Pastor Mark Bouslog, Senior Pastor of Jenison Bible Church in Hudsonville, offered the following invocation:

“A Prayer for Wisdom:

Heavenly Father,

Thank You for being the Giver of all good things, including Your Son, Jesus Christ, so that all who believe may have eternal life.

We come into Your presence this morning with full awareness of our absolute dependence on You. The challenges in our State, Country and World press us to look for wisdom beyond ourselves and we come to You for this discernment. We find great comfort in the words of the Apostle James as he wrote, ‘If any of you lacks wisdom, let him ask of God, Who gives generously to all without reproach, and it will be given him.’ It is on this basis that we ask wisdom for:

- Unity to move forward for the greater good of all people
- Responsible stewardship of the Treasury of our great State
- Addressing the great needs represented among the people of Michigan
- Writing appropriate legislation that will ensure the well-being of those who reside in our State
- Responding to those matters which may catch us unawares

God, please grant this House abundant wisdom that is from above so that every decision will result in the good that You have ordained. We give You praise for all that You will enable us to do for Your glory.

It is in the strong and powerful name of Jesus that I pray.

Amen.”

### **Motions and Resolutions**

Reps. Eisen, Hauck, Wozniak, Green, Markkanen, Frederick, Berman, Maddock, Reilly, Leutheuser, Bollin, Mueller, Kahle, Huizenga, Afendoulis, Liberati, Garza, Calley, Chirkun, Clemente, Crawford, Gay-Dagnogo, Haadsma, Cynthia Johnson, Jones, Lasinski, Love, Manoogian, Shannon, Sneller, Stone, Tate, Warren and Webber offered the following resolution:

#### **House Resolution No. 132.**

A resolution to declare July 22, 2019, as Fragile X Awareness Day in the state of Michigan.

Whereas, Fragile X syndrome is the most common cause of inherited intellectual disability and the most common known genetic cause of autism or autism spectrum disorders; and

Whereas, Over 1.5 million Americans are carriers of a fragile X mutation and thus have, or are at risk for developing, a fragile X-associated disorder, and over 100,000 Americans have fragile X syndrome; and

Whereas, Fragile X disorders are also associated with tremor/ataxia syndrome, causing tremors, balance deficiencies, and memory problems, ovarian insufficiency, causing reduced fertility or infertility, menstrual deficiencies, and early menopause; and

Whereas, Fragile X is a powerful research model for neuropsychiatric disorders, such as autism, schizophrenia, pervasive developmental disorders, and similar conditions including Alzheimer’s, Parkinson’s, reproductive problems in women, and other genetically-based medical conditions; and

Whereas, Although the genetic defect causing fragile X has been discovered and is easily identified by DNA testing, fragile X frequently goes undetected due to its recent discovery and the lack of awareness about the syndrome, even within the medical community; and

Whereas, Raising awareness of fragile X with the public and the medical community will help patients with the fragile X gene make better informed medical decisions and help those living with fragile x syndrome to adapt into society and provide significant contributions towards better understanding autism and other fragile X-associated conditions; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 22, 2019, as Fragile X Awareness Day in the state of Michigan. We encourage all Michiganders to work together to raise awareness of the need for early diagnosis and treatment for the disorder as well as continued research to find a cure.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Liberati, Eisen, Garza, Calley, Chirkun, Clemente, Crawford, Gay-Dagnogo, Haadsma, Cynthia Johnson, Jones, Kahle, Kuppa, Lasinski, Leutheuser, Manoogian, Pagan, Sabo, Shannon, Sneller, Sowerby, Stone, Tate, Warren and Webber offered the following resolution:

**House Resolution No. 133.**

A resolution to declare July 2019 as Fragile X Awareness Month in the state of Michigan.

Whereas, Fragile X is the most common inherited cause of developmental disability, cognitive impairment, and autism affecting people of every race, income level, and nationality; and

Whereas, Nearly 1.5 million Americans are living with the health impacts of a Fragile X mutation; and

Whereas, The exact number of people who have the Fragile X permutation is unknown. Studies estimate that between 1 in 148 and 1 in 291 females and 1 in 290 and 1 in 855 males in the United States are carriers of a Fragile X mutation and can pass the mutation to their offspring; and

Whereas, Approximately one in every 3,600 to one in every 4,000 males and one in 4,000 to one in every 6,000 female children are born with the Fragile X Syndrome and typically require a lifetime of special care which could cost over \$2,000,000; and

Whereas, Fragile X remains frequently undiagnosed until puberty. The genetic mutation causing Fragile X has been studied and is easily identified by testing. Early intervention and therapy is necessary to provide the most opportunity for developing a full range of skills and behavior; and

Whereas, The Fragile X protein also plays a critical role in normal brain function and in other neuropsychiatric conditions including autism, schizophrenia, bi-polar disorder, clinical depression, and other forms of X-linked cognitive impairment. The study of Fragile X provides a unique research opportunity for advancing the understanding of these other neuropsychiatric conditions. With concerted research efforts, a targeted treatment for Fragile X will likely be developed. Fragile X research has been vastly underfunded despite the prevalence of the condition, the great potential for the development of targeted treatments, and the significance that Fragile X research has for related disorders; and

Whereas, The U.S. Congress has designated July as National Fragile X Awareness Month. The Michigan House of Representatives as an institution and members of the Michigan Legislature as individuals are in unique positions to help raise public awareness about the need for increased funding for research, early diagnosis, and treatment for the condition known as Fragile X; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2019 as Fragile X Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Miller, Paquette, Chirkun, Clemente, Gay-Dagnogo, Haadsma, Jones, Kahle, Lasinski, Shannon, Slagh, Stone and Warren offered the following resolution:

**House Resolution No. 134.**

A resolution to declare July 2019 as Dark Sky Awareness Month in the state of Michigan.

Whereas, The beauty and wonder of a dark night sky is part of the cultural and scientific heritage of all humanity and should be preserved and protected; and

Whereas, Residents, photographers, astronomers and visitors from all walks of life appreciate the dark sky of Michigan through stargazing, as one can clearly see the heavens at night; and

Whereas, Outdoor lighting constitutes "light pollution" of the nighttime environment; and

Whereas, Attention to the problem of light pollution and mitigation efforts will help ensure that the sky is preserved; and

Whereas, Public awareness of the benefits of dark skies is encouraged; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2019, as Dark Sky Awareness Month in the state of Michigan. We recognize the local individuals and municipalities working to keep Michigan skies free of light pollution and we commend them for their efforts to ensure that citizens now and into the future enjoy the benefits of a pristine nighttime sky.

**House Resolution No. 135.**

A resolution to declare July 2019 as Craft Beer Month in the state of Michigan.

Whereas, Michigan craft brewers are a vibrant affirmation and expression of Michigan's entrepreneurial traditions, operate as community-based small businesses, and provide employment for more than 17,000 workers; and

Whereas, Michigan has craft brewers in every region of the state and more than 300 craft brewers statewide; and

Whereas, Michigan ranks fifth in the nation for overall number of breweries, microbreweries, and brewpubs; and

Whereas, The Michigan Brewers Guild celebrates Michigan Craft Beer each year by hosting a Summer Festival in July; and

Whereas, Craft brewers in Michigan support state agriculture by purchasing hops, malted barley, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, spices, and vegetables grown in Michigan; and

Whereas, Michigan craft brewers promote Michigan's spirit of independence through a renaissance in handcrafted beers like those first brought to Michigan by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Striving to educate legal drinking-age residents, Michigan craft brewers convey awareness about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, beer history, and gastronomic qualities of beer; and

Whereas, Michigan craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Craft brewers in Michigan produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many states, contributing to balanced trade with increased Michigan exports and promoting Michigan tourism; and

Whereas, Michigan craft brewers have been a successful business model during our state's economic struggles by contributing more than \$700 million in labor income with a total economic contribution of more than \$2.4 billion, thriving and expanding in furthering their economic importance to the state; and

Whereas, Michigan craft brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs. They are contributors to the local tax base and are committed sponsors of a broad range of vital community institutions and philanthropic causes, including not-for-profit housing development associations, chambers of commerce, humane societies, athletic teams, and medical research; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2019 as Craft Beer Month in the state of Michigan. We recognize the contributions that Michigan craft brewers have made to the state's communities, economy, and history; and be it further

Resolved, That we commend Michigan craft brewers for providing jobs, improving the balance of trade, supporting Michigan agriculture, and educating residents about the history and culture of beer while promoting the responsible consumption of beer as a beverage of moderation.

**House Resolution No. 136.**

A resolution to declare June 30-July 7, 2019, as Aquatic Invasive Species Awareness Week in the state of Michigan.

Whereas, Michigan and its economy are defined by the Great Lakes and depend on its great abundance of fresh water for manufacturing, tourism, fishing, public water supplies, agriculture, and numerous other uses; and

Whereas, Preventing the introduction of aquatic invasive species ultimately benefits Michigan, and stopping the introduction of these species would eliminate the need for the state of Michigan, business, industry, and citizens from employing costly methods to control and manage them; and

Whereas, Michigan is protecting the Great Lakes from aquatic invasive species from a number of pathways including ballast water, canals and waterways, organisms in trade, and recreational activities such as boating and angling; and

Whereas, Over 180 nonindigenous aquatic species are established in the Great Lakes basin, many of which are displacing native species, disrupting habitats, and degrading natural, managed, and agricultural landscapes, resulting in millions of dollars for control efforts each year; and

Whereas, Michigan has over 900,000 registered boaters and many other recreational, commercial, and industrial users of over 11,000 inland lakes and over 36,000 miles of rivers and streams in the state, many of which are impacted by aquatic invasive species; and

Whereas, Aquatic invasive species awareness is an important first step toward behavior change, which prevents the introduction and spread of aquatic invasive species; and

Whereas, Spring marks the beginning of water-related recreational activities in Michigan; and

Whereas, Aquatic Invasive Species Awareness Week is an opportunity for Michigan's government to join forces with business, industry, environmental groups, community organizations, citizens, and the other Great Lakes states and provinces to take action against the introduction and spread of aquatic invasive species; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 30-July 7, 2019, as Aquatic Invasive Species Awareness Week in the state of Michigan; and be it further

Resolved, That all citizens must increase their understanding and awareness of aquatic invasive species and their environmental and economic impacts and take preventative measures to stop the spread and introduction of aquatic invasive species; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Department of Environment, Great Lakes, and Energy, Michigan Department of Agriculture and Rural Development, Michigan Department of Natural Resources, Michigan Department of Transportation, Great Lakes Fishery Commission, Council of Great Lakes Governors, Michigan Congressional Delegation, and Great Lakes Commission.

#### **House Resolution No. 137.**

A resolution to declare July 2019 as Wildlife Conservation Month in the state of Michigan.

Whereas, Michigan's natural beauty, abundant wildlife, and plentiful waters are enjoyed from Belle Isle to Baraga by millions of residents and visitors and should be preserved and protected for future generations; and

Whereas, Hunters and fishermen were among the first conservationists, pushing for active wildlife management and conservation to ensure wildlife would flourish forever; and

Whereas, Science-based wildlife management and conservation decisions such as actively enhancing habitat, monitoring wildlife populations, preventing the spread of disease, and regulating hunting and fishing seasons help balance our use of natural resources with the needs of Michigan's wildlife; and

Whereas, As a result of these protections, regulations and extensive conservation efforts, Michigan populations of elk, wild turkey, white-tailed deer, lake sturgeon and many other species have rebounded from near extinction. Approximately 11,000 inland lakes and 36,000 miles of rivers and streams are safeguarded from invasive species and abundant wildlife habitat and wildfire risk are improved by forest management; and

Whereas, July 1 marks the 81st anniversary of the effective date for the Pittman-Robertson Federal Aid in Wildlife Restoration Act, which provides funding for wildlife management projects across the nation through the purchase of hunting equipment; and

Whereas, Hunting and fishing licenses, not state taxes, provide tens of millions of dollars each year for wildlife conservation; and

Whereas, Hunters and anglers annually contribute \$11.2 billion to Michigan's economy and create 171,000 jobs, making the combined activities one of the state's top 10 job-creating industries, according to a recent Michigan United Conservation Clubs study; and

Whereas, This year is the fifth anniversary of the creation of the Michigan Wildlife Council, a bipartisan-approved panel entrusted with educating the public about the importance of wildlife management in preserving Michigan's outdoor heritage for future generations; and

Whereas, In large part because of the council's activities, more Michiganders than ever are aware of the essential role hunting and fishing play in conserving, managing, and protecting Michigan's wildlife; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2019 as Wildlife Conservation Month in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Wildlife Council.

**House Resolution No. 138.**

A resolution to declare June 22, 2019, as Michigan Mountain Biking Day in the state of Michigan.

Whereas, World-class biking experiences can be found in the over 1,300 miles of mountain biking trails scattered throughout the state of Michigan—from the tip of the Keweenaw Peninsula to metro Detroit; and

Whereas, Michigan is home to a variety of trail challenges including expert-level tracks with edgy bedrock and roots to smooth flowing switchbacks. The diversity of Michigan’s single-track brings together every type of biker from beginners to world champion racers. Michigan’s diverse trails allow every cyclist to find a trail that best suits their interests and comfort level; and

Whereas, Michigan proudly is home to two International Mountain Bicycling Association Ride Centers, Copper Harbor and Marquette. Only 40 of these mountain bike towns exist in the world. The Copper Harbor and Marquette Ride Centers have been internationally recognized for their exemplary design and incredible rider experience. Additionally, the Copper Harbor trails have been rated among the best in the country by National Geographic and the Marquette trail system has been nationally recognized by USA Today; and

Whereas, Michigan is also home to an International Mountain Bicycling Association Epic trail, the High Country Pathway in the Pigeon River Country State Forest near Vanderbilt. Only 42 IMBA Epic trails exist in the United States. This 70-mile trail is known for its backcountry adventure and elk viewing experiences; and

Whereas, The state’s mountain biking trails connect thousands of residents and visitors to the local economy. According to the Outdoor Industry Foundation, nearly 45 million Americans mountain bike each year. In Copper Harbor alone, their trails bring in more than 20,000 bikers annually. The mountain biking tourism industry provides a healthy boost to the Michigan communities who maintain our renowned trails; and

Whereas, Michigan mountain biking trails provide healthy, fun activities for all ages and connect bikers to the natural wonders of Michigan’s environment. Mountain biking trails in the state provide unique opportunities for riders to experience up-close all that our wilderness and lakes have to offer; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 22, 2019, as Michigan Mountain Biking Day in the state of Michigan.
