SUMMARY:

House Bill 4658 would require the Department of Technology, Management, and Budget (DTMB), and all state agencies to which DTMB has delegated its procurement authority under the act, to publicly announce all procurement contract awards resulting from publicly posted solicitations within 48 hours of awarding the contract. The 48-hour period would exclude weekends and public holidays. DTMB or the procuring state agency would have to make available on a website at no cost both of the following regarding the procurement contract award:

- The name of the vendor that was awarded the procurement contract.
- The total dollar amount of the procurement contract award.

Proposed MCL 18.1262a

The bill is tie-barred to HB 4462,¹ which means it could not take effect unless HB 4462 were also enacted.

FISCAL IMPACT:

House Bill 4658 would have no fiscal impact on the state or on local units of government. DTMB currently posts the contract information required by the bill on its website, but under the bill would be required to do so within 48 hours.
