The People of the State of Michigan enact:

Sec. 5b. (1) To obtain a license to carry a concealed pistol, an individual shall apply to the county clerk in the county in which the individual resides. The applicant shall file the application with the county clerk in the county in which the applicant resides during the county clerk’s normal business hours. The application must be on a form provided by the director of the department of state police and allow the applicant to designate whether the applicant seeks an emergency license. The applicant shall sign the application under oath. The county clerk or his or her representative shall administer the oath. An application under this subsection is not considered complete until an applicant submits all of the required information and fees and has fingerprints taken under subsection (9). An application under this subsection is considered withdrawn if an applicant does not have fingerprints taken under subsection (9) within 45 days of the date an application is filed under this subsection. A completed application and all receipts issued under this section expire 1 year from the date of application. The county clerk shall issue the applicant a receipt for his or her application at the time the application is submitted containing the name of the applicant, the applicant’s state-issued driver license or personal identification card number, the date and time the receipt is issued, the amount paid, the name of the county in which the receipt is issued, an impression of the county seal, and the statement, “This receipt was issued for the purpose of applying for a concealed pistol license and for obtaining fingerprints related to that application. This receipt does not authorize an individual to carry a concealed pistol in this state.”. The application must contain all of the following:

(a) The applicant’s legal name, date of birth, the address of his or her primary residence, and his or her state-issued driver license or personal identification card number.

(b) A statement by the applicant that the applicant meets the criteria for a license under this act to carry a concealed pistol.

(c) A statement by the applicant authorizing the department of state police to access any record needed to perform the verification in subsection (6).

(d) A statement by the applicant regarding whether he or she has a history of mental illness that would disqualify him or her under subsection (7)(j) to (l) from receiving a license to carry a concealed pistol.

(e) A statement by the applicant regarding whether he or she has ever been convicted in this state or elsewhere for any of the following:

(i) Any felony.

(ii) A misdemeanor listed under subsection (7)(h) if the applicant was convicted of that misdemeanor in the 8 years immediately preceding the date of the application, or a misdemeanor listed under subsection (7)(i) if the applicant was convicted of that misdemeanor in the 3 years immediately preceding the date of the application.

(f) A statement by the applicant whether he or she has been dishonorably discharged from the United States Armed Forces.

(g) If an applicant does not have a digitized photograph on file with the secretary of state, a passport-quality photograph of the applicant provided by the applicant at the time of application.

(h) A certificate stating that the applicant has completed the training course prescribed by this act.

(2) The county clerk shall not require the applicant to submit any additional forms, documents, letters, or other evidence of eligibility for obtaining a license to carry a concealed pistol except as set forth in subsection (1) or as otherwise provided for in this act. The application form must contain a conspicuous warning that the application is executed under oath and that intentionally making a material false statement on the application is a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(3) An individual who intentionally makes a material false statement on an application under subsection (1) is guilty of a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(4) The county clerk shall retain a copy of each application for a license to carry a concealed pistol as an official record. One year after the expiration of a concealed pistol license, the county clerk may destroy the record and a name index of the record must be maintained in the database created in section 5e.

(5) Each applicant shall pay a nonrefundable application and licensing fee of \$100.00 by any method of payment accepted by that county for payments of other fees and penalties. Except as provided in subsection (9), no other charge, fee, cost, or assessment, including any local charge, fee, cost, or assessment, is required of the applicant except as specifically authorized in this act. The applicant shall pay the application and licensing fee to the county. The county treasurer shall deposit \$26.00 of each application and licensing fee collected under this section in the concealed pistol licensing fund of that county created in section 5x. The county treasurer shall forward the balance remaining to the state treasurer. The state treasurer shall deposit the balance of the fee in the general fund to the credit of the department of state police. The department of state police shall use the money received under this act to process the fingerprints and to reimburse the Federal Bureau of Investigation for the costs associated with processing fingerprints submitted under this act. The balance of the money received under this act must be credited to the department of state police.

(6) The department of state police shall verify the requirements of subsection (7)(d), (e), (f), (h), (i), (j), (k), and (m) through the law enforcement information network and the national instant criminal background check system and shall report to the county clerk all statutory disqualifications, if any, under this act that apply to an applicant.

If the applicant holds a valid concealed pistol license issued by another state at the time the applicant's residency in this state is established, the county clerk shall waive the 6-month residency requirement and the applicant may apply for a concealed pistol license at the time the applicant's residency in this state is established. (n) The applicant has a valid state-issued driver license or personal identification card.

(8) Upon entry of a court order or conviction of 1 of the enumerated prohibitions for using, transporting, selling, purchasing, carrying, shipping, receiving, or distributing a firearm in this section the department of state police shall immediately enter the order or conviction into the law enforcement information network. For purposes of this act, information of the court order or conviction must not be removed from the law enforcement information network, but may be moved to a separate file intended for the use of the department of state police, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.

(9) An individual, after submitting an application and paying the fee prescribed under subsection (5), shall request that classifiable fingerprints be taken by a county clerk, the department of state police, a county sheriff, a local police agency, or other entity, if the county clerk, department of state police, county sheriff, local police agency, or other entity provides fingerprinting capability for the purposes of this act. An individual who has had classifiable fingerprints taken under section 5a(4) does not need additional fingerprints taken under this subsection. If the individual requests that classifiable fingerprints be taken by the county clerk, department of state police, county sheriff, a local police agency, or other entity, the individual shall also pay a fee of \$15.00 by any method of payment accepted for payments of other fees and penalties. A county clerk shall deposit any fee it accepts under this subsection in the concealed pistol licensing fund of that county created in section 5x. The county clerk, department of state police, county sheriff, local police agency, or other entity shall take the fingerprints within 5 business days after the request. County clerks, the department of state police, county sheriffs, local police agencies, and other entities shall provide reasonable access to fingerprinting services during normal business hours as is necessary to comply with the requirements of this act if the county clerk, department of state police, county sheriff, local police agency, or other entity provides fingerprinting capability for the purposes of this act. The entity providing fingerprinting services shall issue the individual a receipt at the time his or her fingerprints are taken. The county clerk, department of state police, county sheriff, local police agency, or other entity shall not provide a receipt under this subsection unless the individual requesting the fingerprints provides an application receipt received under subsection (1). A receipt under this subsection must contain all of the following:

- (a) The name of the individual.
- (b) The date and time the receipt is issued.
- (c) The amount paid.
- (d) The name of the entity providing the fingerprint services.
- (e) The individual's state-issued driver license or personal identification card number.

(f) The statement "This receipt was issued for the purpose of applying for a concealed pistol license. As provided in section 5b of 1927 PA 372, MCL 28.425b, if a license or notice of statutory disqualification is not issued within 45 days after the date this receipt was issued, this receipt shall serve as a concealed pistol license for the individual named in the receipt when carried with an official state-issued driver license or personal identification card. The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms."

(10) The fingerprints must be taken, under subsection (9), in a manner prescribed by the department of state police. The county clerk, county sheriff, local police agency, or other entity shall immediately forward the fingerprints taken by that entity to the department of state police for comparison with fingerprints already on file with the department of state police. The department of state police shall immediately forward the fingerprints to the Federal Bureau of Investigation. Within 5 business days after completing the verification under subsection (6), the department shall send the county clerk a list of an individual's statutory disqualifications under this act. Except as provided in section 5a(4), the county clerk shall not issue a concealed pistol license until he or she receives the report of statutory disqualifications prescribed in this subsection. If an individual's fingerprints are not classifiable, the department of state police shall, at no charge, take the individual's fingerprints again or provide for the comparisons under this subsection to be conducted through alternative means. The county clerk shall not issue a notice of statutory disqualification because an individual's fingerprints are not classifiable by the Federal Bureau of Investigation.

(11) The county clerk shall send by first-class mail a notice of statutory disqualification for a license under this act to an individual if the individual is not qualified under subsection (7) to receive that license.

(12) A license to carry a concealed pistol that is issued based upon an application that contains a material false statement is void from the date the license is issued.

(13) Subject to subsection (10), the department of state police shall complete the verification required under subsection (6) and the county clerk shall issue a license or a notice of statutory disqualification within 45 days after the date the individual has classifiable fingerprints taken under subsection (9). The county clerk shall

include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. If the county clerk receives notice from a county sheriff or chief law enforcement officer that a licensee is no longer a member of a sheriff's posse, an auxiliary officer, or a reserve officer, the county clerk shall notify the licensee that he or she shall surrender the concealed pistol license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o. The licensee shall, within 30 days after receiving notice from the county clerk, surrender the license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o and obtain a replacement license after paying the fee required under subsection (15). If the county clerk issues a notice of statutory disqualification, the county clerk shall within 5 business days do all of the following:

(a) Inform the individual in writing of the reasons for the denial or disqualification. Information under this subdivision must include all of the following:

(i) A statement of each statutory disqualification identified.

(ii) The source of the record for each statutory disqualification identified.

(iii) The contact information for the source of the record for each statutory disqualification identified.

(b) Inform the individual in writing of his or her right to appeal the denial or notice of statutory disqualification to the circuit court as provided in section 5d.

(c) Inform the individual that he or she should contact the source of the record for any statutory disqualification to correct any errors in the record resulting in the statutory disqualification.

(14) If a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the individual has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) serves as a concealed pistol license for purposes of this act when carried with a state-issued driver license or personal identification card and is valid until a license or notice of statutory disqualification is issued by the county clerk.

(15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk that he or she has moved to a different address within this state for the purpose of receiving the notice under section 5l(1). A license to carry a concealed pistol that is lost, stolen, defaced, or replaced for any other reason may be replaced by the issuing county clerk for a replacement fee of \$10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(16) If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. The county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. The county clerk shall notify the department of state police if a license is suspended or revoked. The department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(17) An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of his or her application under this section upon request and the payment of a reasonable fee not to exceed \$1.00. The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(18) This section does not prohibit the county clerk from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

(19) A county clerk issuing an initial license or renewal license under this act shall mail the license to the licensee by first-class mail in a sealed envelope. Upon payment of the fee under subsection (15), a county clerk shall issue a replacement license in person at the time of application for a replacement license. A county clerk may also deliver a replacement license by first-class mail if the individual submits to the clerk a written request and a copy of the individual's state-issued driver license or personal identification card.

(20) A county clerk, county sheriff, county prosecuting attorney, police department, or the department of state police is not liable for civil damages as a result of issuing a license under this act to an individual who later commits a crime or a negligent act.

(21) An individual licensed under this act to carry a concealed pistol may voluntarily surrender that license without explanation. A county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. If an individual voluntarily surrenders a license under this subsection, the county clerk

shall notify the department of state police. The department of state police shall enter into the law enforcement information network that the license was voluntarily surrendered and the date the license was voluntarily surrendered.

(22) An executive order issued under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421, or 1945 PA 302, MCL 10.31 to 10.33, or an emergency order issued under section 2253 or 2453 of the public health code, 1978 PA 368, MCL 333.2253 or 333.2453, does not affect a county clerk's duty to do any of the following:

- (a) Issue a concealed pistol license under this section.
- (b) Provide fingerprinting services for the purposes of this act.

(23) An executive order issued under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421, or 1945 PA 302, MCL 10.31 to 10.33, or an emergency order issued under section 2253 or 2453 of the public health code, 1978 PA 368, MCL 333.2253 or 333.2453, does not affect the department of state police's, a county sheriff's, or a local police agency's duty to provide fingerprinting services for the purposes of this act.

(24) As used in this section:

(a) "Acceptable proof" means any of the following:

(i) For a retired police officer or retired law enforcement officer, the officer's retired identification or a letter from a law enforcement agency stating that the retired police officer or law enforcement officer retired in good standing.

(ii) For an individual who is employed or contracted by an entity described under section 50(1) to provide security services, a letter from that entity stating that the employee is required by his or her employer or the terms of a contract to carry a concealed firearm on the premises of the employing or contracting entity and his or her employee identification.
