Rep. David W. Martin, from the 48th District, offered the following invocation:

“Father, we thank You for Your guidance and ask for continued discernment in our work to maintain our government of laws, and not of men. Our Rule of Law established on Your Commandants clearly states Your supremacy as Lord and we should not place anything before You, neither hero nor greed; we know You to be a jealous God.

When the Pilgrims landed off course without a contract or charter in the New World, they formed a Compact of self-governance between themselves based on Your written word and under Your laws.

Our founding document declared a new form of government laying its foundation on the Laws of Nature recognizing our unalienable rights. It has fallen to us here to guard our future security, to do so, with a firm reliance on Your protection, I hope we renew our founders’ mutual pledge of our lives, our fortunes, and our Sacred Honor.

In the name of Your living Word,
Amen.”

The Speaker Pro Tempore assumed the Chair.

Rep. Rogers moved that Reps. Puri and Peterson be excused from today’s session.
The motion prevailed.

Rep. Frederick moved that Rep. Paquette be excused from today’s session.
The motion prevailed.

Reports of Standing Committees

The Committee on Agriculture, by Rep. Alexander, Chair, reported

House Resolution No. 205.

A resolution urging the U.S. Congress, federal agencies, and state departments to address the ongoing fertilizer price increases and shortages that are impacting Michigan farmers.

(For text of resolution, see House Journal No. 2, p. 9.)

With the recommendation that the following substitute (H-1) be adopted and that the resolution then be adopted.

Substitute for House Resolution No. 205.

A resolution to urge the U.S. Congress, federal agencies, and state departments to address the ongoing fertilizer price increases and shortages that are impacting Michigan farmers.

Whereas, Michigan's agricultural industry is vitally important to the state economy. As our nation's second most diverse agricultural system, it contributes more than \$104.7 billion in economic activity annually to the state. More than 800,000 people work in Michigan's agricultural industry, and care for nearly 10 million acres of land; and

Whereas, Fertilizer is a critical agricultural input that is utilized by farmers to provide nutrients to their land and maximize the productivity of their farms. It is essential that Michigan's farmers have access to fertilizers so they can nourish their land and maintain production levels; and

Whereas, Fertilizer prices in the United States have dramatically increased over the past decade. While the increase in prices can be attributed to several factors, such as strong demand for fertilizer and rising costs of raw materials, the recent decision by the United States Department of Commerce to impose tariffs on imports of phosphate-based fertilizers from Morocco and other countries has significantly increased fertilizer prices. These tariffs were implemented in 2021 after the U.S. International Trade Commission (ITC) determined that the import of foreign phosphatic fertilizers injured U.S. manufacturers; and

Whereas, These tariffs place a substantial burden on farmers who are unable to compete with rising costs of production. Additionally, due to the highly consolidated structure of the U.S. fertilizer manufacturer industry, many farmers have little bargaining power with suppliers. For example, one company controls an estimated 90 percent of the U.S. phosphate fertilizer production while another controls nearly half of U.S. urea fertilizer production. This highly concentrated structure has resulted in local input dealers having very little bargaining power with the manufacturers, and cost increases are inevitably passed on to farmers; and

Whereas, Michigan farmers are facing the greatest increase in fertilizer prices in 13 years. Without access to fertilizer, Michigan's agricultural production will fall, and the state's economy will suffer. Not only will farmers be directly impacted, but the broader supply chain will also suffer; now, therefore, be it

Resolved by the House of Representatives, That we urge the U.S. Congress, federal agencies, and state departments to address the ongoing fertilizer price increases and shortages that are impacting Michigan farmers; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, the U.S. Secretary of Commerce, the U.S. Secretary of Agriculture, the commissioners of the U.S. International Trade Commission, and the Director of the Michigan Department of Agriculture and Rural Development.

Reps. Yaroch, Sabo, Markkanen, Cambensy, Hoytenga, Bezotte, Glanville, Haadsma, Kuppa, Rogers, Sneller and Steenland offered the following resolution:

House Resolution No. 299.

A resolution to declare May 15-21, 2022, as Emergency Medical Services Week in the state of Michigan.

Whereas, Emergency medical services (EMS) personnel are providing a vital public service on the front lines of a global pandemic; and

Whereas, EMS providers stand ready to provide lifesaving healthcare to Michigan residents 24 hours a day, 7 days a week; and

Whereas, Access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

Whereas, EMS fills critical healthcare gaps by providing important out-of-hospital care, including preventative medicine, follow-up care, and access to telemedicine; and

Whereas, EMS providers have gone above and beyond to adapt during the COVID-19 healthcare crisis, putting their own health and safety at risk to care for their communities; and

Whereas, EMS personnel continue to enhance their lifesaving skills through thousands of hours of specialized training and continuing education; and

Whereas, In observance of the EMS Recognition Week, attention must be given to the value and accomplishments of EMS agencies and providers who work around the clock in any type of emergency, dedicating their lives to save others; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 15-21, 2022, as Emergency Medical Services Week in the state of Michigan; and be it further

Resolved, That we encourage Michiganders to recognize all of the contributions made by EMS providers to the continued health, safety, and well-being of the people in our state.

House Resolution No. 300.

A resolution to urge the federal government to dismantle the Department of Homeland Security's Disinformation Governance Board and to respect free speech.

Whereas, For a constitutional republic to flourish, it is imperative that the government foster free speech, rather than stifle or censor it. Free speech and open discourse are vital rights in the United States of America; and

Whereas, The federal Department of Homeland Security has announced the creation of the Disinformation Governance Board, an internal working group, to purportedly safeguard against disinformation; and

Whereas, A federal "ministry of truth" that can curtail free speech and encroach on many liberties is a terrible and dangerous idea, no matter from where it emanates. The federal government must adhere to the First Amendment and not trample it. Instead of sowing the seeds to unduly restrict its citizens, the government should promote a free and open society; now, therefore, be it

Resolved by the House of Representatives, That we urge the federal government to dismantle the Department of Homeland Security's Disinformation Governance Board and to respect free speech; and be it further

Resolved, That copies of this resolution be transmitted to the Secretary of the Department of Homeland Security and the President of the United States of America.

The resolution was referred to the Committee on Military, Veterans and Homeland Security.

House Resolution No. 301.

A resolution to declare May 20, 2022, as Rotary Day in the state of Michigan.

Whereas, Rotary International, was founded on February 23, 1905, by Chicago attorney Paul Harris; and

Whereas, Rotary has grown into a global network of 1.4 million members comprised of business, professional, and community leaders in over 46,000 clubs in 200 countries, including thousands across the state of Michigan; and

Whereas, The Rotary motto "Service Above Self" inspires Rotarians to provide humanitarian service, encourage high ethical standards, and promote good will and peace in the world; and

Whereas, Rotary supports countless service projects aimed at uniting people and taking action to create lasting change by promoting peace, fighting disease, providing clean water, sanitation, and hygiene, saving mothers and children, supporting education, growing local economies, and protecting the environment; and

Whereas, In 1985, Rotary launched Polio Plus and spearheaded efforts alongside the World Health Organization, U.S Centers for Disease Control and Prevention, and UNICEF to immunize the children of the world against polio; and

Whereas, As a direct result of Rotary's efforts, polio cases have been reduced by 99.9% and the world presently stands on the threshold of eradicating the disease; and

Whereas, The Rotary Foundation has spent more than \$4 billion on life-changing, sustainable projects to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty since its founding over a century ago; and

Whereas, Rotarians from across southwestern Michigan will gather in Delta Township for Rotary International District 6360's annual District Conference on May 20 and 21, 2022, now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 20, 2022, as Rotary Day in the state of Michigan; and be it further
