House Bill 5148 as introduced
Sponsor: Rep. Brenda Carter
Committee: Families, Children and Seniors
Complete to 1-14-20

SUMMARY:

House Bill 5148 would amend section 55 of the Michigan Adoption Code (Chapter X of the Probate Code) to modify the definition of “advertise for, solicit, or recruit” as that term is used in that section.

Currently under the code, only a prospective adoptive parent may *advertise for, solicit, or recruit* biological parents or guardians of potential adoptees for the purpose of a court-supervised adoption. A biological parent or guardian, the court, the Department of Health and Human Services (DHHS), or a child placing agency with authority to place a child may advertise for, solicit, or recruit potential adoptive parents only to fulfill the purposes of a court-supervised adoption of that child. The code expressly prohibits anyone else from advertising for, soliciting, or recruiting prospective parents to facilitate the transfer, adoption, or permanent placement of the child.

The bill would amend this section to specify that *advertise for, solicit, or recruit*, as used in the above provisions, does not include disseminating information about the availability of an attorney’s legal services, including an advertisement or website as allowed under the Michigan rules of professional conduct.
