2           (a) "Action", with respect to a trustee, includes an act or a  
3 failure to act.

4           (b) "Ascertainable standard" means a standard relating to an  
5 individual's health, education, support, or maintenance within the  
6 meaning of section 2041(b)(1)(A) or 2514(c)(1) of the internal

2 ~~the charitable purpose is a material purpose of the trust.~~

3 (d) "Discretionary trust provision" means a provision in a  
4 trust, regardless of whether the terms of the trust provide a  
5 standard for the exercise of the trustee's discretion and  
6 regardless of whether the trust contains a spendthrift provision,  
7 that provides that the trustee has discretion, or words of similar  
8 import, to determine 1 or more of the following:

9 (i) Whether to distribute to or for the benefit of an  
10 individual or a class of beneficiaries the income or principal or  
11 both of the trust.

22 discretionary trust provision if the distribution must be made.

23 (e) "Interests of the trust beneficiaries" means the  
24 beneficial interests provided in the terms of the trust.

25 (f) "Power of withdrawal" means a presently exercisable  
26 general power of appointment other than a power that is either of  
27 the following:

28 (i) Exercisable by a trustee and limited by an ascertainable  
29 standard.

1           (ii) Exercisable by another person only on consent of the  
2 trustee or a person holding an adverse interest.

3           (g) "Qualified trust beneficiary" means, ~~either of the~~  
4 ~~following:~~

5           ~~(i) A **subject to subdivision (h)**, a trust beneficiary whom the~~  
6 ~~settlor intends to benefit as a material purpose of the trust and~~  
7 ~~to whom 1 or more of the following apply on the date the trust~~  
8 ~~beneficiary's qualification is determined:~~

9           (i) ~~(A)~~The trust beneficiary is a distributee or permissible  
10 distributee of trust income or principal.

11           (ii) ~~(B)~~The trust beneficiary would be a distributee or  
12 permissible distributee of trust income or principal if the  
13 interests of the distributees under the trust described in ~~sub-~~  
14 ~~subparagraph (A)~~ **subparagraph (i)** terminated on that date without  
15 causing the trust to terminate.

16           (iii) ~~(C)~~The trust beneficiary would be a distributee or  
17 permissible distributee of trust income or principal if the trust  
18 terminated on that date.

21 ~~(i), a trust beneficiary to whom 1 or more of the following apply on~~  
22 ~~the date the trust beneficiary's qualification is determined:~~

23           ~~(A) The trust beneficiary is a distributee or permissible~~  
24 ~~distributee of trust income or principal.~~

25           ~~(B) The trust beneficiary would be a distributee or~~

29 ~~to terminate.~~

1       ~~(C) The trust beneficiary would be a distributee or~~  
2 ~~permissible distributee of trust income or principal if the trust~~  
3 ~~terminated on that date.~~

4       **(h) "Qualified trust beneficiary" does not mean a trust**  
5 **beneficiary who is not described in subdivision (g) (i) on the date**  
6 **of the trust beneficiary's qualification but is described in**  
7 **subdivision (g) (ii) or (iii) if, as of the time of the creation of the**  
8 **trust, the probability of the trust beneficiary's interest's ever**  
9 **becoming possessory was so low, or the expected time of its**  
10 **becoming possessory, if at all, so distant as to make it seem**  
11 **likely, in the light of the terms of the trust, that the settlor's**  
12 **intent in creating the trust beneficiary's interest was primarily**  
13 **to avoid the imposition of a resulting trust.**

14       **(i) ~~(h)~~"Revocable"**, as applied to a trust, means revocable by  
15 the settlor without the consent of the trustee or a person holding  
16 an adverse interest. A trust's characterization as revocable is not  
17 affected by the settlor's lack of capacity to exercise the power of  
18 revocation, regardless of whether an agent of the settlor under a  
19 durable power of attorney, a conservator of the settlor, or a  
20 plenary guardian of the settlor is serving.

21       **(j) ~~(i)~~"Settlor"** means a person, including a testator or a  
22 trustee, who creates a trust. If more than 1 person creates a  
23 trust, each person is a settlor of the portion of the trust  
24 property attributable to that person's contribution. The lapse,  
25 release, or waiver of a power of appointment does not cause the  
26 holder of a power of appointment to be treated as a settlor of the  
27 trust.

28       **(k) ~~(j)~~"Spendthrift provision"** means a term of a trust that  
29 restrains either the voluntary or involuntary transfer of a trust

1 beneficiary's interest.

3 provides the trustee shall distribute income or principal or both  
4 for the health, education, support, or maintenance of a trust  
5 beneficiary, or language of similar import. A provision in a trust  
6 that provides a trustee has discretion whether to distribute income  
7 or principal or both for these purposes or to select from among a  
8 class of beneficiaries to receive distributions under the trust  
9 provision is not a support provision, but rather is a discretionary  
10 trust provision.

11       (m) ~~(l)~~—"Trust beneficiary" means a person to whom 1 or both of  
12 the following apply:

13       (i) The person has a present or future beneficial interest in a  
14 trust, vested or contingent.

15       (ii) The person holds a power of appointment over trust  
16 property in a capacity other than that of trustee or trust  
17 director.

18       (n) ~~(m)~~—"Trust director" means that term as defined in section  
19 7703a.

20       (o) ~~(n)~~—"Trust instrument" means a governing instrument that  
21 contains the terms of the trust, including any amendment to a term  
22 of the trust.

23       Sec. 7110. (1) ~~A-Subject to subsection (2), a~~ charitable  
24 organization expressly ~~named in the terms of a trust~~ **designated** to  
25 receive distributions under the terms of a charitable trust has the  
26 rights of a qualified trust beneficiary under this article if 1 or  
27 more of the following ~~are applicable~~ **apply** to the charitable  
28 organization on the date the charitable organization's  
29 qualification is being determined:

1 (a) The charitable organization is a distributee or  
2 permissible distributee of trust income or principal.

3 (b) The charitable organization would be a distributee or  
4 permissible distributee of trust income or principal on the  
5 termination of the interests of other distributees or permissible  
6 distributees then receiving or eligible to receive distributions.

7 (c) The charitable organization would be a distributee or  
8 permissible distributee of trust income or principal if the trust  
9 terminated on that date.

10 **(2) If a charitable organization that is not described in**  
11 **subsection (1) (a) on the date of the organization's qualification**  
12 **is described in subsection (1) (b) or (c) on that date, that**  
13 **organization does not then have the rights of a qualified trust**  
14 **beneficiary if, as of the time of the creation of the trust, the**  
15 **probability of the organization's interest's ever becoming**  
16 **possessory was so low, or the expected time of its becoming**  
17 **possessory, if at all, so distant as to make it seem likely, in**  
18 **light of the terms of the trust, that the settlor's intent in**  
19 **creating the organization's interest was primarily to avoid the**  
20 **imposition of a resulting trust.**

21 **(3) ~~(2)~~**—A person appointed to enforce a trust created for the  
22 care of an animal under section 7408 or another noncharitable trust  
23 under section 7409 has the rights of a qualified trust beneficiary  
24 under this article.

25 **(4) ~~(3)~~**—During the nondisclosure period of a trust described  
26 in section 7409a, a person granted a nondisclosure correlative  
27 right or protection power over the trust has the rights of a  
28 qualified trust beneficiary under this article.

29 **(5) ~~(4)~~**—The attorney general of this state has the following

1 rights with respect to a charitable trust having its principal  
2 place of administration in this state:

3 (a) The rights provided in the supervision of trustees for  
4 charitable purposes act, 1961 PA 101, MCL 14.251 to 14.266.

5 (b) The right to notice of any judicial proceeding and any  
6 nonjudicial settlement agreement under section 7111.
