15 is issued, and a credit assignment under this section is  
16 irrevocable. The credit assignment under this subsection shall be  
17 made on a form prescribed by the department.

18 (11) The amount of the credit under this section shall be

12 form prescribed by the office, along with any information or  
13 independent certification the office or department considers  
14 necessary to verify expenditures and calculate the amount of the  
15 credit. The department or office may request copies of the  
16 applicant's books and records for the qualified production and any  
17 other additional information it determines is necessary before  
18 issuing a qualified production certificate of completion and need  
19 not issue the qualified production certificate of completion until  
20 satisfied that qualified direct production expenditures, qualified  
21 personnel expenditures, and eligibility are adequately established.  
22 The additional information requested must include an itemized  
23 statement of qualified direct production expenditures and qualified  
24 personnel expenditures for the qualified production. The department  
25 shall verify the independent certified public accountant's report

27 and notify the office of the amount of the credit verified and to  
28 be awarded to the applicant within 45 days after receipt and the  
29 office shall process each request within 15 days after receiving

2 information or records describe the commercial and financial  
3 operations or intellectual property of the applicant, the  
4 information or records have not been publicly disseminated at any  
5 time, and disclosure of the information or records may put the  
6 applicant at a competitive disadvantage. For purposes of this  
7 subsection, information or records that describe commercial and  
8 financial operations do not include that portion of information or

27 under this section exceeds the tax liability of the applicant or  
28 assignee for the tax year or if the taxpayer claiming the credit  
29 does not have a tax liability under this part for the tax year,

1 that portion that exceeds the tax liability for the tax year shall  
2 not be refunded but may be carried forward to offset tax liability  
3 in subsequent tax years for 5 years or until used up, whichever  
4 occurs first. The department shall, as soon as the information is

16 applicant may claim a portion of a credit and assign the remaining  
17 credit amount. A credit assignment can only be made within the  
18 first year after the qualified production certificate of completion  
19 is issued, and a credit assignment under this section is  
20 irrevocable. The credit assignment under this subsection shall be  
21 made on a form prescribed by the department.

22 (11) The amount of the credit under this section shall be  
23 reduced by a redemption fee equal to 0.5% of the credit claimed,  
24 which shall be deducted from the credit otherwise payable to the  
25 applicant claiming the credit and be deposited by the department in  
26 the Michigan film promotion fund.

27 (12) An applicant that willfully submits information under  
28 this section that the applicant knows to be fraudulent or false  
29 shall, in addition to any other penalties provided by law, be

1 liable for a civil penalty equal to the amount of the applicant's  
2 credit under this section. A penalty collected under this section  
3 shall be deposited in the Michigan film promotion fund.
