by amending sections 17033 and 17533 (MCL 333.17033 and 333.17533),
as amended by 1994 PA 234.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 17033. (1) Notwithstanding the requirements of part 161,
2 the board may require a licensee seeking renewal of a license to
3 furnish the board with satisfactory evidence that during the 3
4 years immediately preceding application for renewal the licensee

1 has attended continuing education courses or programs approved by
2 the board totaling not less than 150 hours in subjects related to
3 the practice of medicine including, but not limited to, medical
4 ethics and designed to further educate licensees.

5 (2) As required under section 16204, the board shall
6 promulgate rules requiring each applicant for license renewal to
7 complete as part of the continuing education requirement of
8 subsection (1) an appropriate number of hours or courses in pain
9 and symptom management.

10 (3) **Beginning 12 months after the effective date of the**
11 **amendatory act that added this subsection, the board shall by rule**
12 **require an applicant for license renewal to complete as part of the**
13 **continuing education requirement of subsection (1) an appropriate**
14 **number of hours or courses on lead poisoning identification and**
15 **treatment. The hours or courses described in this subsection must**
16 **include content on all of the following:**

17 (a) **Screening of children who are 6 years of age or less for**
18 **lead poisoning.**

19 (b) **Physiological and behavioral signs of lead poisoning.**

20 (c) **The treatment needs of children with elevated blood lead**
21 **levels.**

22 (d) **Referring children with elevated blood lead levels to**
23 **appropriate state agencies.**

24 Sec. 17533. (1) Notwithstanding the requirements of part 161,
25 the board may require a licensee seeking renewal of a license to
26 furnish the board with satisfactory evidence that during the 3
27 years immediately preceding an application for renewal the licensee
28 has attended continuing education courses or programs approved by
29 the board and totaling not less than 150 hours in subjects related

1 to the practice of osteopathic medicine and surgery and designed to
2 further educate licensees.

3 (2) As required under section 16204, the board shall
4 promulgate rules requiring each applicant for license renewal to
5 complete as part of the continuing education requirement of
6 subsection (1) an appropriate number of hours or courses in pain
7 and symptom management.

8 (3) Beginning 12 months after the effective date of the
9 amendatory act that added this subsection, the board shall by rule
10 require an applicant for license renewal to complete as part of the
11 continuing education requirement of subsection (1) an appropriate
12 number of hours or courses on lead poisoning identification and
13 treatment. The hours or courses described in this subsection must
14 include content on all of the following:

15 (a) Screening of children who are 6 years of age or less for
16 lead poisoning.

17 (b) Physiological and behavioral signs of lead poisoning.

18 (c) The treatment needs of children with elevated blood lead
19 levels.
