1 A resolution to commemorate the 80th anniversary of the Civil

11 agencies immediately following the Sept. 11, 2001, terrorist
12 attacks, heavily supporting hurricane relief efforts in 2005, 2008,

2 as well as aiding communities during other natural disasters, such
3 as floods, wildfires, ice storms and tornados; and

4 Whereas, CAP further provides vital homeland security missions
5 that help ensure the protection of the nation's capital and the
6 nation as a whole by assisting Air Force pilots with target-
7 intercept training as well as the military with acquiring distant
8 targets; and

9 Whereas, CAP provides exceptional education and growth
10 opportunities for youth through its nearly 25,000-member string
11 cadet program, which annually provides access to top national
12 summer flight academies to learn to fly powered or glider aircraft,
13 as well as to more than 30 national programs emphasizing leadership
14 and careers in aviation; and

15 Whereas, CAP's Aerospace Education Program annually touches
16 more than 1,800 educators, more than 200,000 youths - cadets and
17 others in classrooms across America - teaching multidisciplinary
18 aviation concepts that emphasize aviation's connection to history,
19 math, science, government and economics; now, therefore, be it

20 Resolved by the House of Representatives, That the members of
21 this legislative body commemorate the 80th anniversary of the Civil
22 Air Patrol. We commend CAP for its "80 years of Missions for
23 America" and its outstanding cadet and aerospace programs, which
24 annually touch the lives and ensure the safety of thousands of
25 American citizens.
