- Create the "Kiwanis International Michigan District Fund" within the State Treasury and require the money from the sale of the plates to be deposited into the Fund.

FISCAL IMPACT

The bill would create a start-up cost to the Department of State; however, the start-up fee prescribed in the Code (currently estimated at \$90,000) would have to be paid to the Department of State from the new Kiwanis International Michigan District Fund proposed under the bill. The revenue generated from the fund-raising license plate would be deposited into the Fund, after which the State Treasurer would disburse payments from the Fund on a quarterly basis to the Kiwanis International Michigan District.

The bill would have no fiscal impact on local government.
