

HOUSE RESOLUTION NO.352

Rep. Slagh offered the following resolution:

1 A resolution to urge the Attorney General to fulfill her
2 duties to uphold the laws of the state of Michigan and take legal
3 action against those who have violated election laws.

4 Whereas, Free and fair elections conducted according to the
5 law are imperative in our country. Any sense of unresolved
6 improprieties in an election undermines the results and public
7 trust in our government; and

8 Whereas, Numerous troubling allegations have been made
9 concerning voter fraud and other violations of law in connection
10 with the November 2020 election. During legislative testimony, it
11 was reported that a review of absent voter records showed that
12 numerous deceased persons voted and there were voters registered
13 with addresses to vacant parcels and uninhabited buildings. Some

1 poll challengers testified that they were prevented from fully
2 viewing and taking part in the ballot duplication process, in
3 direct violation of a court order. Affidavits have also been filed
4 by a significant number of poll challengers who attest that they
5 were harassed, threatened, and intimidated by election workers and
6 others who were observing the election process. Allegations have
7 been made that some election workers coached voters on who to vote
8 for. Additionally, there are specific allegations that election
9 workers were told by their superiors to accept absentee ballots
10 with signatures that did not match the signatures on file in voting
11 records; and

12 Whereas, Any cases of election fraud or other violations of
13 election law must be investigated fully and prosecuted to the
14 fullest extent of the law. The integrity of the November 2020
15 election and future elections requires determined, judicious
16 enforcement of the law; now, therefore, be it

17 Resolved by the House of Representatives, That we urge the
18 Attorney General to fulfill her duties to uphold the laws of the
19 state of Michigan and take legal action against those who have
20 violated election laws; and be it further

21 Resolved, That copies of this resolution be transmitted to the
22 Attorney General.
