FISCAL IMPACT

Article 1 (FY 2021-22 Revenue Sharing): Article 1 of the bill provides FY 2021-22 Revenue Sharing line-item appropriations of \$1,412.7 million Gross and Restricted. This includes \$912.0 million for Constitutional Revenue Sharing grants, \$266.2 million for City, Village, and Township (CVT) Revenue Sharing, \$231.5 million for County Revenue Sharing and County Incentive Program payments, \$2.5 million for the Financially Distressed CVTs program, and \$433,000 for Coronavirus Relief Local Government Grant (CRLGG) reimbursement.

The Governor's recommendation included a one-time 2.0% increase for statutory revenue sharing for CVTs and counties, the Senate-passed budget included an ongoing 2.0% increase, the original House-passed budget included a one-time 1.0% increase, and the revised House recommendation includes an ongoing 1.0% increase and a one-time 1.0% increase. The Governor's recommendation, the Senate-passed budget, and the revised House recommendation all included \$2.5 million for Financially Distressed CVTs, and the original House-passed budget had reduced that amount to \$1,967,000. The Senate-passed budget included \$433,000 for CRLGG reimbursement payments, while the House-passed budget

included \$290,000 for CRLGG reimbursements and \$243,000 for December 2020 missed statutory revenue sharing payment reimbursements.

Article 2 (FY 2020-21 Supplemental): Article 2 of the bill provides supplemental appropriations using Federal Coronavirus State Fiscal Relief revenue for three purposes: \$2.7 million to increase funding for Secondary Road Patrol in the Department of State Police, \$160.0 million to hospitals in the State to help hospitals cover increased costs and reduced revenue during the COVID-19 pandemic, and \$100.0 million to long-term care facilities in the State to provide a \$23 per day increase to nursing facilities that have seen a census decline since the start of the COVID-19 pandemic.

All three supplemental items were included in Article 14 of the House-passed version of House Bill 4410 (H-1). The House-passed version also included the same boilerplate language for those items.

Tables 3 and 4 summarize the details of the appropriations in the two articles of the bill.
