1           A resolution to recognize the 48th anniversary of the issuance  
2 of the U.S. Supreme Court's *Roe v. Wade* ruling.

3           Whereas, The House of Representatives recognizes the  
4 anniversary of the United States Supreme Court decision, *Roe v.*  
5 *Wade*, decided on January 22, 1973. This ruling affirmed that the  
6 Constitution of the United States safeguards the right to make  
7 personal medical decisions and that government should not intrude;

2 security, and the ability to participate equally in society; and

3           Whereas, Comprehensive reproductive health care, including  
4 safe abortion, is a vital component of overall health; and

5           Whereas, Like other medical procedures, the safety of abortion  
6 is furthered by evidence-based practices developed and supported by  
7 medical professionals; and

8           Whereas, Any regulation of medical care should be grounded in

1 Supreme Court decision by further eliminating access to abortion in  
2 Michigan and throughout the country; and be it further

3 Resolved, That the House of Representatives affirms that all  
4 people have the right to access reproductive health care services  
5 without fear of violence, intimidation, or harassment and no matter  
6 their color or income; and be it further

8 without interference in this state, including safe and legal
