Rep. Andrew Beeler, from the 83rd District, offered the following invocation:

“Heavenly Father,

On the eve of the feast day of Your servant, St. Martin, we ask You to make us more aware of his example of bravery, faith, charity, and leadership. We ask You to make us, just as You made St. Martin, brave in our convictions, faithful in our service to our constituents, charitable in our words and actions, and leaders for those who elected us. St. Martin, intercede for us on this day and watch over us. Father grant us guidance in our votes, wisdom in our decisions, and dispatch in our actions.

Amen.”

The Speaker assumed the Chair.

Rep. Rabhi moved that Reps. Cherry and Jones be excused from today’s session.
The motion prevailed.

Rep. Frederick moved that Reps. Marino and Reilly be excused from today’s session.
The motion prevailed.

Comments and Recommendations

Rep. Frederick moved that the following remarks be printed in the Journal.
The motion prevailed.

Rep. Huizenga:

“It has been an honor to serve in this Michigan House of Representatives. There are simply too many people in this body to thank personally.

Foremost, I am grateful to God for the gift of life and the ability to serve. The constant support of my family has been foundational in my political career – without their support and love I would not be the person that I am today. Additionally, my staff, in particular Zack Sikkema and Emerson Silvernail, have been consummate supporters. Whether it was working on exciting (insert nerdy) projects like the IT Task Force, the work that we did on both the General Government and Higher education budgets, or the massive amount of assistance we provided to constituents throughout our district and beyond especially related to UIA cases. Of course, I would not be here without the support of the constituents of the 74th district. They chose me to represent them in this chamber and I have done my level best each and every day to make sure I serve them with honor, integrity, and an allegiance to the truth.

It has been a privilege to work under bother Speaker Chatfield and Speaker Wentworth. They told us at orientation that we should relish the time we have together and that it will go fast; indeed, it has. We were also told we would grow together as a group; that too, has been true. We have celebrated and sorrowed together, working through the good times and the bad, but we have ultimately accomplished many feats to better the lives of Michiganders.

Sometimes the work that we do feels unnoticed or intractably difficult. Yet, when I am feeling this way, I remind myself of the perennial favorite Christmas movie ‘It’s a Wonderful Life.’ In case you don’t know the story, the main character George Bailey played by James Stewart is at the end of his rope and does not believe that his work in his small town of Bedford Falls has been adequate. As he finds himself in dire straits, Stewart is stopped by an angel as he is contemplating the unthinkable.

He is transitioned back in time to show him what a significant impact he has had on this town in his life. When Stewart sees that the work that he has done, he reconsiders his fate, and develops a new fondness for his family, his friends, and his community. Much of the work that we do here in the legislature is similar – sure bills are vetoed, budgets are re-configured, you know the drill – but when I look back at the work that I have done here, I believe that it has been valuable to the people; the people that I am proud to serve. The

work that we do in this chamber change lives, it always has a real tangible impact on society and this great state is better for it. Bills that we have had signed, budgets that we have passed, calls that we have held with constituents have, have likely had more impact than we will ever know.

I would be remis if I didn't thank our clerks for the great work they do, for the fiscal and policy staff, and for the sergeants who keep us safe.

Thank you, my colleagues, for the privilege to work with each of you. I am proud of the work I have done here and look forward to continuing my service just across the rotunda in the Michigan Senate."

Rep. Wozniak:

"Colleagues, I did not expect to be making this speech less than 3 years after first beginning my service in the Michigan House of Representatives but politics is all about timing and I look forward to continuing to work with you to improve the everyday lives of Michiganders.

I want to thank my staff, Adam Stacey and Quentin Abbott along with Tas Blekys, Robbie McQueen and Griff Drew who worked with me earlier this year. I also want to thank Lisa Damon-Brown who has helped me in the district.

Since I am not leaving the Legislature today, I will simply say how much I have enjoyed working with you all and I look forward to our continued friendship even though my seat will no longer be in this chamber.

I will leave you with an admonition and a wish. It is better to keep your mouth closed and thought a fool rather than to speak and remove all doubt. And my wish to my colleagues is a song.

Happy trails to you,

Until we meet again.

Happy trails to you,

Keep smiling until then.

Who cares about the clouds when we're
together?

Just sing a song and bring the sunny
weather.

Happy trails to you,

'til we meet again."

The Speaker called the Speaker Pro Tempore to the Chair.

By unanimous consent the House returned to the order of

Motions and Resolutions

Reps. Whiteford, Aiyash, Allor, Bezotte, Calley, Cavanagh, Kahle, Kuppa, Lasinski, Liberati, Steenland and Witwer offered the following resolution:

House Resolution No. 191.

A resolution to declare November 10, 2021, as Adoption Awareness Day in the state of Michigan. Whereas, Children thrive in loving families where they are nurtured, comforted, and protected; and

Whereas, It is important to recognize the valuable contributions of individuals who travel the rewarding journey of adoption by providing love, guidance, and hope for children whose lives have been filled with change and uncertainty. It is also important to recognize the choice of adoption for women as a loving option when faced with unplanned pregnancies; and

Whereas, We are committed to working as a partner with social service agencies, organizations in communities, and child advocates to help recruit and support adoptive families who make a difference in developing positive outcomes for our children; and

Whereas, Finding nurturing permanent homes for waiting children is a worthy objective to work toward throughout the year. During November, special efforts are made to instill a greater perception of the need for adoptive families; and

Whereas, Communities across the nation observe National Adoption Month to raise awareness and encourage citizens to become involved in the lives of these youth as adoptive parents, volunteers, or mentors. We understand the importance of adoption and honor those who choose an adoption plan and those who provide children with a loving home; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 10, 2021, as Adoption Awareness Day in the state of Michigan. We call upon all citizens to observe this occasion, and be it further

Resolved, That we encourage Michiganders to consider adoption during the month of November and throughout the year.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Lilly offered the following resolution:

House Resolution No. 192.

A resolution to declare November 14-20, 2021, as Thyroid Eye Disease Awareness Week in the state of Michigan.

Whereas, Thyroid Eye Disease (TED) is a serious, progressive and rare autoimmune condition in which the body's immune system mistakenly attacks healthy muscle and fat tissue behind the eye, causing inflammation and scar tissue to form; and

Whereas, People living with TED often have debilitating symptoms of eye bulging, double vision, blurred vision, and pain and facial disfigurement. In severe cases, TED can lead to blindness; and

Whereas, People living with TED often experience long-term impact on functional, psychosocial and economic burdens, including the inability to work or perform activities of daily living; and

Whereas, The exact underlying process by which TED occurs is not fully understood. TED is a serious, vision threatening condition that can get worse over time; and

Whereas, TED is a rare disease and is estimated to have a prevalence of 16 per 100,000 women and 2.9 per 100,000 men in the general population and

Whereas, A diagnosis of TED is based upon identification of characteristic symptoms, a detailed patient history, a thorough clinical evaluation and a variety of specialized tests; and

Whereas, There is a genetic component to the condition and people who have a family member with the disease or a family member with an autoimmune disease are at a greater risk of developing the condition; and

Whereas, TED Awareness Week has been established through a collaboration among advocacy organizations including the American Autoimmune Related Diseases Association, Inc (AARDA), and Prevent Blindness. AARDA and Prevent Blindness are engaged in disease awareness and patient support; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 14-20, 2021, as Thyroid Eye Disease Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Tate, Green, Sabo, Hope, Haadsma, Coleman, Shannon, Steckloff, Scott, Cavanagh, Sowerby, Witwer, Breen, Camilleri, Lasinski, Stone, Kuppa, Aiyash, Bezotte, Koleszar, Liberati, Morse, Rogers, Sneller, Steenland, Thanedar and Weiss offered the following resolution:

House Resolution No. 193.

A resolution to declare November 17, 2021, as Auto Heritage Day in the state of Michigan.

Whereas, Michigan's distinctive automotive heritage is preserved and promoted by the MotorCities National Heritage Area Partnership, an affiliate of the National Park Service; and

Whereas, The MotorCities National Heritage Area tells stories about how Michigan “Put the World on Wheels” throughout a region of 10,000 square miles in 16 Michigan counties, with a population of more than six million people; and

Whereas, These unique stories are used to advance our state both culturally and economically; and

Whereas, The MotorCities National Heritage Area is the largest concentration of auto-related sites, attractions, and events in the world, bringing in millions of visitors each year; and

Whereas, Annually, the MotorCities National Heritage Area generates \$490 million in economic impact, including \$40 million in tax revenue and over 5,300 jobs; and

Whereas, For the eighth consecutive year, the MotorCities National Heritage Area, in partnership with the Michigan Legislative Auto Caucus, has organized Michigan Auto Heritage Day, where supporters of automotive heritage preservation come together in celebration of the state’s unique automotive history; and

Whereas, The Michigan Legislative Auto Caucus allows members to exchange ideas and influence policy, including auto heritage policy; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 17, 2021, as Auto Heritage Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Anthony, Aiyash, Allor, Bezotte, Brabec, Cavanagh, Haadsma, Hope, Koleszar, Kuppa, Lasinski, Liberati, Rabhi, Rogers, Sneller, Sowerby, Steenland, Thanedar, Weiss and Witwer offered the following resolution:

House Resolution No. 194.

A resolution to declare November 15-21, 2021, as Recycling Week in the state of Michigan.

Whereas, We all hold the responsibility to future generations to ensure they have the ability and right to live in a clean and sustainable Michigan; and

Whereas, Michigan’s recycling rate is around only 15% when the national recycling rate is 32%; and

Whereas, Recycling not only has a positive impact on the environment, but also provides an economic benefit. Research shows that recycling and reuse activities nationwide accounted for 681,000 jobs and \$37.8 billion in wages. A 2017 state recycling report states that over \$600 million recoverable materials end up in landfills, costing the state of Michigan over 1 billion dollars; and

Whereas, In the year 2020, the total waste disposal in Michigan landfills was reported at 52,697,247 cubic yards; and

Whereas, Recycling conserves resources such as timber, water, and minerals. Recycling protects the environment by reducing the amount of waste in landfills and combustion facilities, as well as the amount of plastic in Michigan’s waterways; and

Whereas, Approximately 9,887 metric tons of plastic debris per year enter the Laurentian Great Lakes. The Great Lakes make up about 21% of the world’s supply of surface fresh water and 84% of North America’s surface fresh water; and

Whereas, It is estimated that 138,000 new jobs would be created if Michigan’s recycling rate tripled to 45%. This would provide \$9 billion in annual labor income and \$33.8 billion in economic output. This would also eliminate emission of an additional 7 million metric ton equivalent of carbon dioxide; and

Whereas, We celebrate Michiganders’ continued dedication to reduce, reuse, and recycle; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 15-21, 2021, as Recycling Week in the state of Michigan. We demonstrate our state’s commitment to sustainability. The act of recycling, both at the individual and industrial level, help support a healthier and more economically prosperous Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Tate, Aiyash, Allor, Bezotte, Brabec, Calley, Cavanagh, Fink, Haadsma, Hope, Kahle, Koleszar, Kuppa, Lasinski, Liberati, Sabo, Sneller, Sowerby, Steenland, Thanedar, Weiss, Witwer and Yaroch offered the following resolution:

House Resolution No. 195.

A resolution to honor Michigan’s veterans.

Whereas, There are 18.82 million veterans in the United States, and over 560,000 veterans in Michigan, who are deserving of our highest praise and greatest admiration; and

Whereas, Veterans, along with their families, sacrifice so much for all of us, the people of Michigan and the United States are eternally grateful; and

Whereas, The House of Representatives is mindful that each passing day leaves us with fewer of those who served our nation in our darkest days; and

Whereas, We are often called to honor those who have fallen in the current conflicts in the service of freedom, and we stand with their families in remembrance of their ultimate sacrifice. We know that another great generation awaits its arrival home from battlefields across the globe, and we pledge to honor them upon their arrival; and

Whereas, Some veterans returned home wounded in defense of our country, others returned home with scars that can't be seen, while others made the ultimate sacrifice; and

Whereas, We can never truly repay all veterans have given to this country, it is only right that we honor them and their sacrifice by ensuring that they have the tools they need to succeed in life when they return home; and

Whereas, It is important to promote and support solutions to the unique challenges that veterans face, we will continue to fight for the policies that veterans deserve; and

Whereas, We recognize that, whether they toiled on the beaches of Normandy, in the blue skies of the Cold War, or on a remote hillside in Afghanistan, all veterans have served our country in the most important role of government – as protectors of freedom, and have formed the foundation upon which we continue to build this nation; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor Michigan veterans. We express our gratitude and admiration for their service to our state and our nation.

The question being on the adoption of the resolution,

The resolution was adopted.
