Rep. Bradley Slagh, from the 90th District, offered the following invocation:

“The framework and basis of this prayer were borrowed from King Solomon as written in 1 Kings 8 of the Hebrew scriptures. Would you please pray with me.

O Heavenly Father, there is no God like You in the skies above or on the earth below Who unswervingly keeps covenant with His servants and relentlessly loves them as they seek to live in obedience to Your ways. You kept Your word to our fathers, Your promises—through the ages. Keep it up, God,

Can it be that God will actually move into our neighborhood, into our very hearts? How is that possible when the cosmos itself isn’t large enough to give Him breathing room, let alone our hearts and minds. Even so, I’m bold to ask: Pay attention to our prayers, both intercessory and personal. O God, our God, listen to our prayers, that we set before You right now. Keep Your eyes open to this place and to this body night and day. In this place may Your Name be honored. Listen from Your home in heaven and when You hear, forgive.

When disasters strike, famine or catastrophe, crop failure or disease, or when an enemy attacks our defenses—any calamity of any sort. Hear every prayer that’s uttered from anyone at all.

Listen from Your home in heaven. Heal our land and train us to live right and well.

Forgive and go to work on us, and for us. For You know each life from the inside (You’re the only one with such ‘inside knowledge’!) With a goal that we will live before You in lifelong reverent and believing obedience. If we live in right relationship to You, others will be attracted to our State and our Nation by Your great work among us, by Your wonder-working power

Listen from Your home in heaven.

May the works of our hands be so righteous and so well done that people all over the world will know who You are and what You’re like, and will live in reverent obedience before You.

When it is necessary to make a stand against enemies of our State and Nation hear our prayers for wisdom, give us strength of mind and strength of arm to defend our freedoms and our country.

Listen from heaven to what we pray and ask for, and answer us speedily.

When we sin against You give us wisdom to repent and turn back to You

Listen to our prayers from Your home in heaven and do what is best for us. Forgive us who have sinned against You; forgive us from our gross rebellions. We are, Your people

Be alert and attentive to the needy prayers of Your dear people; listen every time we cry out to You! You handpicked these members from all the people in Michigan to be Your servants here today, help us to play an active role for the benefit of Your kingdom, today and for eternity as we do the business set before us.

In the name of Jesus our Messiah.

Amen.”

The Speaker Pro Tempore assumed the Chair.

Rep. Frederick moved that Reps. Jones and Whitsett be excused from today’s session.

The motion prevailed.

Motions and Resolutions

Reps. Fink, Beeler, Carra, Meerman, Allor, Bollin and Bezotte offered the following resolution:

House Resolution No. 323.

A resolution to urge Congress to repeal the William D. Ford Federal Direct Loan Program.

Whereas, The William D. Ford Federal Direct Loan Program, authorized under Title IV of the Higher Education Act of 1965, is the U.S. Department of Education's federal student loan program. The program provides Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS Loans, and Direct Consolidation Loans to eligible borrowers; and

Whereas, Despite having been established to make higher education an attainable reality for all Americans, the federal students loans program has instead facilitated a new array of problems, including precipitous rise of tuition costs, making higher education more expensive and unaffordable for many Americans; and

Whereas, The loans have also contributed to a student loan debt crisis in the United States, with about 45 million borrowers holding over \$1.6 trillion in federal student loan debt alone. The average amount owed is nearly \$30,000 per borrower. Student loan debt is now the second highest consumer debt category behind mortgage debt; and

Whereas, The massive amount of student loan debt is a burden on the entire economy. Because of this debt, many Americans are struggling to become homeowners, save for retirement, and contribute to the economy in other ways; and

Whereas, In response to financial and economic hardships caused by the COVID-19 pandemic, the U.S. Department of Education announced a pause on student loan repayment, interest, and collections in 2020. After several extensions, the pause is currently set to end on August 31, 2022; and

Whereas, The Consumer Financial Protection Bureau recently found that over five million people face serious financial risk once payments resume. Borrowers who face difficulty paying their debt face delinquency and default; and

Whereas, If borrowers can no longer be expected to pay their student loan debt, the federal government must stop issuing it. Additionally, discontinuing the issuance of federal student loans could prevent economic crises in the future; now therefore be it

Resolved by the House of Representatives, That we urge Congress to repeal the William D. Ford Federal Direct Loan Program; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Education.

Rep. Thanedar offered the following resolution:

House Resolution No. 324.

A resolution to condemn antisemitism and urge Michigan leaders to prevent, report, and address incidents of antisemitism.

Whereas, The Jewish-American experience is a story of faith, fortitude, and progress and is connected to key tenets of the American identity. Generations of Jewish people have come to this nation fleeing oppression, discrimination, and persecution in search of a better life for themselves and their children. These Jewish Americans have created lives for themselves and their families and have played indispensable roles in our nation's civic and community life, making invaluable contributions to our nation through their leadership and achievements. On August 21, 1790, President George Washington sent a letter to the Hebrew Congregation of Newport, Rhode Island, expressing that the newly formed United States would be a nation that "gives to bigotry no sanction, to persecution no assistance" and wished that the Jewish people "who dwell in this land continue to merit and enjoy the good will of the other Inhabitants ... and there shall be none to make him afraid." We should acknowledge and celebrate the crucial contributions that Jewish Americans have made to our collective struggle for a more just and fair society, leading movements for justice and equality and working to ensure opportunities for all; and

Whereas, Alongside this narrative of achievement and opportunity, there is also a history, far older than the nation itself, of racism, bigotry, and other forms of prejudice manifesting in the scourge of antisemitism. Antisemitism is an insidious form of prejudice stretching back millennia that attacks the humanity of the Jewish people and has led to violence, the destruction of lives and communities, and genocide. Conspiracy theories that Jewish people are uniquely evil and influential have led to mass killings of Jewish people throughout time, including the poisonous Nazi ideology that resulted in the murder of 6,000,000 Jewish people, including 1,500,000 Jewish children, and millions of other victims of the Nazis in Europe; and

Whereas, Over the course of the past decade, Holocaust distortion and denial has grown in intensity. A 2020 survey of all 50 states in the United States on Holocaust knowledge among Millennials and Gen Z, conducted by the Conference on Jewish Material Claims Against Germany (Claims Conference), found a clear lack of awareness of key historical facts. Sixty-three percent of respondents did not know that 6,000,000 Jewish people were murdered during the Holocaust, and 36 percent thought that "two million or fewer Jews" were killed; and

Whereas, Michigan residents are not immune from believing these falsehoods. The 2020 Claims Conference study found that, among Michiganians between ages 18 and 39, 14 percent of respondents believed that Jewish people caused the Holocaust, more than the 11 percent who believed this nationwide. Twice as many respondents in Michigan outright denied that the Holocaust happened, compared to the national result of 3 percent. And a higher proportion of respondents from Michigan, 18 percent, reported having seen Nazi symbols both in their community and on social media, than the 13 percent reported for the whole United States; and

Whereas, There is a documented and dangerous rise of antisemitism globally and in the United States. In this country, Jewish people are increasingly affected by the grotesque spread of misinformation and lies, including blame for the spread of COVID-19; false claims, including the control of the media and the financial system; accusations of dual loyalty; and a multitude of negative stereotypes. The use of antisemitic language, conspiracy theories, and hatred has increased on multiple social media platforms, including Facebook, Instagram, Twitter, and TikTok, including tropes about Jewish control and messages praising Hitler and demonizing all Jewish people; and

Whereas, There have been numerous incidents of antisemitism in the 2020s, as documented by the American Jewish Committee (AJC), the Federal Bureau of Investigation (FBI), and the Anti-Defamation League (ADL). These incidents are increasing at an alarming rate; and

Whereas, The American Jewish Committee (AJC)'s 2021 State of Antisemitism in America report is a survey of American Jewish people and the general public's perceptions of antisemitism. This report revealed that 24 percent of Jewish Americans have been personally targeted by antisemitism in the past 12 months; 4 in 10 Jewish Americans changed their behavior at least once out of fear of antisemitism; 90 percent believe antisemitism is a problem in the United States; and 82 percent feel it has increased in the past 5 years; and

Whereas, According to the Federal Bureau of Investigation, Jewish people were the target of almost 55 percent of religiously motivated hate crime incidents in 2020: 683 out of 1,244 incidents. This is a massively disproportionate share of hate crimes, considering that only about 2.6 percent of those who report having any religious preference are Jewish, based on data gathered in Gallup polls; and

Whereas, The Anti-Defamation League (ADL) reported sharp increases in antisemitism in 2021, compared to 2020. The ADL's 2021 Audit of Antisemitic Incidents in the United States recorded 2,717 acts of assault, vandalism, and harassment this past year alone, an average of more than 7 incidents per day. This was a 34-percent increase from 2020 and the highest year on record since ADL began tracking antisemitic incidents in 1979. In 2021, 525 antisemitic incidents took place at Jewish institutions, an increase of 61 percent over data collected in 2020, and antisemitic assaults increased by 167 percent in 2021, compared to 2020. This increase is partially attributable to a substantial surge of antisemitic incidents in May 2021, during a military conflict between Israel and Hamas that began on May 10 and lasted through the end of the month. During the conflict, 297 antisemitic incidents were reported, a 141 percent increase compared to 2020. Jewish individuals were violently attacked in major cities, including New York and Los Angeles, and many of the perpetrators explicitly referred to Israel or Zionism; and

Whereas, According to the ADL, Michigan was the state with the fifth highest number of antisemitic incidents in 2021. Out of a total of 2,717 incidents in the United States, 112 occurred in Michigan, or about 4 percent. This was out of proportion to the state's population in that year, which was ranked 10th in the United States, with about 3 percent of the nation's people, based on data from the United States Census Bureau. In March 2021, a social media content creator harassed customers at a Kosher market in Michigan; and

Whereas, There are regular acts of antisemitic vandalism against synagogues and Jewish schools in the United States, and numerous nonlethal attacks have been made on Jewish Americans, leaving many Jewish people feeling increasingly unsafe in public spaces and houses of worship. In October 2018, 11 people were shot and killed at the Tree of Life Congregation in Pittsburgh. The ACJ's 2021 State of Antisemitism in America report revealed that 56 percent of respondents' religious institutions had increased security since this shooting. A recent example of violent antisemitism took place on Saturday, January 15, 2022. During religious services at Congregation Beth Israel, a terrorist held 4 people, including a rabbi, hostage at gunpoint for 11 hours. Following this hostage situation, police departments in a number of American cities, including New York and Los Angeles, have said that they are stepping up patrols at synagogues and other locations associated with the Jewish community; and

Whereas, Harassment at Jewish institutions also occurs in Michigan. The ADL reports that Witness for Peace, an antisemitic and anti-Israel group led by a Holocaust denier, has been protesting outside an Ann Arbor synagogue since 2003. As of 2021, they held protests every week, carrying signs with slogans such as "Israel: No Right to Exist" and "Heil Hitler!"; and

Whereas, The rise in antisemitism is part of the larger trend of the rise of hate-filled movements that are targeting marginalized communities here in the United States, and especially in Michigan; now, therefore, be it

Resolved by the House of Representatives, That we condemn antisemitism in all forms, by all actors, wherever it occurs, as an affront to basic human decency and a civilized society; and be it further

Resolved, That we urge all Michigan community leaders to take steps to prevent antisemitism and report any antisemitic incidents to local law enforcement, the Michigan Attorney General's Hate Crimes Unit, or the Michigan Department of Civil Rights; and be it further

Resolved, That we urge the Michigan Attorney General and Michigan Department of Civil Rights to investigate and address the ongoing and rising cases of antisemitism in Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Attorney General, the Governor of Michigan, and the Director of the Michigan Department of Civil Rights.

The resolution was referred to the Committee on Judiciary.

By unanimous consent the House considered **House Resolution No. 326** out of numerical order.

Reps. Tate, Breen, Tyrone Carter, Haadsma, Hertel, Morse, Sneller, Steenland and Young offered the following resolution:

House Resolution No. 326.

A resolution to strongly urge the United States Air Force to replace the fleet of A-10 Thunderbolt Attack Fighters at Selfridge Air National Guard Base with an advanced generation fighter mission.

Whereas, Selfridge Air National Guard Base (ANGB) is intrinsically designed to meet the priorities of the 2022 National Defense Strategy. Selfridge offers an immediate fighter aircraft basing solution with existing infrastructure, manpower, and unconstrained access to advanced multi-domain training ranges. A fighter mission at Selfridge complements Michigan's National All Domain Warfighting Center which prepares warfighters for future conflicts against peer adversaries, and is strategically located between 42 and 48 degrees latitude. Michigan is the backstop for Defense of the Homeland and is capable of projecting power in all domains through a combat-credible force, in cooperation with allies and partners; and

Whereas, Selfridge ANGB has a long and proud history of flying fighter aircraft dating back almost 100 years. The base is home to the 127th Wing, a highly respected warfighting unit currently flying A-10s and KC-135s. The 127th Wing has been essential in providing combat air support to the Middle East in recent years; and

Whereas, Selfridge ANGB is a joint military community with existing infrastructure; efficient flight times to the largest overland airspace complex east of the Mississippi River; significant overwater and littoral training opportunities, and easy access to northern Michigan training facilities in Alpena and Grayling; and

Whereas, Selfridge ANGB is located north of Detroit on the shore of Lake Saint Clair and is in close proximity to the Detroit metropolitan area and a major airline hub. The base offers a focal point for gaining and retaining the highest quality pilots and maintenance personnel; and

Whereas, Divestment of the A-10 fleet in fiscal year 2027 will result in a loss of 21 aircraft and 611 personnel, including 246 full-time employees. This will result in a negative economic impact of about \$44,520,000 annually to the State of Michigan; and

Whereas, Selfridge ANGB is a source of community pride and jobs, with a local economic benefit worth hundreds of millions of dollars to residents and businesses in several surrounding cities and townships. In addition, the base is a key component of disaster response for the entire state and a vital base for our nation's homeland defense; now, therefore, be it

Resolved by the House of Representatives, That we strongly urge the United States Air Force to replace the fleet of A-10 Thunderbolt Attack Fighters at Selfridge Air National Guard Base with an advanced generation fighter mission; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan congressional delegation and the Secretary of the Air Force.

The resolution was referred to the Committee on Military, Veterans and Homeland Security.

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 328.

A resolution of tribute to for the Honorable Jim Lilly.

Whereas, It is with gratitude that we recognize Representative Jim Lilly for his work on behalf of the citizens of Michigan, and in particular, his constituents in the Eighty-Ninth District. Throughout his tenure in the House, his hard work has benefited not only the people of Park Township and Ottawa County, but all of Michigan's citizens; and

Whereas, Jim Lilly joined the Legislature in 2017, bringing with him a wealth of knowledge in finance and economic development. Representative Lilly holds a Bachelor's degree in Economics and Finance from John Carroll University and a Master's degree in Business Administration from Grand Valley State University. Before joining the Legislature, he applied his expertise through his work as Vice President and Commercial Banking Team Leader at a community bank in West Michigan; and

Whereas, Since his election to the House of Representatives in 2016, Jim Lilly has demonstrated a deep commitment to improving the lives of his constituents in the Eighty-Ninth District. He served with distinction as the Chair of the Rules and Competitiveness Committee and was also a member of the Legislative Council. Prior to his work on the Rules and Competitiveness Committee and Legislative Council, he was a member of House committees on Government Operations, Ways and Means, Elections and Ethics, Financial Services, Michigan Competitiveness, and Education Reform. His dedication and integrity stand as a clear example of what it takes to be a successful public servant and strong leader; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of tribute to commend and thank the Honorable Jim Lilly for his notable contributions to this legislative body and to our state; and be it further

Resolved, That copies of this resolution be transmitted to Representative Lilly as evidence of our appreciation and best wishes as he leaves this legislative body.

By unanimous consent the House considered **House Resolution No. 327** out of numerical order.

Reps. Breen, Bollin, Tyrone Carter, Haadsma, Hertel, Hope, Kuppa, Liberati, Morse, Sneller, Steenland, Thanedar, Witwer and Young offered the following resolution:

House Resolution No. 327.

A resolution to declare July 2022 as Cleft and Craniofacial Awareness Month in the state of Michigan.

Whereas, Cleft lip and cleft palate are birth defects that occur when a baby's lip or mouth do not form properly before birth. Together, these birth defects commonly are called "orofacial clefts" or "oral clefts" (OFCs). Affecting 1-2 per 1,000 newborns, together they are among the more common birth defects and the most common affecting the face; and

Whereas, The Centers for Disease Control and Prevention (CDC) recently estimated that each year 2,651 babies in the United States are born with a cleft palate and 4,437 babies are born with a cleft lip (with or without a cleft palate); and

Whereas, In Michigan, from 1992 to 2010, the incidence of OFC was about 1 in 637 live births (15.7 cases per 10,000 live births) with an average number of 75 cases of cleft palate and 130 cases of cleft lip (with or without cleft palate) each year; and

Whereas, These birth defects happen early during pregnancy, by 5 to 6 weeks after conception for cleft lip and by about 10 weeks after conception for cleft palate. A baby can have a cleft lip, a cleft palate, or both. A cleft may affect one side of the lip and/or palate (unilateral) or both sides (bilateral) and may disrupt the formation of the nose and/or extend into the gum or upper jawbone; and

Whereas, Without proper medical intervention, the quality of life of these newborn children are negatively impacted. Children with orofacial clefts often have problems with feeding and talking. They might also have ear infections, hearing loss, and problems with their teeth. These children usually require one or more surgeries early in life, as well as special feeding techniques, orthodontic care and/or speech therapy. Severity varies with the degree of clefting and with the presence of other birth defects. In extreme cases, death may result; and

Whereas, Children who can have their orofacial clefts treated are better positioned to live healthy and productive lives in the same manner as children who are not born with clefts; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2022 as Cleft and Craniofacial Awareness Month in the state of Michigan. We encourage increased awareness and recognition to these birth defects and those who live with them.

House Resolution No. 325.

A resolution to declare July 24, 2022, as Law Enforcement Spouses Day in the state of Michigan.

Whereas, Spouses of law enforcement officers face unique challenges in their everyday life; and
Whereas, Spouses of law enforcement officers are unsung heroes on duty 7 days a week, 24 hours a day caring for their families, always prepared for unexpected changes; and
Whereas, Spouses of law enforcement officers on a daily basis fulfill their responsibilities dutifully while they are never guaranteed a partner to return from the line of duty; and
Whereas, Spouses of law enforcement officers make innumerable selfless personal sacrifices to support their partners and family; and
Whereas, Spouses of law enforcement officers continually support and care for their partners through the immense mental and physical challenges of the profession; and

Senate Concurrent Resolution No. 23.

A concurrent resolution to request the Joint Committee on the Library of Congress approve the replacement of Michigan's statue of Lewis Cass with a statue of Coleman A. Young as part of the National Statuary Hall Collection and to take other actions related to this request.

Whereas, Congress authorized the creation of the National Statuary Hall Collection in 1864 to provide an opportunity for each state to honor two distinguished people with statues at the U.S. Capitol. Currently, Lewis Cass and Gerald Ford represent the state of Michigan in the collection. The statues were placed in the U.S. Capitol in 1889 and 2011, respectively; and

Whereas, Federal law establishes a process by which states may request the replacement of a statue located in the National Statuary Hall Collection. The first step in the process is the state legislature adopting a resolution identifying the statue to replace and the person to be honored with a new statue; selecting the entity responsible for choosing the sculptor; and directing the method of obtaining funds to cover the necessary costs of the replacement. Federal law also requires that the state's governor submit a written request to provide a new statue to the Architect of the Capitol along with a description of the location in the state where the replaced statue will be displayed after it is transferred, and a copy of the resolution authorizing the replacement; and

Whereas, A statue of Lewis Cass was placed in the U.S. Capitol on behalf of Michigan in the late 19th century in recognition of his service to the state of Michigan and United States. Lewis Cass served as a Governor of the Michigan territory, U.S. Senator from Michigan, U.S. Secretary of War, U.S. Secretary of State, and U.S. Ambassador to France during his career; and

Whereas, Honoring Lewis Cass with a statue in the National Statuary Hall Collection is no longer consistent with the values of the people of Michigan. While Lewis Cass was an accomplished public figure, he played a prominent role in the implementation of President Andrew Jackson's Indian removal policy, was a proponent of allowing states and territories to permit slavery, and enslaved at least one person himself; and

Whereas, Coleman A. Young was the first African-American mayor of Detroit and one of the most accomplished leaders in Michigan's largest city's history. Young served his country as a bombardier and navigator with the Tuskegee Airmen during World War II. He demonstrated an early interest in justice and fairness, spearheading a protest against the exclusion of Blacks from segregated officers' clubs. Young became a union activist after the war and was elected to the Michigan Senate, serving for nine years. The people of Detroit elected him as their mayor for the first time in 1973, reelecting him four times over the next two decades. Young was known for championing needs of the city's Black community and for building coalitions among its business leaders. Under his leadership, the city saw the completion of a number of major projects, such as the Renaissance Center, Detroit People Mover, and Joe Louis Arena. Young's contributions to the city of Detroit and our entire state make him deserving of a place in the National Statuary Hall Collection; and

Whereas, The Michigan Statuary Hall Commission will select the sculptor and secure funding for this project; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we request the Joint Committee on the Library of Congress approve the replacement of Michigan's statue of Lewis Cass with a statue of Coleman A. Young as part of the National Statuary Hall Collection; and be it further

Resolved, That we urge the Governor to communicate approval of this replacement to the Architect of the Capitol and to sign an agreement with the Architect of the Capitol to replace the Lewis Cass statue with one of Coleman A. Young; and be it further

Resolved, That we hereby establish the Michigan Statuary Hall Commission. The commission will select an artist to sculpt the statue of Coleman A. Young. The commission shall be made up of five members, with one member appointed by each of the Governor, the Speaker of the House of Representatives, the Senate Majority Leader, the House Minority Leader, and the Senate Minority Leader; and be it further

Resolved, That the costs of this entire project, including the costs of creating, transporting, and placing both statues at their respective locations and the costs related to ceremonies that may be held in Lansing and Washington, D.C., will be paid for by donations and other funding secured by the Michigan Statuary Hall Commission; and be it further

Resolved, That copies of this resolution be transmitted to the Governor, the Architect of the Capitol, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the members of the Joint Committee on the Library of Congress.

The Senate has adopted the concurrent resolution.

Reps. Bezotte, Breen, Tyrone Carter, Haadsma, Harris, Hertel, Hope, Kuppa, Liberati, Morse, Sneller, Steenland, Thanedar, Weiss, Witwer, and Young were named co-sponsors of the concurrent resolution.

The concurrent resolution was referred to the Committee on Government Operations.
