THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

Sec. 9o. (1) Beginning December 31, 2013, eligible personal property for which an exemption has been properly claimed under this section is exempt from the collection of taxes under this act.

(2) An owner of eligible personal property shall claim the
exemption under this section in 1 of the following ways, as applicable:

(a) For a claim of exemption as to eligible personal property under subsection (9)(c)(ii)(A), by filing a statement with the local tax collecting unit in which the eligible personal property is located not later than February 20 of the first year the exemption is claimed or, if February 20 of the first year the exemption is claimed is a Saturday, Sunday, or legal holiday, not later than the next day that is not a Saturday, Sunday, or legal holiday. For purposes of a statement delivered by the United States Postal Service, the filing is timely if the postmark date is on or before the filing deadline prescribed in this subsection. If the statement is not timely filed with the local tax collecting unit, a late submission may be filed directly with the March board of review before its final adjournment by submitting the statement prescribed in this subsection. The board of review shall not accept a filing after adjournment of its March meeting. An appeal of a denial by the March board of review may be made by filing a petition with the Michigan tax tribunal within 35 days of the denial notice. A statement filed under this subsection must be in a form prescribed by the state tax commission and must include any address where any property owned by, leased to, or in the possession of that owner or a related entity is located within that local tax collecting unit. In the statement, the owner shall attest that the combined true cash value of all industrial personal property and commercial personal property in that local tax collecting unit owned by, leased to, or in the possession of that owner or a related entity on December 31 of the immediately preceding year is less than
$180,000.00-$80,000.00.

(b) For a claim of exemption as to eligible personal property under subsection (9)(c)(ii)(B), by annually filing a statement of personal property under section 19 with the local tax collecting unit in which the eligible personal property is located. Together with the statement of personal property, the owner shall also file an affidavit attesting to the combined true cash value of all industrial personal property and commercial personal property in that local tax collecting unit owned by, leased to, or in the possession of that owner or a related entity on December 31 of the immediately preceding year, and that this combined true cash value is equal to or greater than $80,000.00 and less than $180,000.00. Local tax collecting units shall transmit to the department of treasury, in a form and manner prescribed by the department of treasury, summary information of all exemptions granted each year pursuant to filings made under this subdivision for purposes of providing the department of treasury with data needed to compensate municipalities for revenue lost as a result of those exemptions, as described in section 3a of the Michigan trust fund act, 2000 PA 489, MCL 12.253a.

(3) If a statement claiming the exemption under this section subsection (2)(a) is filed as provided in subsection (2)—(2)(a), the owner of that eligible personal property is not required to file a statement under section 19.

(4) A person who claims an exemption for eligible personal property under this section shall maintain books and records and shall provide access to those books and records as provided in section 22. A local unit of government may develop and implement an audit program that includes, but is not limited to, the audit of
all information submitted under subsection (2)(2)(a) for the
current calendar year and the 3 calendar years immediately
preceding the commencement of an audit. Any assessment as a result
of an audit must be paid in full within 35 days of issuance and
must include interest as described in subsection (5).

(5) An All of the following apply to an exemption granted
under this section pursuant to a claim of exemption filed under
subsection (2)(a):

(a) The exemption remains in effect until the personal
property is no longer eligible personal property under subsection
(9)(c)(ii)(A). An owner whose personal property is no longer
eligible personal property under subsection (9)(c)(ii)(A) shall do 1
of the following, as applicable:

(i) If the owner intends to claim that the property is eligible
personal property under subsection (9)(c)(ii)(B), refile for the
exemption under subsection (2)(b).

(ii) If the owner does not intend to claim that the property is
eligible personal property under subsection (9)(c)(ii)(B), file by
February 20 of the year that the property is no longer eligible a
rescission and the statement required under section 19. The
rescission must be filed on a form prescribed by the department of
treasury. Upon receipt of a rescission form, the local assessor
shall immediately remove the exemption.

(b) An owner who fails to file a rescission and whose property
is later determined to be ineligible for the exemption will be
subject to repayment of any additional taxes with interest as
described in this subsection subdivision. Upon discovery that the
property is no longer eligible personal property, the assessor
shall remove the exemption of that personal property and, if the
tax roll is in the local tax collecting unit's possession, amend
the tax roll to reflect the removal of the exemption, and the local
treasurer shall within 30 days of the date of the discovery issue a
corrected tax bill for any additional taxes with interest at the
rate of 1% per month or fraction of a month and penalties
computed from the date the taxes were last payable without interest
or penalty. If the tax roll is in the county treasurer's
possession, the tax roll must be amended to reflect the removal of
the exemption and the county treasurer shall within 30 days of the
date of the removal prepare and submit a supplemental tax bill for
any additional taxes, together with interest at the rate of 1%
1.25% per month or fraction of a month and penalties computed from
the date the taxes were last payable without interest or penalty.
Interest on any tax set forth in a corrected or supplemental tax
bill again begins to accrue 60 days after the date the corrected or
supplemental tax bill is issued at the rate of 1% per month
or fraction of a month. Taxes levied in a corrected or supplemental
tax bill must be returned as delinquent on the March 1 in the year
immediately succeeding the year in which the corrected or
supplemental tax bill is issued.

(6) If the assessor of the local tax collecting unit believes
that personal property for which a statement claiming an exemption
is timely and properly filed under subsection (2) is not eligible
personal property, the assessor may deny that claim for exemption
by notifying the person that filed the statement in writing of the
reason for the denial and advising the person that the denial may
be appealed to the board of review under section 30 during that tax
year.

(7) The assessor may deny a claim for exemption granted under
this section pursuant to a claim of exemption filed under
subsection (2)(b) for the current year and for the 3 immediately
preceding calendar years. If the assessor denies a claim for
exemption under this subsection, the assessor shall do 1 of the
following:

(a) If the assessor believes that the property qualifies as
eligible personal property under subsection (9)(c)(ii)(A), advise
the owner to refile for the exemption under subsection (2)(a).

(b) If the assessor determines that the property does not
qualify for the exemption under this section, remove the exemption
of that personal property and, if the tax roll is in the local tax
collecting unit's possession, amend the tax roll to reflect the
denial and the local treasurer shall within 30 days of the date of
the denial issue a corrected tax bill for any additional taxes with
interest at the rate of 1.25% per month or fraction of a month and
penalties computed from the date the taxes were last payable
without interest or penalty. If the tax roll is in the county
treasurer's possession, the tax roll must be amended to reflect the
denial and the county treasurer shall within 30 days of the date of
the denial prepare and submit a supplemental tax bill for any
additional taxes, together with interest at the rate of 1.25% per
month or fraction of a month and penalties computed from the date
the taxes were last payable without interest or penalty. Interest
on any tax set forth in a corrected or supplemental tax bill again
begins to accrue 60 days after the date the corrected or
supplemental tax bill is issued at the rate of 1.25% per month or
fraction of a month. Taxes levied in a corrected or supplemental
tax bill must be returned as delinquent on the March 1 in the year
immediately succeeding the year in which the corrected or
supplemental tax bill is issued.

(8) If a person fraudulently claims an exemption for personal property under this section, that person is subject to the penalties provided for in section 21(2).

(9) As used in this section:

   that is classified as industrial personal property under section
   34c or would be classified as industrial personal property under
   section 34c if not exempt from the collection of taxes under this

tax commission considers it necessary to require from any person a
statement of real property assessable to that person, it shall
notify the person, and that person shall submit the statement.

(4) A local tax collecting unit may provide for the electronic
filing of the statement required under subsection (2) or (3).

(5) A statement under subsection (2) or (3) must be in a

The board of review shall also meet for not less than at least 6 hours during the remainder of that week. Persons or their agents who have appeared to file a protest before the board of review at a scheduled meeting or at a scheduled appointment shall must be afforded an opportunity to be heard by the board of review. The board of review shall schedule a final meeting after the board of review makes a change in the assessed value or tentative taxable value of property, adds property to the assessment roll, or exempts personal property under section 9m, 9n, or 9o and removes it from the assessment roll. The board of review shall hold at least 3 hours of its required sessions for review of assessment rolls during the week of the second Monday in March after 6 p.m.

At the request of a person whose property is assessed on the assessment roll or of his or her agent, and if sufficient cause is shown, the board of review shall correct the assessed value or tentative taxable value of the property in a manner that will make the valuation of the property relatively just and proper under this act. For the appeal of a denial of a claim of exemption for personal property under section 9m, 9n, or 9o, or for an appeal under section 9o(7), if an exemption is approved, the board of review shall remove the personal property from the assessment roll. The board of review may examine under oath the person making the application, or any other person concerning the matter. A member of the board of review may administer the oath. A nonresident taxpayer may file his or her appearance, protest, and papers in support of the protest by letter, and his or her personal appearance is not required. The board of review, on its own motion, may change assessed values or tentative taxable values or add to the roll property omitted from the roll that is liable to assessment if the person who is assessed for the altered valuation or for the omitted property is promptly notified and granted an opportunity to file objections to the change at the meeting or at a subsequent meeting. An objection to a change in assessed value or tentative taxable value or to the addition of property to the tax roll shall must be promptly heard and determined. Each person who makes a request, protest, or application to the board of review for the correction of the assessed value or tentative taxable value of the person's property or for the exemption of that person's personal property under section 9m, 9n, or 9o shall must be notified in writing, not

tribunal. Information regarding the right of further appeal to the
tax tribunal shall include, but is not limited to, a statement
of the right to appeal to the tax tribunal, the address of the tax
tribunal, and the final date for filing an appeal with the tax
tribunal.

9n, or 9o is approved, the board of review shall file an affidavit
with the proper officials involved in the assessment and collection
of taxes and all affected official records shall be corrected. If the board of review does not approve an exemption under section
9m, 9n, or 9o, the person claiming the exemption for that personal
property may appeal that decision in writing to the Michigan tax
tribunal. A correction under this subsection that approves an
exemption under section 9o may be made for the year in which the
appeal was filed and the immediately preceding 3 tax years. A
correction under this subsection that approves an exemption under
section 9m or 9n may be made only for the year in which the appeal
was filed.

(6) After the board of review completes the review of the
assessment roll, a majority of the board of review shall indorse
the roll and sign a statement to the effect that the roll is the
assessment roll for the year in which it has been prepared and
approved by the board of review.

(7) The appropriate assessing officer shall deliver the
completed assessment roll shall be delivered by the appropriate
assessing officer to the county equalization director not later than the tenth day after the adjournment of the board of review, or the Wednesday following the first Monday in April, whichever date occurs first.

(8) The governing body of the township or city may authorize, by adoption of an ordinance or resolution, a resident taxpayer to file his or her protest before the board of review by letter without a personal appearance by the taxpayer or his or her agent. If that ordinance or resolution is adopted, the township or city shall include a statement notifying taxpayers of this option in each assessment notice under section 24c and on each notice or publication of the meeting of the board of review.
