Rep. Neil W. Friske, from the 107th District, offered the following invocation:

“Dear Heavenly Father,

We come before You today, grateful for the gift of life and the opportunity to serve others. We ask for Your guidance and wisdom as we navigate the challenges before us today.

Help us to seek Your face and follow Your teachings, that we may be a light in the darkness and a beacon of hope to those around us. May our words and actions be a reflection of Your love and grace.

Grant us the courage to stand up for what is right, the compassion to care for those who are hurting, and the grace to forgive those who have wronged us. Help us to love our neighbors as ourselves and to work for the common good.

We pray for Your divine example of love to prevail in our hearts and in our communities, that we may be one in Your spirit and one in our purpose. We give thanks for the blessings of our lives, for the love of family and friends, and for the gift of faith that sustains us.

May we always remember that we are Your beloved children, called to serve and glorify You. In Jesus’ name we pray, Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Aiyash moved that Reps. Bierlein, Conlin and Thompson be excused from today’s session. The motion prevailed.

A resolution to declare May 25, 2024, as Africa Day in the state of Michigan.

Whereas, Africa Day refers to the annual commemoration on May 25th that celebrates the founding of the Organization of African Unity (OAU), now known as the African Union, on that date in 1963; and

Whereas, Michigan is proud to recognize May 25 as Africa Day, in alignment with the global commemoration of the founding of the Organization of African Unity (OAU), now known as the African Union, on this day in 1963, and in acknowledgment of the long-lasting contributions of Black African descendants and Black migrant residents of the State of Michigan

Whereas, Africa Day offers us an opportunity to celebrate the rich heritage, diverse cultures, and significant contributions of Africa and its diaspora to the global community. Our state is home to approximately 42,000 immigrants from Africa and

Whereas, The state of Michigan values the deep historical ties and the vibrant cultural exchange between Michigan and the African continent, fostered by our diverse African community and

Whereas, The observance of Africa Day across Michigan promotes a greater understanding and appreciation of the African continent’s history, its current achievements, and its future potential, as well as the contribution of its migrant residents in the state; and

Whereas, Through educational programs, activities, and ceremonies, schools, communities, and organizations within Michigan are encouraged to explore and celebrate African cultures, histories, and contributions and

Whereas, In recognition of Africa Day, we call upon public officials, educators, librarians, and the citizens of Michigan to engage in appropriate programs, ceremonies, and activities that honor the spirit and the essence of this important day; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 25, 2024, as Africa Day in the state of Michigan. We encourage all to uplift and participate in programs, activities, and reflections on the contributions of the African continent and its people to our shared human story.

House Resolution No. 267.

A resolution to declare May 23, 2024, as Stop the Bleed Day in the state of Michigan.

Whereas, The “Stop the Bleed” campaign is a national awareness effort to educate people about the importance of bleeding control measures, encourage all Michigan citizens to participate in the initiative, and learn more about the importance of bleeding control measures; and

Whereas, Each year, more than 240,000 people die from traumatic injuries sustained as a result of events including motor vehicle crashes, falls, industrial and farm accidents, natural disasters, tragic mass casualty events, and violence; and

Whereas, Trauma is the leading cause of death in the United States for individuals under age 44 and the third leading cause of death overall; and

Whereas, The most common preventable cause of death in these situations is the loss of too much blood in the minutes before trained immediate responders arrive; and

Whereas, Bleeding control is best performed with use of tourniquets or direct pressure within the initial moments of trauma and anyone can be trained to act as an immediate responder to stop a life-threatening hemorrhage. Military experience has proven that bleeding control techniques result in reduced rates of death from a hemorrhage; and

Whereas, May 23 is National Stop the Bleed Day. The “Stop the Bleed” campaign is a call-to-action movement intended to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives; and

Whereas, Nearly four million people have participated in a “Stop the Bleed” training as of April 2024, learning the skills critical to save a life; and

Whereas, Providing Michigan citizens with the best chance of survival includes educating them with the knowledge and skills to perform immediate bleeding control and encouraging public places such as schools, churches, community centers, and businesses to equip bleeding control kits; now, therefore, be it

Whereas, The aquatic environment has dangers, particularly rip currents, that can be effectively managed through public awareness and vigilance; and

Whereas, For reasons of public safety, an annual reminder of the joys and hazards associated with the aquatic environment are appropriate at the commencement of the busy summer beach season; and

Whereas, Michiganders and visitors alike must remember: Learn to Swim, Learn Rip Current Safety, Never Swim Alone, Designate a Water Watcher, Alcohol and Water Don’t Mix, Feet First Water Entry, Life Jackets Save Lives, Observe Signs & Flags, Beat the Heat & Block the Sun, and Be Aware of Water Temperatures; now, therefore, be it
