3 within 120 days after the date of sale is not liable for the tax.

 29 from the taxpayer based on an indirect audit procedure or any other

1 information that is available or that may become available to the
2 department. That assessment is considered prima facie correct for

20 (5) If a taxpayer has filed all the required returns and has
21 maintained and preserved sufficient records as required under this
22 section, the department shall not base a tax deficiency
23 determination or assessment on any indirect audit procedure unless
24 the department has a documented reason to believe that any records
25 maintained or returns filed are inaccurate or incomplete and that
26 additional taxes are due.

27 (6) If ~~all the information is maintained as provided~~**required**
28 under section ~~12,~~**12(1) is maintained**, an exemption certificate **or**

16 the blanket exemption claim if that period is agreed to by the
17 buyer and taxpayer. Renewal of a blanket exemption claim or an
18 update of exemption claim information or data elements is not
19 required if there is a recurring business relationship between the
20 seller and the purchaser. For purposes of this subsection, a
21 recurring business relationship exists when a period of not more
22 than 12 months elapses between sales transactions.

23 (8) As used in this section:

24 (a) "Indirect audit procedure" is an audit method that
25 involves the determination of tax liabilities through an analysis
26 of a taxpayer's business activities using information from a range
27 of sources beyond the taxpayer's declaration and formal books and
28 records.

29 (b) "Sufficient records" means records that meet the

1 department's need to determine the tax due under this act.
