“Eternal God our Father, the giver and keeper of Life —

We come before You today in prayer for our *House of Representatives*.

We ask that You give wisdom and divine inspiration to each of them, so they may represent us *properly, legislate effectively, and govern with all humility*.

Father, we ask that You direct the decisions made by these leaders, — *Let integrity, discernment, understanding, and knowledge rule their hearts*.

May they remain ethical and fair in all their dealings and judgement— living in awe and reverence of YOU, and enact legislation that honors You and ensures the continuance of our great state!

Then, let us live and increase, and be blessed in our land. In the name of **The Father, Son and Holy Spirit in Jesus’ Name we pray, Amen.**”

Rep. Chirkun, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

In regards to HCR-1 For too long, Michiganders haven’t had an advocate in state government fighting for their access to clean, safe drinking water.

By creating the office of the Clean Water Public Advocate and the Environmental Justice Public Advocate, Governor Whitmer has proven that she’s ready to get to work cleaning up our drinking water.

She’s also signed an executive directive to strengthen the PFAS Action Response Team.

Because right now, too many communities in Michigan can’t drink their water because of PFAS contamination, and we’ve got to get to work tackling that problem for the sake of thousands of Michiganders.

I’m glad the governor stayed true to the promises she made on the campaign trail to protect our water and that’s why I am voting No on this resolution.”

Rep. Cherry, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no on HCR 1 as this resolution would reject Executive Order No. 2019-02. Executive Order No. 2019-02 contains a number of reforms within DEQ that are vital to the residents of my district. The residents of the 49th house district have suffered when our state government has not adhered to the principles of environmental justice. Residents across our state need someone to help ensure that the water they rely on is free from contaminants such as lead or PFAS. Executive Order No. 2019-02 creates a clean water public advocate and an environmental justice public advocate, both necessary reforms to protect the residents of our State. This executive order should not be overturned.”

Rep. Hood, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no to this resolution because I believe the Governor’s authority allows her to reorganize state departments and abolish and/or establish advisory bodies per Article 5, Sec 2 of Michigan’s constitution. Further, that these panels could be re-established under the discretion of the Director of the Department of Environmental Quality, without disrupting the Governor’s executive orders, and within the 60 day period in which the legislature can comment and negotiate. And finally, because the people of Michigan have spoken clearly that they want a stronger Department of Environmental Quality to protect our water resources. Any effort against those wishes, or to slow down the administration’s progress toward those ends, defies the public trust in this elected body.”

The Speaker called the Speaker Pro Tempore to the Chair.

By unanimous consent the House returned to the order of

### **Motions and Resolutions**

Reps. Peterson, Clemente, Gay-Dagnogo, Haadsma, Hoadley, Kuppa, Shannon, Sowerby, Stone, Whitsett and Wittenberg and Sowerby offered the following resolution:

#### **House Resolution No. 18.**

A resolution to declare February 2019 as School-Based Health Care Awareness Month in the state of Michigan.

Whereas, Michigan’s school-based and school-linked health centers (also known as child and adolescent health centers) have been delivering comprehensive primary healthcare, mental health care, and prevention services for over 30 years; and

Whereas, There are over 125 school-based and school-linked health centers and programs in the state of Michigan delivering a range of primary, preventive, early intervention, and mental health services to children and youth of all grade levels in urban, rural, and suburban schools across the state; and

Whereas, Children and youth served by school-based and school-linked health centers show improved rates of school attendance, enhanced scores on standardized tests, less absenteeism due to illness, and increased immunization rates, while having their wellness and health care needs addressed; and

Whereas, School-Based Health Care Awareness Month is a time to acknowledge the commitment and passion that school-based health center staff and parent/guardians show for all Michigan children and youth. We also recognize the critical role they play in improving the health and well-being of all Michigan children; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2019 as School-Based Health Care Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sneller, Cherry, Ellison, Stone, Brenda Carter, Cynthia Johnson, Lasinski, Hood, Gay-Dagnogo, Witwer, Love, Hertel, Sowerby, Chirkun, Shannon, Neeley, Kennedy, Garza, Sabo, Brixie, Cambensy, Wittenberg, Manoogian, Haadsma, Peterson, Garrett, Kuppa, Hope, Camilleri, Byrd, Pagan, Yancey, Clemente, Jones, Anthony, Guerra, Rabhi, Howell, Mueller, Frederick, Elder, Coleman, Hoadley and Whitsett offered the following resolution:

#### **House Resolution No. 19.**

A resolution to declare February 11, 2019, as White Shirt Day in the state of Michigan.

Whereas, We recognize Michigan’s members of the United Auto Workers (UAW) as they gather to mark the 82nd anniversary of their first contract with General Motors. This anniversary is a reflection of extreme sacrifice, commitment, and determination of those first UAW members who paved the way for higher pay and improved benefits that have created a positive atmosphere for all of America’s working men and women. We remember those historic members on this anniversary; and

Whereas, On February 11, 2019, UAW members and retirees will wear white shirts to commemorate the anniversary of the end of the famous Flint Sit-Down Strike in 1937. While the members of this distinguished organization celebrate the 82nd anniversary of this event, we offer our thanks for the outstanding contributions they have made to the Flint community, our state, and our nation; and

Whereas, The origin of the UAW’s White Shirt Day can be traced back to 1948 when Bert Christensen, a member of Local 598, first suggested it. His idea was to ask that workers wear the white shirts traditionally worn by managers to show the company that they were equally important to the business. The shirts represent equal respect and treatment for blue-collar workers and the unity and strength of UAW members; and

Whereas, With ceremonies to celebrate its history, the members and officers of the UAW will remember the vision of its founders and the commitment of its workers that have brought them to this point. Fittingly, as they look to the past, they will also be casting an eye to the future and to the many ways in which United Auto Workers will continue to serve the working men and women of this great country; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 11, 2019, as White Shirt Day in the state of Michigan. We commemorate the 82nd anniversary of the first United Auto Workers contract with General Motors and commend everyone who has contributed to the UAW's success. We applaud their accomplishments and thank them for helping to strengthen and build Michigan's communities, workforce, and economy.

The question being on the adoption of the resolution,

The resolution was adopted.
