

Senate Bill 441 (as introduced 8-20-19)
Sponsor: Senator Sylvia Santana
Committee: Appropriations

Date Completed: 8-20-19

CONTENT

The bill would amend the State License Fee Act to delay the sunset of various application, registration, and license fees paid by individuals or entities seeking licensure or registration for various professions regulated under the Act. These fees were last increased in 2003. Under current law, those increases would be rolled back on September 30, 2019. The bill would delay this sunset until September 30, 2023.

MCL 338.2213 et al.

FISCAL IMPACT

The bill would have a positive fiscal impact on the Department of Licensing and Regulatory Affairs (LARA) and no fiscal impact on local units of government. The extension of the current fees would preserve about \$17.9 million in revenue each year until 2023. The revenue from these fees is deposited into the Licensing and Regulation Fund and is used to offset costs related to the licensing and enforcement of regulated professions.

Fee Sunsets and Potential Revenue Losses
