Rep. Tommy Brann, from the 77th District, offered the following invocation:

“Mercy Now by Mary Gauthier

*My father could use a little mercy now
The fruits of his labor
Fall and rot slowly on the ground
His work is almost over
It won't be long and he won't be around
I love my father, and he could use some mercy now
My brother could use a little mercy now
He's a stranger to freedom
He's shackled to his fears and doubts
The pain that he lives in is
Almost more than living will allow
I love my brother, and he could use some mercy now
My Church and my Country could use a little mercy now
As they sink into a poisoned pit
That's going to take forever to climb out
They carry the weight of the faithful
Who follow 'em down
I love my Church and Country and they could use some mercy now
Every living thing could use a little mercy now
Only the hand of grace can end the race
Towards another mushroom cloud
People in power, well
They'll do anything to keep their crown
I love life, and life itself could use some mercy now
Yea, we all could use a little mercy now
I know we don't deserve it
But we need it anyhow
We hang in the balance
Dangle 'tween hell and hallowed ground
Every single one of us could use some mercy now
Every single one of us could use some mercy now
Amen.”*

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 198** out of numerical order.

Rep. Tisdell offered the following resolution:

House Resolution No. 198.

A resolution to urge Congress to support legislation to strengthen the Workforce Opportunity Tax Credit (WOTC).

Whereas, The Workforce Opportunity Tax Credit (WOTC) encourages businesses to hire employees in certain groups that face significant barriers to employment. The credit helps to defer the costs of recruiting, training, and employing these individuals; and

Whereas, Since its creation, the WOTC has not kept up-to-date with rising labor costs. The maximum credit amount has not been updated since the credit was created in 1996, limiting its effectiveness in incentivizing businesses to hire individuals from the targeted groups; and

Whereas, The economic effects of the COVID-19 Pandemic have made it more important than ever to strengthen the WOTC. The credit targets jobs to those groups that have been disproportionately impacted by the pandemic. Increasing the credit amount will also help businesses to recover from the pandemic by defraying the costs of hiring these individuals as labor costs rise; and

Whereas, Legislation has been introduced to strengthen the WOTC. H.R. 3449 of 2021, also known as the Hiring Incentive to Return Employment (HIRE) Act, would temporarily increase the credit amount for all targeted groups for two years. The bill would also eliminate the credit's prohibition on rehiring employees for this two-year period; now, therefore, be it

Resolved by the House of Representatives, That we urge Congress to support legislation to strengthen the Workforce Opportunity Tax Credit (WOTC); and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate, and the Michigan congressional delegation.

The resolution was referred to the Committee on Tax Policy.

THIS RESOLUTION IS OFFERED TO COMPLY WITH MCL 51.76.

Reps. Lightner and Sneller offered the following concurrent resolution:

House Concurrent Resolution No. 14.

A concurrent resolution relative to secondary road patrol funds for counties providing road patrol services to cities and villages.

Whereas, Section 77 of 1846 RS 14, MCL 51.77, provides funding for county secondary road patrol services pursuant to an agreement with the Office of Criminal Justice, which, pursuant to Executive Order No. 1989 – 4, is now the Office of Highway Safety Planning within the Department of State Police. An agreement also provides a maintenance of law enforcement effort standard for counties providing these secondary road patrol services, unless it is recognized that the reduction was due to cuts in general services due to economic conditions; and

Whereas, Section 76 of 1846 RS 14, MCL 51.76, permits road patrol services to be provided by county sheriff departments to cities and villages. This section also provides that a road patrol agreement is void if the city or village reduces the number of sworn law enforcement officers below the highest number employed at any time within the immediately preceding 36 months, unless the Michigan Legislature, by concurrent resolution, recognizes that the reduction was due to cuts in general services due to economic conditions; and

Whereas, Section 77 of 1846 RS 14, MCL 51.77, provides a formula for funding county secondary road patrol services. This formula permits road patrol services provided by county sheriff departments to cities and villages to be eligible for secondary road patrol funding as long as the city or village complies with the MCL 51.76 law enforcement maintenance of effort requirement, unless any reduction is recognized to be due to cuts in general services due to economic conditions; and

Whereas, In all of Michigan's counties, cities, and villages, general services have been reduced as a result of serious economic difficulties. These reductions in services have occurred in direct reaction to economic conditions; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That, for Fiscal Year 2022, counties, cities, and villages in Michigan have been required to reduce general services because of economic conditions and are not reducing law enforcement services as stipulated in section 76 or 77 of 1846 RS 14; and be it further

Resolved, That counties, cities, and villages have met the necessary terms of their agreements for road patrol services and secondary road patrol funding as they relate to maintenance of effort.

The concurrent resolution was referred to the Committee on Appropriations.

Reps. Beeler, Aiyash, Slagh, Hall, Meerman and Damoose offered the following resolution:

House Resolution No. 196.

A resolution to declare December 3, 2021, as Children of Abraham Day in the state of Michigan.

Whereas, The United States is a tapestry comprising all religious faiths, predominant among them are Judaism, Christianity, and Islam; and

Whereas, Judaism, Christianity, and Islam have a shared connection to Abraham and recognize this historical connection; and

Whereas, As followers of these faiths, they practice their faith and are called to embrace a spirit of religious toleration as Americans; and

Whereas, The freedom of religion is enshrined as an inseparable cornerstone of American government and public life that guarantees the right of religious expression; and

Whereas, This religious toleration is exemplary not only of their shared heritage in faith but also their patriotism; and

Whereas, Recognizing the importance of religious expression, a shared heritage, and a patriotic spirit of toleration; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare December 3, 2021, as Children of Abraham day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Coleman, Haadsma, Liberati, Rogers, Sneller and Weiss offered the following resolution:

House Resolution No. 197.

A resolution to declare November 28, 2021, as Albanian American Heritage Day in the state of Michigan.

Whereas, On November 28th, 1912, Albanian hero, Ismail Qemali, quickly gathered delegates to Vlora, Albania, to approve the Declaration of Independence and secure Albania's status as an independent nation free from foreign control or influence; and

Whereas, Independent Albania, a lifelong dream of a people subjected to hundreds of years of occupation, the All-Albanian Congress constituted a National Assembly to join the world as a modern nation-state; and

Whereas, The Declaration of Independence concurrently witnessed the raising of the modern Skanderbeg flag signifying the existence of a unified and independent Albania; and

Whereas, Michigan's Albanian American citizens enrich our communities and bring their unique culture and traditions to our great state; and

Whereas, Members of the Albanian American community contribute greatly to this state as business owners, skilled professionals, community leaders, and engaged citizens; and

Whereas, November 28th, 2021 marks the 109th anniversary of the realization of an independent Albania; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 28, 2021, as Albanian American Heritage Day in the state of Michigan. We thank those individuals of Albanian heritage for the important contributions they have made to our state and our country.

The question being on the adoption of the resolution,

The resolution was adopted.

Messages from the Governor

The following veto message from the Governor was received and read:

Executive Office, Lansing, November 11, 2021

Michigan House of Representatives
State Capitol Building
Lansing, MI 48909-7514

Representatives,

Today, I am returning **Enrolled House Bill 4501** without my approval.

Every Michigander has the right to a safe workplace under both state and federal law. Among other requirements, federal law requires our state to maintain workplace standards at least as effective as requirements set forth in the federal Occupational Health and Safety Act. By prohibiting the Michigan Occupational Health and Safety Administration (MIOSHA) from assessing a fine for an employer's first violation of a COVID-19 emergency standard, HB 4501 would cause Michigan to fall below the minimum standard required by federal law, including 29 C.F.R. § 1902.37(12). That would have disastrous consequences for our state.

When a state fails to maintain the minimum standard, it loses control over enforcement of workplace standards. That would mean higher penalties, an end to voluntary safety outreach services, and the loss of Michigan stakeholder voices in our occupational health and safety program. I will not let that happen.

The past two years have been hard on all of us—especially small businesses. I am grateful to our state's small businesses for demonstrating unmatched resiliency, buoying our communities and families during a trying time, and helping keep Michiganders safe. To help small businesses weather the pandemic, Michigan implemented dozens of economic relief programs, supporting more than 25,000 companies and retaining more than 200,000 jobs. This support helped our economy grow 7.6% in the first quarter of 2021, the best in the Midwest, higher than the national average, and among the top 10 states nationwide.

I hope we can continue to work together to support small business by investing in building MI New Economy:

- The Michigan Mainstreet Initiative will support the businesses that anchor our communities by offering grants to restaurants, place-based businesses, and microenterprises.
- Through Michigan Small Business SmartZones and the Business Accelerator and Resiliency Initiative, we can make small investments deliver huge dividends for families and communities by supporting Michigan entrepreneurs.
- And with programs like the Startup Resiliency Initiative, we can catalyze the development of high-growth start-ups that create the high-paying jobs of the future by investing in building a more conducive business environment for technology companies

We all want business in Michigan to thrive, from large, innovative companies to small, beloved Main Street shops. Maintaining a flexible and responsive occupational health and safety program is a key part of Michigan's success. Because HB 4501 would undermine those goals, I am vetoing it.

Respectfully,
Gretchen Whitmer
Governor

Rep. Frederick moved that House Committees be given leave to meet during the balance of today’s session. The motion prevailed.
