by 2018 PA 602.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 32. (1) Definitions of words and phrases and rules of
2 construction prescribed in any statute that are made applicable to
3 all statutes of this state also apply to rules unless clearly
4 indicated to the contrary.

1 (2) A rule or exception to a rule must not discriminate in
2 favor of or against any person. A person affected by a rule is
3 entitled to the same benefits as any other person under the same or
4 similar circumstances.

5 (3) The violation of a rule is a crime if provided by statute.
6 Unless provided by statute, a rule must not designate an act or
7 omission as a crime or prescribe a criminal penalty for violation
8 of a rule.

9 (4) An agency may adopt by reference in its rules and without
10 publishing the adopted matter in full all or any part of a code,
11 standard, or regulation that has been adopted by an agency of the
12 United States or by a nationally recognized organization or
13 association. The reference must fully identify the adopted matter
14 by date and otherwise. The reference must not cover any later
15 amendments and editions of the adopted matter, but if the agency
16 wishes to incorporate them in its rule, it shall do so by amending
17 the rule or promulgating a new rule. The agency shall have
18 available copies of the adopted matter for inspection and
19 distribution to the public at cost and the rules must state where
20 copies of the adopted matter are available from the agency and the
21 agency of the United States or the national organization or
22 association and the cost of a copy as of the time the rule is
23 adopted.

24 (5) A guideline, operational memorandum, bulletin,
25 interpretive statement, or form with instructions is not
26 enforceable by an agency, is considered merely advisory, and must
27 not be given the force and effect of law. An agency shall not rely
28 upon a guideline, operational memorandum, bulletin, interpretive
29 statement, or form with instructions to support the agency's

1 decision to act or refuse to act if that decision is subject to
2 judicial review. A court shall not rely upon a guideline,
3 operational memorandum, bulletin, interpretive statement, or form
4 with instructions to uphold an agency decision to act or refuse to
5 act.

6 (6) If a statute provides that an agency may proceed by rule-
7 making or by order and an agency proceeds by order ~~in lieu~~ **instead**
8 of rule-making, the agency shall not give the order general
9 applicability to persons who were not parties to the proceeding or
10 contested case before the issuance of the order, unless the order
11 was issued after public notice and a public hearing.

12 (7) A rule must not exceed the rule-making delegation
13 contained in the statute authorizing the rule-making.

14 ~~(8) Except for an emergency rule promulgated under section 48,~~
15 ~~and subject to subsection (10), if the federal government has~~
16 ~~mandated that this state promulgate rules, an agency shall not~~
17 ~~adopt or promulgate a rule more stringent than the applicable~~
18 ~~federally mandated standard unless the director of the agency~~
19 ~~determines that there is a clear and convincing need to exceed the~~
20 ~~applicable federal standard.~~

21 ~~(9) Except for an emergency rule promulgated under section 48,~~
22 ~~and subject to subsection (10), if the federal government has not~~
23 ~~mandated that this state promulgate rules, an agency shall not~~
24 ~~adopt or promulgate a rule more stringent than an applicable~~
25 ~~federal standard unless specifically authorized by a statute of~~
26 ~~this state or unless the director of the agency determines that~~
27 ~~there is a clear and convincing need to exceed the applicable~~
28 ~~federal standard.~~

29 ~~(10) Subsections (8) and (9) do not apply to the amendment of~~

~~the special education programs and services rules, R 340.1701 to R 340.1862 of the Michigan Administrative Code. However, subsections (8) and (9) do apply to the promulgation of new rules relating to special education with the rescission of R 340.1701 to R 340.1862 of the Michigan Administrative Code.~~

If requested by the legislative service bureau, the office shall also transmit up to 4 paper copies of the proposed rule. The legislative service bureau shall promptly issue a certificate of approval indicating whether the proposed rule is proper as to all matters of form, classification, and arrangement. If the legislative service bureau fails to issue a certificate of approval within 21 calendar days after receipt of the submission for formal certification, the office may issue a certificate of approval. If the legislative service bureau returns the submission to the agency before the expiration of the 21-calendar-day time period, the 21-calendar-day time period is tolled until the rule is resubmitted by the agency. After resubmission, the legislative service bureau has the remainder of the 21-calendar-day time period or 6 calendar days, whichever is longer, to consider the formal certification of the rule. The office may approve a proposed rule if it considers the proposed rule to be legal and appropriate.
