DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 301. (1) From the funds appropriated in part 1 for behavioral health care services and facilities, the department shall allocate \$15,000,000.00 to a CMHSP located in a county with a population of at least 1,750,000, according to the most recent federal decennial census for capital costs of an integrated care center facility that includes a walk-in behavioral health crisis services center. These funds shall be in addition to any funds allocated to that CMHSP under 2022 PA 166.

(2) Funds allocated under this section do not constitute a future guarantee of permitting approval for any project.

(3) The unexpended funds appropriated in part 1 for behavioral health care services and facilities are designated as a work project appropriation. Any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be made available for behavioral health care services and facilities. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to increase behavioral health care service and facility capacity.

(c) The total estimated cost of the project is \$15,000,000.00.

(d) The tentative completion date is September 30, 2027.

(4) As used in this section, "CMHSP" means a community mental health services program as that term is defined in section 100a of the mental health code, 1974 PA 258, MCL 330.1100a.

Sec. 302. From the funds appropriated in part 1 for child care fund and foster care payments, the department of health and human services shall allocate \$25,000,000.00 to contracted child caring institutions for enhanced rates for all children receiving services under mental health and behavioral stabilization rates or the developmentally disabled or cognitively impaired rates.

Sec. 303. Before the funds appropriated under this subsection are distributed to the qualifying nonprofit organization, the nonprofit organization must provide an implementation plan to the department of health and human services. The department of health and human services may approve or reject the implementation plan. The implementation plan must include all of the following:

(a) An identification of not less than a 10% private investment for the infrastructure project.

(b) How the infrastructure project would assist youth aged 16 to 18 years who are currently in foster care or youth who have already aged out of foster care with employment, educational opportunities, housing, community life, personal effectiveness, and personal well-being.

(c) How the nonprofit organization plans to cover the ongoing operational costs and ongoing maintenance of the infrastructure project.

(4) By September 30, 2023, the department of health and human services shall provide a report to the house and senate appropriations subcommittees on health and human services, the house and senate fiscal agencies, the house and senate policy offices, and the state budget office on the number of grant applications awarded, the approved implementation plan under subsection (3), and any performance metrics reported by the nonprofit organizations that were awarded grants.

The program must coordinate and integrate with the Michigan crisis and access line established under section 165 of the mental health code, 1974 PA 258, MCL 330.1165.

(2) The unexpended funds appropriated in part 1 for first responder and public safety staff mental health are designated as a work project appropriation.
