford and Liberati offered the following resolution:

House Resolution No. 237.

A resolution to declare March 2020 as Independent Workers Month in the state of Michigan.

Whereas, In recent years, independent workers (the gig workers, freelancers, temporary workers, and self-employed) have played an ever-larger role in the prosperity of the state of Michigan and the country overall; and

Whereas, The increase in work arrangements outside of the traditional employment model has allowed people with busy or unpredictable schedules to choose the hours when they want to work. This flexibility allows some to participate in the workforce who would not be able to accept traditional employment. In addition, independent work can help households quickly overcome a financial emergency without going into debt or taking on a long-term commitment; and

Whereas, Acting as their own bosses, independent workers enhance their entrepreneurial abilities and practice the self-reliance and independence that are core American values. Independent work enables individuals to experience more variety in their careers and explore new interests while expanding their marketable skill sets; and

Whereas, The independent style of work can also allow more time for civic engagement. In a recent study, independent workers are 19 points more politically active compared workers in conventional full-time positions. Nearly 80% reported voting in the recent mid-term elections; and

Whereas, In 2018, independent workers generated over \$1.4 trillion to the U.S. economy. As leading innovators and adapters to the changing labor landscape, independent workers have facilitated necessary change and growth specifically within the state of Michigan by both diversifying the economy and providing existing industries with access to their expertise due to their agile work style. This profession may indeed take pride in its contributions to this strong Michigan economy; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2020 as Independent Workers Month in the state of Michigan. We honor independent workers, extend sincere best wishes to them for continued success, and pledge to pursue solutions to promote and protect their unique and valuable style of work.

EXECUTIVE ORDER

No. 2020-3

Amendment of Executive Order 2019-14

UP Energy Task Force

Department of Environment, Great Lakes, and Energy

On June 7, 2019, Executive Order 2019-14 established the UP Energy Task Force (“Task Force”).

Section 2(b) of Executive Order 2019-14 charged the Task Force with preparing a final report and submitting it to the governor in two stages, with the first submission – a propane plan focused on alternative means to supply propane to the Upper Peninsula (“UP”) – due March 31, 2020.

In carrying out this charge, the Task Force has continually sought and benefited from input provided by residents of this state. The work of the Task Force would benefit from an extension of the deadline for submitting its propane plan, to permit more time for public comment.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Acting under the Michigan Constitution of 1963 and Michigan law, I order that Section 2(b) of Executive Order 2019-14 be amended to read as follows:

The Task Force shall prepare a final report and submit it to the governor. The Task Force shall complete its final report in two stages. First, the Task Force shall submit a propane plan to the governor by April 17, 2020. This plan shall focus on alternative means to supply propane to the UP, consistent with section 2(a) of this order. Second, the Task Force shall submit the remainder of its report, also consistent with section 2(a), by March 31, 2021.

This order is effective upon filing.

Given under my hand and the great seal of the State of Michigan.

SUBJECT: Unemployment Insurance Agency Work Share Program Annual Report Public Act 1 of 1936, Section 421.281

The Work Share Program was created by the enactment of Public Act 1 of 1936, Section 421.28b to 421.28m of the Michigan Employment Security (MES) Act. The purpose of Work Share is to allow an employer to maintain operational productivity by reducing the work hours of employees during an economic decline in regular business activity instead of laying-off employees. With the plan, eligible employees work a reduced number of hours in the work week and receive a portion of weekly unemployment benefits.

Per Section 421.281 of the MES Act, the Unemployment Insurance Agency (UIA) shall submit to the Governor, the Secretary of the Senate, and the Clerk of the House of Representatives for referral to the Chair and Minority Vice-Chair of the appropriate committees an annual report regarding shared-work plans under Section 28B to 28m. The report shall include the number of approved shared-work plans, the number of participating employers, the number of participating employees, the amount of compensation and aid to participating employees, and any other information the UIA determines is relevant to assess the impact of shared-work plans on the unemployment compensation fund. The first report shall be submitted on or before the first day of March following the first complete calendar year during which sections 28b to 28m are in effect, and subsequent reports shall be submitted on or before the first day of March of each subsequent year.

If you have any questions, please contact Stephanie Glidden, UIA Legislative Liaison at 517-241-0029.

February 27, 2020

In accordance with Section 8 of the *Michigan Employment Security Act*, being Section 421.8 of the *Michigan Compiled Laws*, the Department of Labor and Economic Opportunity, Unemployment Insurance Agency is required to report annually to the Governor and the Legislature any amount, in excess of \$1.00, that the maximum weekly unemployment benefit rate would increase if the annual increase in the United States Department of Labor’s Consumer Price Index (CPI) were applied to the maximum weekly benefit rate for Michigan.

I am, therefore, transmitting to the Governor, and to the House and Senate for publication along with this letter in the *Journals* of their respective bodies, the enclosed report showing that since the last increase in the maximum weekly benefit rate to \$362.00 in 2002, the increase in the CPI would result in an increase in the maximum weekly unemployment benefit rate to \$501.15.

Respectfully submitted,
Steve Gray, Director
Unemployment Insurance Agency
