Reps. Green, Hall, Damoose, Hornberger, Hauck, Berman, Carra, Bezotte, Peterson, Steenland, Cambensy, Fink, Beson, LaFave, Markkanen, Maddock, Allor, Borton, Paquette, Posthumus, Outman, Griffin, Rendon, Mueller and Bollin offered the following resolution:

1       A resolution to commemorate the 25th anniversary of the  
2 Michigan Coalition for Responsible Gun Owners.

3       Whereas, The Michigan Coalition for Responsible Gun Owners was  
4 established on January 31, 1997 at Chief Okemos Sportsman's Club in  
5 Dimondale, Michigan by a group of passionate gun owners who began  
6 meeting in 1996 to defend and expand rights to responsible gun  
7 ownership; and

8       Whereas, The new organization placed an emphasis on  
9 responsible gun ownership education and working with the  
10 Legislature to craft laws which would have the support of voters

1 and improve on existing law; and

2       Whereas, This group of passionate volunteers was motivated to  
3 reform practices of the local county gun boards and require that  
4 each gun board "shall issue" a concealed carry license to every  
5 qualified applicant; and

6       Whereas, Recognizing that membership growth was critical, the  
7 first members carried the organization in its early stages working  
8 to grow membership. As communication was key to spreading the word  
9 that an organization existed that would work with the Legislature  
10 for the good of Michigan's firearms owners, MCRGO created an  
11 internet talk list and first website, MCRGO.org, in 1998 which  
12 significantly expanded the growth of the organization; and

13       Whereas, MCRGO continued its successful efforts at growth, and  
14 by the spring of 2000 had grown to some 4000 members; and

15       Whereas, On January 2, 2001, Governor John Engler signed into  
16 law House Bill 4530, which became Public Act 381 of 2000. This new  
17 act dramatically altered the way concealed carry permits were  
18 issued across the state of Michigan; and

19       Whereas, MCRGO worked with Governor Jennifer Granholm to  
20 create Michigan's Self-Defense Act in 2006, eliminating the duty to  
21 retreat. The organization also worked with Governor Rick Snyder to  
22 pass concealed pistol license reform in 2015, eliminating county  
23 gun boards; and

24       Whereas, MCRGO established a concealed pistol license training  
25 program in 2016 leading to the certification of over 42,000  
26 students by the end of 2021 and contributing to Michigan's  
27 exponential increase in current concealed pistol license holders.  
28 MCRGO has taken dynamic action to expand the diversity of  
29 responsible gun owners in Michigan and as a result is now the

1 largest state-based firearms organization in the United States;  
2 now, therefore, be it

3 Resolved by the House of Representatives, That the members of  
4 this legislative body commemorate the 25th anniversary of the  
5 Michigan Coalition for Responsible Gun Owners. We honor its  
6 members, volunteers, directors, and staff for their role in  
7 promoting safe use and ownership of firearms through education,  
8 litigation, and legislation over the past quarter century and  
9 recognize that the coalition and its partners are essential to  
10 protecting Article 1, Section 6 of the Michigan Constitution.
