FY 2020-21 Supplemental Boilerplate Items

Sec. 11r(5). ESSER II Per-Pupil Equalization – REVISED

Revises to exempt a district that closes for public health reasons from the requirement that a district provide 20 hours of in-person instruction by March 22, 2021.

Sec. 23b. COVID-19 Remediation Services – REVISED

Throughout section, revises "pupil" to "child."

Deletes requirement that a child must reside within the geographic boundaries of the district, intermediate district (ISD), or ISD in which the public school academy (PSA) is located in order to participate in a K-8 summer program. Maintains that the district, ISD, or PSA must determine the child is eligible, but revises provision encouraging this determination to be based on benchmark assessment data by expanding to also include local assessments and by adding consideration of academics, social-emotional and mental health risk, and student engagement.

Deletes requirement that a K-8 summer program must be provided in-person.
