The following message from the Governor was received:

June 23, 2021

Today I signed Senate Bill 37, sponsored by Senator Jim Stamas. This bipartisan bill is the result of good-faith efforts by members of the legislature and is a testament to what we can do together: make a real difference in people’s lives right now. With life getting back to normal, we are turning full attention to our state’s economic jumpstart by creating jobs with higher wages, giving small businesses the needed capital to ramp up hiring and boost investment, and making sure every family has access to affordable, quality childcare.

To provide direction regarding the implementation of this appropriations act, I note that section 203 is unenforceable for the reasons outlined in the transmittal letter attached to Senate Bill 748 of 2020.

Sincerely,

Gretchen Whitmer

Governor

**Resolutions**

Senator LaSata offered the following resolution:

**Senate Resolution No. 69.**

A resolution to recognize July 2021 as Dark Sky Awareness Month.

Whereas, Empirical evidence shows the negative effects light pollution has on both the human population and the environmental health as a whole; and

Whereas, Using inefficient outdoor lighting causes light pollution and obstructs the full view of the amazing Michigan sky and its surrounding environment; and

Whereas, We aim to spread awareness about this growing problem, minimize the issues associated with light pollution, and preserve the beauty of our state’s environment and night sky; and

Whereas, July has the highest visibility to view dark skies, making it a great opportunity to support and recognize all that dark sky parks offer; and

Whereas, Michigan was the first state in the Union to initiate Dark Sky Preserves; and

Whereas, There are eight dark sky preserves in Michigan, two of which are internationally designated dark sky parks; and

Whereas, Our state is best known for two internationally designated dark sky parks, Headlands International Sky Park in Mackinaw City and Dr. T.K Lawless Park in Vandalia; and

Whereas, These parks are designated areas that allow for thousands of astrotourists to see the true beauty of the Michigan night sky, and to observe the wonder of meteorological events such as the Northern Lights; and

Whereas, Astrotourism helps bring awareness of the effect light pollution can have on our state; now, therefore, be it

Resolved by the Senate, That the members of this legislative body recognize July 2021 as Dark Sky Month; and be it further

Resolved, That we continue to support the success of dark sky parks across Michigan and show continued devotion to preserving access to the night sky.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Lauwers moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senator Bayer was named co-sponsor of the resolution.

Senator Barrett offered the following resolution:

**Senate Resolution No. 70.**

A resolution to commemorate June 27, 2021, as Post-Traumatic Stress Injury (PTSI) Awareness Day.

Whereas, The brave men and women of the United States (U.S.) Armed Forces risk their lives to protect the freedom of the United States and deserve the investment of every possible resource to ensure their lasting physical, mental, and emotional well-being; and

Whereas, More than 2,000,000 U.S. service members have deployed as part of overseas contingency operations since the events of September 11, 2001; and

Whereas, The military has sustained an operational tempo for a period of time unprecedented in the history of the U.S., with many service members deploying multiple times to combat zones, placing them at high risk of PTSI; and

Whereas, It is expected that ten thousand veterans will return to the state of Michigan every year for the next three to five years after spending a significant amount of time in combat environments, exposing thousands of soldiers to traumatic life threatening events; and

Whereas, In fiscal year 2012, the U.S. Department of Veterans Affairs reported that more than 500,000 veterans from all wars who sought care at a Department of Veterans Affairs medical center received treatment for PTSI; and

Whereas, PTSI significantly increases the risk of depression, suicide, and drug or alcohol-related disorders and deaths; and

Whereas, Thousands of Michigan corrections professionals who perform a critical and dangerous job protecting the public suffer health detriments due to high stress and potentially traumatic occupational experiences. Recent studies have shown that nearly 33.7 percent of surveyed corrections officers are estimated to be PTSI positive in this state; and

Whereas, The U.S. Department of Defense and the U.S. Department of Veterans Affairs have made significant advances in the causes, symptoms, prevention, diagnosis, and treatment of PTSI. However, many challenges remain; and

Whereas, The establishment of a Post-Traumatic Stress Injury Awareness Day in Michigan raises public awareness about issues related to PTSI; now, therefore, be it

Resolved by the Senate, That the members of this legislative body commemorate June 27, 2021, as Post-Traumatic Stress Injury (PTSI) Awareness Day; and be it further

Resolved, That we urge the Michigan Veterans Affairs Agency and the Adjutant General to continue working to educate service members, veterans, the families of service members and veterans, and the public about the causes, symptoms, and treatment of PTSI; and be it further

Resolved, That a copy of this resolution be transmitted to the Governor of the state of Michigan.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Lauwers moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senator Bayer was named co-sponsor of the resolution.

Senators Brinks, Moss, Chang, Irwin, Wojno, McCann, McMorrow, Bayer and Bullock offered the following resolution:

**Senate Resolution No. 71.**

A resolution to commemorate July 2021 as Craft Beer Month.

Whereas, Michigan craft brewers are a vibrant affirmation and expression of our entrepreneurial traditions, operating as community-based small businesses and providing full time employment for more than 21,000 workers; and

Whereas, Our state has craft breweries in every region and more than 400 craft brewers statewide; and

Whereas, Every July, The Michigan Brewers Guild celebrates locally made beer by hosting a Summer Festival, one of five annual events; and

Whereas, The Michigan Brewers Guild is a passionate beer community that believes in quality artisanship, bold character, fun, responsibility, and pushing the boundaries while promoting and protecting the Michigan beer industry with an overarching goal to help locally brewed beer attain 20 percent of all beer sales in the state by 2025; and

Whereas, Michigan ranks sixth in the nation for overall number of breweries, microbreweries, and brewpubs; and

Whereas, Craft brewers support our state's agriculture by purchasing hops, malted barley, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, spices, and vegetables grown here, along with water sourced from the Great Lakes; and

Whereas, Michigan craft brewers promote a spirit of independence through a renaissance in handcrafted beers like those first brought to our state by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Striving to educate legal drinking-age residents, Michigan craft brewers convey awareness about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, beer history, and gastronomic qualities of beer; and

Whereas, Michigan craft brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Craft brewers in our state produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many, while also contributing to balanced trade with both the increase of state exports and the promotion of our state's tourism; and

Whereas, Michigan craft brewers have shown a successful business model by contributing more than \$914 million in labor income with a total economic contribution of more than \$2.5 billion, thriving and expanding to further their economic importance to the state; and

Whereas, Michigan craft brewers are vested in the future, health, and welfare of their communities as employers provide a diverse array of quality local jobs. In addition, brewers are contributors to the local tax base, and are committed partners for a broad range of local, regional, and state nonprofit organizations and other philanthropic causes; now, therefore, be it

Resolved by the Senate, That the members of this legislative body commemorate July 2021 as Craft Beer Month and recognize the contributions that Michigan craft brewers have made to our state's communities, economy, and history; and be it further

Resolved, That we commend Michigan craft brewers for providing jobs, improving the balance of trade, supporting our state's agriculture, and educating residents about the history and culture of beer, while promoting the responsible consumption of beer as a beverage of moderation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Lauwers moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The resolution was adopted.

Senator Geiss was named co-sponsor of the resolution.

Senator Brinks asked and was granted unanimous consent to make a statement and moved that a statement be printed in the Journal.

The motion prevailed.

Senator Brinks' statement is as follows:

Colleagues, today I rise in support of my resolution, Senate Resolution No. 71, which recognizes July 2021 as Craft Beer Month in the state of Michigan.

Whether you are a fan of ales or lagers, many, if not all of us, have a craft brewery in our district. In fact, the Great Lakes State has craft breweries in every region, with more than 400 statewide, and all 400 of them, offering more than 100 distinct styles and flavorful beers, have made Michigan the envy of many states.

Michigan is home to the famous Two Hearted Ale, New Holland's Dragon's Milk, and Beer City, U.S.A. And the list of exceptional breweries and beers throughout our state is long and impressive. This comes as no surprise considering that Michigan breweries have thrived and continue to be an important part of our

communities and culture, contributing more than \$914 million in labor income, with a total economic contribution of more than \$2.5 billion. They're committed sponsors of a broad range of vital community institutions and philanthropic causes, including not-for-profit housing development associations, chambers of commerce, humane societies, athletic teams, and medical research.

I'm proud to represent the countless craft breweries in Senate District 29 and I'm proud to sponsor this resolution that declares July 2021 as Craft Beer Month in the state of Michigan. Please join me in acknowledging Michigan brewers and the important role that they play in our state's communities, economy, and history. So, cheers, and thank you Mr. President.

The Senate agreed to the title of the bill.

Senators Hollier and Johnson asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Hollier’s statement is as follows:

Colleagues, we all voted to pass this bill with the substitute language, which would just include spouses and dependents. As you all know, and especially those who serve in the military understand, when you sign up like I did, it is not just you who serves in the military, but your entire family. I believe that we should include our entire family—spouses and dependents—in that protection when they are deployed overseas to ensure that they can cast their ballots on time and not miss the opportunity to vote. This is a very simple decision. Do you want spouses and dependents to be able to operate and get their votes cast the same way anyone else does? And being—serving overseas doing those types of things can diminish or degrade their ability to do that. It’s critically important and right now you have the decision. Do you want spouses and dependents to be able to vote when they are deployed serving our country?

Senator Johnson’s statement is as follows:

I rise in to speak in opposition to the amendment. The amendment strips out the need of a CAC card, which is called a Common Access Card that will provide integrity in our system of voting by people that are serving our country. Additionally, spouses and dependents are not in foxholes, or on military ships, or in barracks. Again, I request a “no” vote on this amendment.

Senator Lauwers moved to reconsider the vote by which the following bill was passed:

**Senate Bill No. 277, entitled**

A bill to amend 1954 PA 116, entitled “Michigan election law,” by amending sections 509o and 510 (MCL 168.509o and 168.510), section 509o as amended by 2018 PA 126.

Senators Wojno and Moss asked and were granted unanimous consent to make statements and moved that the statements be printed in the Journal.

The motion prevailed.

Senator Wojno’s statement is as follows:

I rise to offer this amendment to House Bill No. 4434. My amendment would simply remove the \$300 strike provision within this bill, thereby allowing struggling Michigan families to still receive this money until it expires in September. This isn’t the time to be taking money away from people who are struggling to find work. I ask for your support of this amendment.

Senator Moss’ statement is as follows:

I rise to provide an amendment to ensure we’re passing legislation in this chamber that gives our residents the best chance to succeed. This amendment is good for business, it’s good for people returning to certain sectors of the workforce. So as folks head back to work, we should be doing whatever we can to provide support to hardworking Michiganders and to lift them out of the financial stress this that they’ve been suffering through for the last year due to the pandemic. And in that time, their bills needed to be paid, food needed to be put on the table, and prescription drugs needed to be covered. So if you seek to incentivize people to come back to work, this is the amendment that does just that.

Currently, the \$300 payment is available only to employers participating in the state workshare program who bring back people previously employed. This amendment would expand that opportunity to include new employees. So let’s move towards providing the financial support to hardworking Michiganders who are making a good-faith effort, as they need to regain their footing following the COVID-19 pandemic.

**Statements**

Senator Hertel asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Hertel’s statement is as follows:

Colleagues, I rise today to ask you for your co-sponsorship for legislation that will prohibit the discriminatory practice of denying organ transplantation to individuals based on their physical or mental disability. Though the Americans with Disabilities Act federally outlaws discrimination on the basis of disability, there remains an alarming disparity between what is required by law and what is practiced in medicine. A recent study found that 85 percent of transplant centers surveyed considered disability when deciding whether a patient should be on the transplant waiting list or not. Yet a review in the *American*

*Journal of Transplantation* found there is no scientific evidence or compelling data suggesting that patients with an intellectual disability should not have access to organ transplantation. There is no medical basis for factoring in an individual's intellectual disability into their priority on a transplant waiting list.

An intellectual disability is not synonymous with a lower quality of life or a life less worth saving with organ transplantation. In February, bipartisan legislation was introduced in Congress to prohibit this discriminatory practice. Unfortunately that bill has not made it to the President's desk. But for organ transplantation patients here in Michigan, passing these protections is urgent, because time is a luxury they simply don't have.

Joining us today in the Gallery is Karen O'Keefe. Karen is a longtime friend of mine who has championed this issue on behalf of individuals with Down syndrome and all disabilities to ensure equal access to the care they need. Please join me in welcoming her to the Senate.

Colleagues, I ask that Michigan should join the 26 other states that have passed legislation to end this discriminatory practice, remove barriers to healthcare, and save lives. I ask for your co-sponsorship.
