

SENATE BILL NO. 136

February 16, 2021, Introduced by Senator OUTMAN and referred to the Committee on Environmental Quality.

A bill to amend 1994 PA 451, entitled
"Natural resources and environmental protection act,"
(MCL 324.101 to 324.90106) by adding section 8316c.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 **Sec. 8316c. (1) The department shall maintain a voluntary**
2 **registry of individuals who are required to be notified before the**
3 **application of a lawn or ornamental pesticide, other than a**
4 **general-use ready-to-use pesticide, but only if both of the**
5 **following conditions apply:**

1 (a) The pesticide application is on or adjacent to the
2 individual's property.

3 (b) There is a declared public health emergency that requires
4 the pesticide application.

5 (2) The registry created under subsection (1) must contain a
6 list of those properties adjacent to the individual's primary
7 residence. The notification to an individual listed in the registry
8 must meet both of the following requirements:

9 (a) Be provided by the means of contact specified in the
10 registry not less than 48 hours before the pesticide application.

11 (b) State that the pesticide is scheduled to be applied on or
12 adjacent to 1 or more properties listed in the registry.

13 (3) An individual who wishes to be notified before a pesticide
14 application shall annually apply on a form and in a manner
15 prescribed by the department. The individual must include on the
16 form detailed and accurate information on the individual's property
17 and a preferred means of contact for the notification.
