Notes: (1) FY 2021-22 year-to-date figures include mid-year budget adjustments through February 9, 2022. (2) Appropriation figures for all years include all proposed appropriation amounts, including amounts designated as “one-time.”

Overview

The Department of Health and Human Services (DHHS) includes programs and services to assist Michigan’s most vulnerable families, including public assistance programs, protecting children and assisting families by administering foster care, adoption, and family preservation programs and by enforcing child support laws, and funding for behavioral health (mental health and substance use disorder), public health, aging, crime victim, and medical services programs, including Medicaid and the Healthy Michigan Plan.

Major Budget Changes from FY 2021-22 YTD Appropriations

FY 2021-22 Year-to-Date (as of 2/9/22)	FY 2022-23 House Change
---	--

MEDICAID AND BEHAVIORAL HEALTH – GENERAL

1. Traditional Medicaid Cost Adjustment

Executive includes a reduction of \$328.8 million Gross (increase of \$194.5 million GF/GP) to recognize caseload, utilization, and inflation adjustments, removing the additional 6.2 percentage point increase to the state FMAP provided under the federal Families First Coronavirus Response Act and associated prohibition on closing Medicaid cases, and traditional FMAP cost-sharing adjustments from FMAP reducing from 65.48% to 64.71%, for medical and behavioral health services in the traditional Medicaid program. Compared to FY 2020-21 expenditures, and including actuarial soundness adjustments in item #3, State Budget Office forecasts an average annual increase of 5.5%. House concurs.

Gross	\$16,499,311,900	(\$328,811,600)
Federal	11,000,733,400	(660,819,600)
Local	50,496,500	11,015,900
Private	7,000,000	0
Restricted	2,158,300,300	126,451,900
GF/GP	\$3,282,781,700	\$194,540,200

2. Healthy Michigan Plan Cost Adjustment

Executive includes a reduction of \$373.0 million Gross (increase of \$5.2 million GF/GP) to recognize caseload, utilization, and inflation adjustments, and removing prohibition on closing Medicaid cases provided under the federal Families First Coronavirus Response Act for medical and behavioral health services in the Healthy Michigan Plan (HMP). Compared to FY 2020-21 expenditures, and including actuarial soundness adjustments in item #3, State Budget Office forecasts an average annual increase of 3.5%. House concurs.

Gross	\$5,767,637,700	(\$372,953,300)
Federal	5,172,523,800	(335,019,700)
Local	2,038,800	0
Private	200,000	0

	SFRF	41,900,000	(41,900,000)
	Federal	352,626,800	(352,626,800)
	GF/GP	\$121,358,300	(\$121,358,300)

Major Boilerplate Changes from FY 2021-22

GENERAL SECTIONS

Sec. 210. Contingency Fund Appropriations – RETAINED

Appropriates federal, state restricted, local, and private contingency funds of up to \$47 million total, available for expenditure when transferred to a line item through the legislative transfer process. Executive revises to increase maximum amounts for contingency appropriations for a total of up to \$290 million. House retains.

Sec. 215. Notification of Conflict with Federal Regulation or When Grant Unused – RETAINED

Requires DHHS to provide notice if: (a) a legislative objective in the budget or in a bill to amend the Social Welfare Act cannot be implemented due to conflict with federal regulations; or (b) an awarded federal grant cannot or will not be used. Executive deletes. House retains.

Sec. 218. Basic Health Services and Report – REVISED

Lists eight health services to be included in an annual list of proposed basic health services to be funded, as required under Part 23 of the Public Health Code; requires report. House revises to strike the list and report; and directs department to provide an annual list of proposed basic health services by October 1 to the Legislature.

Sec. 219. & 219a. Michigan Public Health Institute Contracts & Employment – 219 REVISED, 219A NEW

Allows DHHS to contract with the Michigan Public Health Institute (MPHI) for public health projects and related activities; requires report and provision of all work produced from prior fiscal year funding. House revises to restrict subcontracting, employment, contracts, or Board service by current employees of DHHS with MPHI or other agency contracting with DHHS; adds report, and legislative review of contracts over \$5 million or 36 months.

Major Boilerplate Changes from FY 2021-22

Sec. 222. Notification and Report of Policy Changes – RETAINED

Requires written notice of any major policy changes 30 days before implementation, requires policy manual to be available on DHHS website; and requires a report by April 1 on policy changes made to implement new public acts. Executive deletes notification requirement and report. House retains.

Sec. 231. Direct Care Worker Wage Increase and Report – REVISED

Requires DHHS to increase wages by up to \$2.35 per hour paid to direct care workers funded by DHHS appropriations, and states specific workers and wage increases to be supported. Includes provisions if a worker elects to reject the increase. Requires contractor reporting, and requires DHHS to report by March 1 including details on wages paid. House revises to require Medicaid managed care organizations of MI Choice, MI Health Link, and PIHPs to continue the direct care wage increase and to report quarterly to DHHS on direct care salaries paid, for DHHS to perform a market rate survey, and removes references to private child caring institutions, area agencies on aging, and long-term care (which is moved to new Sec. 1644).

Sec. 233. Legislative and State Administrative Board Transfers – RETAINED

Allows the legislature, by a concurrent resolution adopted by a majority of the members of each house, to inter-transfer funds if the State Administrative Board transfers funds from an amount appropriated in the DHHS budget. Executive deletes. House retains.

Sec. 237. Conditions on Funding Regarding COVID Information and Requirements - RETAINED

Prohibits DHHS from requiring proof of individual COVID-19 vaccination to access state facilities or services, creating a COVID vaccine passport, or providing COVID vaccine status of an individual to any entity or person without the individual's consent. Also prohibits DHHS from requiring proof of COVID vaccination as a condition of certain employment or subjecting an individual to negative employment consequences because of COVID vaccine status, and requires exemptions to any COVID vaccine policy required to be established due to a federal mandate. Executive deletes. House retains.

Sec. 238. Remote Work Restriction - NEW

House adds boilerplate that prohibits state employees who did not work remotely prior to February 28, 2020 from working remotely beginning October 1.

Sec. 239. Medicaid Reimbursement for Telemedicine - RETAINED

Requires DHHS to reimburse Medicaid telemedicine services the same as if the services involved face-to-face contact between the provider and patient; this applies to the non-facility component of the reimbursement rate. Executive deletes. House retains.

Sec. 240. Use of Existing Work Project Authorization – RETAINED

Establishes that appropriations in part 1 shall, to the extent possible, not be expended until all existing work project authorization available for the same purposes is exhausted. Executive deletes. House retains.

Sec. 258. Education Initiatives Regarding Trauma, Human Trafficking, and Sexual Abuse Prevention – RETAINED

Directs DHHS to collaboratively promote and support school and education initiatives including training regarding use of trauma-informed practices and age-appropriate information about human trafficking and sexual abuse prevention, and to provide a report by March 1. Executive deletes. House retains.

DEPARTMENTAL ADMINISTRATION AND SUPPORT

Sec. 301. Terminal Leave Payments – RETAINED

Requires that spending for terminal leave payments not exceed designated appropriations, unless a legislative transfer of funds from another line item supporting administrative costs is requested and approved. Executive deletes. House retains.

COMMUNITY SERVICES AND OUTREACH

Sec. 463. Runaway and Homeless Youth Grants – NEW

Executive authorizes DHHS to make allocations of TANF revenue only to agencies that report necessary data to the department for the propose of meeting TANF eligibility reporting requirements. House concurs.

CHILDREN'S SERVICES AGENCY – CHILD WELFARE

Sec. 527. Private Child Placing Agencies' Adoption Worker Caseloads – DELETED

Requires DHHS to exclude certain case types when calculating the adoption worker caseload for private agencies if approved by the settlement monitor. Executive and House delete.

Major Boilerplate Changes from FY 2021-22

Sec. 543. Child Abuse and Neglect Policy for Legal Proceedings – RETAINED

Requires DHHS to develop a clear policy that provides children who are victims of abuse or child neglect to provide input in the legal proceedings. Executive deletes. House retains.

Sec. 575. Kinship Caregiver Advisory Council – NEW

Executive requires DHHS to allocate \$200,000 to provide support and coordinated services to the kinship advisory council. Requires the establishment of a public awareness campaign to educate the public about kinship caregivers; consult and coordinate with kinship caregiver navigator program to collect data; establish, maintain, and update a list of local support groups and programs to provide services to kinship families; develop methods to promote and improve collaboration between states, counties, agencies, and stakeholders for improved services. House concurs.

PUBLIC ASSISTANCE

Sec. 603. Public Assistance Benefits Notification – RETAINED

Requires the department to provide timely notification to public assistance program beneficiaries if there will be a decrease in their benefits. Executive deletes. House retains.

BEHAVIORAL HEALTH SERVICES

Sec. 908. Uniform Community Mental Health Credentialing – RETAINED

States that contracts with PIHPs and CMHSPs must work toward implementing section 206b of the Mental Health Code on uniform community mental health services credentialing. Executive deletes. House retains.

Sec. 912. Salvation Army Harbor Light Program – RETAINED

Requires DHHS to contract with the Salvation Army Harbor Light Program for providing non-Medicaid substance use disorder services, if program meets standard of care. Executive deletes. House retains.

Sec. 927. Uniform Behavioral Health Service Provider Audits – RETAINED

Requires DHHS to create a uniform community mental health services auditing process for CMHSPs and PIHPs, outlines auditing process requirements, and requires a report. Executive deletes. House retains.

Sec. 960. Autism Services Cost Containment – RETAINED

Requires DHHS to continue to cover all autism services that were covered on January 1, 2019; to restrain costs required DHHS to develop written guidance for standardization; and requires 3-year reevaluations, unless a clinician recommended an earlier reevaluation, and require maintenance of statewide provider trainings, limits practitioners who can perform a diagnostic evaluation and requires evaluations performed by a master's level practitioner to be reviewed by a second practitioner, provide fidelity reviews and secondary approvals, and prohibit specific providers from providing both evaluation and treatment; requires a report. Executive deletes. House retains.

Sec. 970. Skill Building Assistance Services – RETAINED

Requires DHHS to maintain skill building assistance services policies in effect on October 1, 2018, and requires DHHS to continue to seek federal matching funds for skill building assistance services. Executive deletes. House retains.

Sec. 1062. 5-Year Inpatient Psychiatric Bed Plan – DELETED

Requires DHHS to report a 5-year plan to address need for public and private inpatient psychiatric beds for adults and children. Executive deletes. House deletes and removes associated funding.

PUBLIC HEALTH

Sec. 1151. Opioid Addiction Treatment Education Collaboration – RETAINED

Requires DHHS to coordinate with other state departments, law enforcement, and Medicaid health plans to work with substance use disorder providers to inform Medicaid beneficiaries of medically appropriate opioid addiction treatment options when an opioid prescription is completed, and to address other prescription drug and opioid abuse issues; requires a report by October 1. Executive deletes. House retains.

Major Boilerplate Changes from FY 2021-22

Sec. 1222. Essential Local Public Health Services - REVISED

Directs that essential local public health services line item funds be prospectively allocated to local public health departments for nine state and local cost-shared services, some provided in consultation with Department of Agriculture and Rural Development and Department of Environment, Great Lakes, and Energy; local public health departments are held to contractual standards and spending minimums; requires a report by December 1. States distribution formula required to be used, and that allocations shall not be less than the previous fiscal year. New subsection (4) directs that funding shall be unappropriated if a local health officer has an emergency order under Section 2453 of the Public Health Code in effect as of October 1, 2021; does not apply if a county board of commissioners passes a non-binding resolution to support any such emergency orders. Executive deletes subsection (4). House retains subsection (4), and adds new subsection (8) to require quarterly approval from the county board of commissioners of a local health department's quarterly budget for the state essential local public health services funding.

Sec. 1303. Contract Restrictions for Family Planning Local Agreements with State Funds – RETAINED

Prohibits DHHS from contracting with an organization that provides elective abortions, or abortion counseling or referrals, for services funded with certain state restricted or GF/GP funds. Prohibits an organization under contract with DHHS from subcontracting with an organization that provides elective abortions or abortion counseling or referrals, for services that are to be funded with certain state restricted or GF/GP funds. Executive deletes. House retains.

Sec. 1304. Prohibit Use of State Funds for Abortion Counseling, Referrals, or Services – RETAINED

Prohibits the use by DHHS or its grantees or subcontractors of state restricted or state general funds appropriated in the Family Planning Local Agreements line item or the Pregnancy Prevention Program line items for abortion counseling, referrals, or services. Executive deletes. House retains.

Sec. 1305. Contract Restrictions and Priorities for Family Planning and Pregnancy Prevention – REVISED

(1) Prohibits DHHS from contracting for family planning and pregnancy prevention services with an entity that engages in abortion activities under PA 360 of 2002, if another entity applies to provide those services that is not already engaged in abortion activities. (2) Requires DHHS to give a higher priority to a) contracting for services in counties where there are currently no contracts for services, before b) contracting for additional services by an entity that engages in abortion activities in a county where there are already services provided by an entity that does not engage in abortion activities. Executive deletes. House revises to make a technical correction to the legal citation for PA 360.

Sec. 1320. Family Planning and Pregnancy Prevention Media Campaign Messaging – RETAINED

States legislative intent that funds that may be expended for a public media campaign regarding publicly funded family planning or pregnancy prevention programs cannot be used to communicate any message that can be interpreted to mean that abortion is a method of family planning or pregnancy prevention. Executive deletes. House retains.

Sec. 1321. Revise Education Modules Regarding Sexual Abuse Prevention – REVISED

Allows DHHS to revise the Michigan Model for Health curriculum for 2 education health modules to include age-appropriate information about the importance of consent, setting and respecting personal boundaries, prevention of child sexual abuse, and prevention of sexual assault and dating violence. House revises to add prevention of human trafficking.

Sec. 1344. Title X and Title V Funds Replacement – NEW

House establishes that programs previously funded with federal family planning and maternal and child health block grant funding shall be funded with GF/GP and DHHS shall not contract for these programs with any vendor that provides abortion services.

Sec. 1347. Use of Funds for Activities Regarding Abortion or Human Embryo Use - RETAINED

Prohibits use of state funds for abortion counseling, referrals, or services, or for any activities regarding human cloning or research in which a human embryo is destroyed or discarded. Executive deletes. House retains.

MEDICAL SERVICES

Sec. 1501. Medicaid and Medicare Reimbursement Rate Comparison – NEW

House requires DHHS to assess Medicaid reimbursement rates to associated Medicare reimbursement rates and provide a legislative report. House also adds \$200,000 in part 1 for this report.

Sec. 1517. Actuarial Analysis – Specialty Medicaid Managed Care Health Plan – REVISED

Allocates funding to complete an actuarial analysis to assess the creation of a Medicaid managed care plan for children in foster care; provides for the requirements of specialty plan; and requires a report. Executive deletes. House removes associated funding and requires a report on implementation.

Major Boilerplate Changes from FY 2021-22

Sec. 1615. Encounter Claims Data Integrity – RETAINED

Requires the department to provide oversight of Medicaid claims encounter data to insure the integrity of actuarial rates; allows the department to request certain information from Medicaid health plans; and provides for the intent that the department conduct annual audits of Medicaid claims and provide for remedial actions to mitigate errors in actuarial rates. Executive deletes. House retains.

Sec. 1616. Community Health Workers – REVISED

Requires DHHS to consult with the federal government on allowable avenues to further utilize Community Health Workers as Medicaid providers; possible federal matching funds for services; and requires any expansion be geographically broad-based, evidence-based, and commensurate with applicable training. Executive deletes. House adds doulas and requires a report .

Sec. 1644. Direct Care Worker Wage Increase and Report – NEW

House requires DHHS to continue the direct care wage increase for direct care workers at skilled nursing facilities and direct care workers at adult foster care and homes for the aged. (Language moves from current Sec. 231.)

Sec. 1645. Nursing Facility Current Asset Value Bed Limit – REVISED

Allows DHHS to establish a class I nursing facility current asset value bed limit based on a rolling 15-year history of new construction; state legislative intent that annual increase not exceed 4%. Executive deletes. House requires the use of a rolling 15-year history of new construction.

Sec. 1647. Nursing Facility Quality Assurance Assessment Overcharge – NEW

House allows a nursing home or hospital long-term care unit that was overcharged the QAAP during either FY 2017-18 or 2018-19 to request a recalculation and refund.

Sec. 1792. Health Plan Pharmaceutical Encounter Data Report – RETAINED

Requires DHHS to evaluate pharmacy encounter data through the first 2 quarters of the fiscal year and to provide a report on the findings. Executive deletes. House retains.

Sec. 1803. Portable X-Ray and Ultrasound Provider Type – DELETED

Requires DHHS to maintain Medicaid rules to allow for billing and establish reimbursement for transportation charges related to portable x-ray services and requires policies be effective October 1 of the current fiscal year. Executive and House delete.

Sec. 1804. Identification of Medicaid Beneficiaries Who Are Veterans – RETAINED

Requires DHHS to work with the federal government's public assistance reporting information system to identify Medicaid recipients who are veterans and may be eligible for federal veteran's health care benefits, lists specific performance outcomes to be reported to the legislature and revise the wording in the public assistance application from "veteran" to "served in the military". Executive revises section to be permissive. House retains.

Sec. 1875. Prior Authorization for Certain Drugs – DELETED

Applies prior authorization prohibition to DHHS and its contractual agents for psychotropic medications, drugs for the treatment of HIV or AIDS, epilepsy/seizure disorder, or drugs for organ transplant therapy, if those drugs were either carved out or not subject to prior authorization procedures as of January 22, 2021, defines "prior authorization"; and requires DHHS to explore including medications for the treatment of Duchenne Muscular Dystrophy to the list of Medicaid prescriptions not subject to prior authorization. Executive and House delete.

Sec. 1879. Single Preferred Drug List – REVISED

Requires DHHS to maintain a standard preferred drug list for Medicaid managed care, requires any changes in the preferred drug list to be made in consultation with the Medicaid managed care organizations and the Pharmacy and Therapeutics Committee. Requires a report. House revises to require Medicaid managed care organizations to manage their own preferred drug lists, and for changes to the Medicaid managed care organization preferred drug lists to be made in consultation with the Pharmacy and Therapeutics Committee.

Sec. 1895. Nursing Home Variable Cost Component – NEW

Executive requires DHHS to adjust interim variable cost component at 102.5% of the interim rate provided on October 1, 2022, establishes quality assurance supplement formula, and requires DHHS to audit costs to establish a final audited rate. House concurs, with technical drafting edits.
