7 addition project, for a community college shall be appropriated
8 from state and federal funds, unless otherwise appropriated by the
9 legislature.

10 (3) An expenditure under this part and part 1 is authorized
11 when the release of the appropriation is approved by the board upon

13 the board the release of any appropriation in part 1 only after the
14 director is assured that the legal entity operating the community
15 college to which the appropriation is made has complied with this

29 secure available federal construction and equipment money for

1 projects funded for construction in this part and part 1 if an
2 application was not previously made. If there is a reasonable
3 expectation that a prior year unfunded application may receive
4 federal money in a subsequent year, the community college shall
5 take whatever action necessary to keep the application active.

6 Sec. 874. If university and community college matching
7 revenues are received in an amount less than the appropriations for
8 capital projects contained in this part and part 1, the state funds
9 shall be reduced in proportion to the amount of matching revenue
10 received.

12 and universities that have an authorized project listed in part 1
13 submit documentation regarding the project match and governing
14 board approval of the authorized project not more than 60 days
15 after the beginning of the fiscal year.

16 (2) If the documentation required by the director under
17 subsection (1) is not submitted, or does not adequately
18 authenticate the availability of the project match or governing
19 board approval of the authorized project, the director may
20 terminate the authorization. The authorization terminates 30 days
21 after the director notifies the JCOS of the intent to terminate the

2 under section 10 of article IX of the state constitution of 1963.

3 Sec. 952. (1) The funds appropriated in part 1 for city,

23 state budget director the amount each county is authorized to
24 expend from its revenue sharing reserve fund.

25 (3) Any county eligible to receive a payment under subsection
26 (1) and determined to have a retirement pension benefit system in

1 eligible payment for county revenue sharing and the county
2 incentive program less the sum of its 2019 PA 56 eligible payment
3 for county revenue sharing and the county incentive program to its
4 pension unfunded liability. A county that has issued a municipal
5 security under section 518 of the revised municipal finance act,

24 city, village, or township toward financial stability. The
25 department of treasury shall award not more than \$2,000,000.00 to
26 any city, village, or township under this section.

23 described in section 16(4) of the lawful sports betting act, 2019
24 PA 149, MCL 432.416.

25 (3) An appropriation of \$500,000.00 shall be deposited into
26 the compulsive gaming prevention fund as described in section 16(4)
27 of the lawful internet gaming act, 2019 PA 152, MCL 432.316, except
28 as provided in section 15(2) of the lawful internet gaming act,
29 2019 PA 152, MCL 432.315, and after the board has incurred the

1 costs of regulating and enforcing internet gaming under the lawful
2 internet gaming act, 2019 PA 152, MCL 432.301 to 432.322, and the
3 costs of administering and enforcing millionaire party activity
4 authorized by the Traxler-McCauley-Law-Bowman bingo act, 1972 PA
5 382, MCL 432.101 to 432.152. Following these disbursements,
6 \$2,000,000.00 is appropriated and shall be deposited into the first
7 responder presumed coverage fund as described in section 16(4) of
8 the lawful internet gaming act, 2019 PA 152, MCL 432.316.

9 Sec. 972. After all other required expenditures described in
10 section 16(3) of the fantasy contests consumer protection act, 2019
11 PA 157, MCL 432.516; section 16(4) of the lawful internet gaming
12 act, 2019 PA 152, MCL 432.316; and section 16(4) of the lawful
13 sports betting act, 2019 PA 149, MCL 432.416 are made, any money
14 remaining in the fantasy contest fund, internet gaming fund, and
15 internet sports betting fund are appropriated and shall be
16 deposited into the state school aid fund as described in section
17 16(3) (b) of the fantasy contests consumer protection act, 2019 PA
18 157, MCL 432.516; section 16(4) of the lawful internet gaming act,
19 2019 PA 152, MCL 432.316; and section 16(4) of the lawful sports
20 betting act, 2019 PA 149, MCL 432.416.

21 Sec. 973. (1) Funds appropriated in part 1 for local
22 government programs may be used to provide assistance to a local
23 revenue sharing board referenced in an agreement authorized by the
24 Indian gaming regulatory act, Public Law 100-497.

25 (2) A local revenue sharing board described in subsection (1)
26 shall comply with the open meetings act, 1976 PA 267, MCL 15.261 to
27 15.275, and the freedom of information act, 1976 PA 442, MCL 15.231
28 to 15.246.

29 (3) A county treasurer is authorized to receive and administer

1 funds received for and on behalf of a local revenue sharing board.
2 Funds appropriated in part 1 for local government programs may be
3 used to audit local revenue sharing board funds held by a county
4 treasurer. This section does not limit the ability of local units
5 of government to enter into agreements with federally recognized
6 Indian tribes to provide financial assistance to local units of
7 government or to jointly provide public services.

8 (4) A local revenue sharing board described in subsection (1)
9 shall comply with all applicable provisions of any agreement
10 authorized by the Indian gaming regulatory act, Public Law 100-497,
11 in which the local revenue sharing board is referenced, including,
12 but not limited to, the disbursement of tribal casino payments
13 received under applicable provisions of the tribal-state class III
14 gaming compact in which those funds are received.

15 (5) The director of the MDSP and the executive director of the
16 Michigan gaming control board are authorized to assist the local
17 revenue sharing boards in determining allocations to be made to
18 local public safety organizations.

19 (6) The Michigan gaming control board shall submit a report by
20 September 30 to the senate and house of representatives standing
21 committees on appropriations and the state budget director on the
22 receipts and distribution of revenues by local revenue sharing
23 boards.

24 Sec. 974. If revenues collected in the state services fee fund
25 are less than the amounts appropriated from the fund, available
26 revenues shall be used to fully fund the appropriation in part 1
27 for casino gaming regulation activities before distributions are
28 made to other state departments and agencies. If the remaining
29 revenue in the fund is insufficient to fully fund appropriations to

1 other state departments or agencies, the shortfall shall be
2 distributed proportionally among those departments and agencies.

3 Sec. 976. The executive director of the Michigan gaming
4 control board may pay rewards of not more than \$5,000.00 to a
5 person who provides information that results in the arrest and
6 conviction on a felony or misdemeanor charge for a crime that
7 involves the horse racing industry. A reward paid pursuant to this
8 section shall be paid out of the appropriation in part 1 for the
9 racing commission.

10 Sec. 977. All appropriations from the equine development fund,
11 except for the racing commission appropriations, shall be reduced
12 proportionately if revenues to the equine development fund decline
13 during the current fiscal year to a level lower than the amount
14 appropriated in part 1.

15 Sec. 978. The Michigan gaming control board shall use actual
16 expenditure data in determining the actual regulatory costs of
17 conducting racing dates and shall submit a report of that data to
18 the senate and house appropriations subcommittees on agriculture
19 and general government, the state budget director, and the senate
20 and house fiscal agencies. The Michigan gaming control board shall
21 not be reimbursed for more than the actual regulatory cost of
22 conducting race dates. If a certified horsemen's organization funds
23 more than the actual regulatory cost, the balance shall remain in
24 the equine development fund to be used to fund subsequent race
25 dates conducted by race meeting licensees with which the certified
26 horsemen's organization has contracts. If a certified horsemen's
27 organization funds less than the actual regulatory costs of the
28 additional horse racing dates, the Michigan gaming control board
29 shall reduce the number of future race dates conducted by race

1 meeting licensees with which the certified horsemen's organization
2 has contracts. Before the reduction in the number of authorized
3 race dates due to budget deficits, the executive director of the
4 Michigan gaming control board shall provide notice to the certified
5 horsemen's organizations with an opportunity to respond with
6 alternatives. In determining actual costs, the Michigan gaming
7 control board shall take into account that each specific breed may
8 require different regulatory mechanisms.

9 Sec. 979. From the funds appropriated in part 1 for
10 millionaire party regulation, the Michigan gaming control board may
11 receive and expend internet gaming fund revenue in an amount not to
12 exceed the amount appropriated in part 1 for necessary expenses
13 incurred in the licensing and regulation of millionaire parties
14 under article 2 of the Traxler-McCauley-Law-Bowman bingo act, 1972
15 PA 382, MCL 432.132 to 432.152. Any unused internet gaming fund
16 revenues are subject to the distribution requirements in section 16
17 of the lawful internet gaming act, 2019 PA 152, MCL 432.316. The
18 Michigan gaming control board shall submit a report to the senate
19 and house of representatives appropriations subcommittees on
20 general government, the senate and house fiscal agencies, and the
21 state budget director by March 1. The report shall include, but is
22 not limited to, total expenditures related to the licensing and
23 regulating of millionaire parties, steps taken to ensure charities
24 are receiving revenue due to them, progress on promulgating rules
25 to ensure compliance with the Traxler-McCauley-Law-Bowman bingo
26 act, 1972 PA 382, MCL 432.101 to 432.152, and any enforcement
27 actions taken.

28

29 **STATE BUILDING AUTHORITY**

1 Sec. 1100. (1) Subject to section 242 of the management and
2 budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the
3 state building authority, the department of treasury may expend
4 from the general fund of this state during the fiscal year an
5 amount to meet the cash flow requirements of those state building
6 authority projects solely for lease to a state agency identified in
7 both part 1 and this section, and for which state building
8 authority bonds or notes have not been issued, and for the sole
9 acquisition by the state building authority of equipment and
10 furnishings for lease to a state agency as permitted by 1964 PA
11 183, MCL 830.411 to 830.425, for which the issuance of bonds or
12 notes is authorized by a legislative appropriation act that is
13 effective for the immediately preceding fiscal year. Any general
14 fund advances for which state building authority bonds have not
15 been issued shall bear an interest cost to the state building
16 authority at a rate not to exceed that earned by the state
17 treasurer's common cash fund during the period in which the
18 advances are outstanding and are repaid to the general fund of this
19 state.

20 (2) Upon sale of bonds or notes for the projects identified in
21 part 1 or for equipment as authorized by a legislative
22 appropriation act and in this section, the state building authority
23 shall credit the general fund of this state an amount equal to that
24 expended from the general fund plus interest, if any, as described
25 in this section.

26 (3) For state building authority projects for which bonds or
27 notes have been issued and upon the request of the state building
28 authority, the state treasurer shall make advances without interest
29 from the general fund as necessary to meet cash flow requirements

1 for the projects. The state building authority shall reimburse the
2 state treasurer for the advances when the investments earmarked for
3 the financing of the projects mature.

4 (4) In the event that a project identified in part 1 is
5 terminated after final design is complete, advances made on behalf
6 of the state building authority for the costs of final design shall
7 be repaid to the general fund in a manner recommended by the
8 director of the state building authority.

9 Sec. 1102. (1) State building authority funding to finance
10 construction or renovation of a facility that collects revenue in
11 excess of money required for the operation of that facility shall
12 not be released to a university or community college unless the
13 institution agrees to reimburse that excess revenue to the state
14 building authority. The excess revenue shall be credited to the
15 general fund to offset rent obligations associated with the
16 retirement of bonds issued for that facility. The auditor general
17 shall annually identify and present an audit of those facilities
18 that are subject to this section. Costs associated with the
19 administration of the audit shall be charged against money
20 recovered pursuant to this section.

21 (2) As used in this section, "revenue" includes state
22 appropriations, facility opening money, other state aid, indirect
23 cost reimbursement, and other revenue generated by the activities
24 of the facility.

25 Sec. 1103. The state building authority shall submit a report
26 to the JCOS, senate and house fiscal agencies, and state budget
27 director regarding the status of construction projects associated
28 with state building authority bonds as of September 30, on or
29 before October 15, or not more than 30 days after a refinancing or

1 restructuring bond issue is sold. The report shall include, but is
 2 not limited to, all of the following:

3 (a) A list of all completed construction projects for which
 4 state building authority bonds have been sold, and which bonds are
 5 currently active.

6 (b) A list of all projects under construction for which sale
 7 of state building authority bonds is pending.

8 (c) A list of all projects authorized for construction or
 9 identified in an appropriations act for which approval of
 10 schematic/preliminary plans or total authorized cost is pending
 11 that have state building authority bonds identified as a source of
 12 financing.

PROVISIONS CONCERNING APPROPRIATIONS

FOR FISCAL YEAR 2022-2023

7 **GENERAL SECTIONS**

8 Sec. 1251. Pursuant to section 30 of article IX of the state
9 constitution of 1963, total state spending from state sources under
10 part 1A for the fiscal year ending September 30, 2023 is
11 \$23,500,000.00 and state spending from state sources to be paid to
12 local units of government for the fiscal year ending September 30,
13 2023 is \$0.00.

14 Sec. 1252. The appropriations made and expenditures authorized
15 under this part and part 1A and the departments, commissions,
16 boards, offices, and programs for which appropriations are made
17 under this part and part 1A are subject to the management and
18 budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

19

20 **DEPARTMENT OF TREASURY**

21 Sec. 1261. (1) From the funds appropriated in part 1A for
22 local unit municipal pension principal payment grant, the
23 department of treasury shall establish and operate a grant program
24 that provides grant awards to qualified units for deposit into a
25 qualified unit's qualified retirement system or systems. The grant
26 award payment into the qualified retirement system must be in
27 addition to a qualified unit's actuarially determined contribution
28 as reported under section 5 of the protecting local government
29 retirement and benefits act, 2017 PA 202, MCL 38.2805, as of

1 December 31, 2021 and must not be used by the qualified unit to
2 meet its actuarially determined contribution for a qualified
3 retirement system or systems.

4 (2) To qualify for a grant award under this section, a
5 qualified unit must certify and attest via an affidavit that it
6 shall implement all of the following practices upon the receipt of
7 a grant award:

8 (a) The qualified unit shall make, in full, all actuarially
9 determined contributions. If a qualified unit's actual contribution
10 is less than the actuarially determined contribution, the qualified
11 unit shall remit an amount equal to the difference to the qualified
12 retirement system within 12 months. If the qualified unit fails to
13 remit this payment within 12 months, the department of treasury may
14 intercept the qualified unit's revenue sharing payment. For a
15 qualified unit that is a road commission, the department of
16 transportation, in cooperation with the department of treasury, may
17 intercept an available state revenue distribution.

18 (b) The qualified unit shall not provide contractual benefit
19 enhancements unless the contractual benefit enhancement is 100%
20 prefunded. Failure to meet the conditions of this subdivision
21 requires repayment of the grant award that was received by the
22 qualified unit. The qualified unit shall notify the department of
23 treasury in a form and manner prescribed of any contractual benefit
24 enhancement under this subsection within 30 days.

25 (c) A qualified retirement system with a discount rate or
26 assumed rate of return less than or equal to 7% must assume a
27 discount rate or assumed rate of return of not more than the
28 current rate. A qualified retirement system with a discount rate or
29 assumed rate of return greater than 7% must lower its discount rate

1 or assumed rate of return to a rate at or below 7% within the
2 immediately succeeding 5-year period.

3 (d) The qualified retirement system shall adopt, on the
4 recommendation of the actuary and in accordance with all applicable
5 actuarial standards of practice, the most current mortality tables
6 that are most appropriate for the characteristics of the
7 population, which may subsequently be adjusted based on an
8 experience study of the qualified retirement system.

9 (e) The qualified unit shall be subject to corrective action
10 plan monitoring by the municipal stability board for 5 years
11 following receipt of any grant award.

12 (f) Before completing corrective action plan monitoring in a
13 5-year period, the qualified unit shall comply with the uniform
14 actuarial assumptions of retirement systems, except for the
15 discount rate and assumed rate of return assumptions, published as
16 of December 31, 2021 by the state treasurer under the protecting
17 local government retirement and benefits act, 2017 PA 202, MCL
18 38.2801 to 38.2812, for the qualified retirement system. A
19 qualified unit, if that unit has, previous to the enactment of this
20 bill, had an amortization schedule approved by an accredited
21 actuary in accordance with all actuarial standards of practice, and
22 if that amortization schedule has been reviewed and approved by the
23 state treasurer, is not subject to the uniform actuarial
24 assumptions of retirement systems' assumption on amortization and
25 may maintain its current amortization schedule.

26 (3) Grant awards under this section must be capped at
27 \$170,000,000.00 for any qualified unit's qualified retirement
28 system.

29 (4) The department of treasury shall develop, and publish on

1 the department website, program guidelines, an application process,
2 and the associated application materials not later than April 15,
3 2023. The department of treasury must accept applications from
4 qualified units beginning April 15, 2023 and ending on June 15,
5 2023. Grant awards to a qualified retirement system under this
6 section shall not exceed an amount equal to the amount necessary to
7 achieve a funded ratio of 60% or the cap on grant awards in
8 subsection (3), whichever is less, and funds must be disbursed not
9 later than August 30, 2023.

10 (5) From the funds appropriated in part 1A for local unit
11 municipal pension principal payment grant, an amount not to exceed
12 \$1,000,000.00 may be used by the department of treasury for
13 administrative costs related to this section, including, but not
14 limited to, the use of a vendor to assist with processing
15 applications.

16 (6) If the amount appropriated is insufficient to meet all
17 grant award requests, the department of treasury shall prorate
18 payments under this section by reducing the amount of the
19 allocation as otherwise calculated under this section by an equal
20 percentage per qualified unit receiving funds under this section.

21 (7) If funds remain after all grants have been awarded under
22 this section, the department of treasury shall establish and
23 operate a grant program that provides grant awards to qualified
24 units for deposit into a qualified unit's qualified OPEB system or
25 systems. The grant award payment into the qualified OPEB system
26 must be in addition to a qualified unit's actuarially determined
27 contribution as reported under section 5 of the protecting local
28 government retirement and benefits act, 2017 PA 202, MCL 38.2805,
29 as of December 31, 2021 and must be used by the qualified unit to

1 meet its actuarially determined contribution for a qualified OPEB
2 system or systems. The department of treasury shall develop the
3 grant program, affidavit requirements, proration, and a timeline
4 schedule similar to the process outlined in this section.

5 (8) As used in this section:

6 (a) "Contractual benefit enhancement" means any change to the
7 current benefit policy for active members in a qualified retirement
8 system that increases the actuarially determined contribution rate
9 or decreases the funded ratio of the system, not including wage and
10 salary increases.

11 (b) "Qualified retirement system" means a retirement pension
12 benefit within a retirement system, as defined in section 3 of the
13 protecting local government retirement and benefits act, 2017 PA
14 202, MCL 38.2803, of a qualified unit, with a funded ratio below
15 60% based on the last report filed as required by section 5 of the
16 protecting local government retirement and benefits act, 2017 PA
17 202, MCL 38.2805, as of December 31, 2021.

18 (c) "Qualified OPEB system" means a local unit of government
19 retirement health system, as defined in section 3 of the protecting
20 local government retirement and benefits act, 2017 PA 202, MCL
21 38.2803, with a funded ratio below 7% based on the last report
22 filed as required under section 5 of the protecting local
23 government retirement and benefits act, 2017 PA 202, MCL 38.2805,
24 as of December 31, 2021.

25 (d) "Qualified unit" means a city, county, township, village,
26 or road commission that operates a qualified retirement system or
27 qualified OPEB system.

28 Sec. 1262. (1) In addition to the funds appropriated in part
29 1A for local unit municipal pension principal payment grant, there

1 is appropriated an amount not to exceed \$50,000,000.00 from the
2 general fund to make payments to qualified units as defined under
3 section 979a, to the extent necessary, as determined by the state
4 treasurer, to ensure that the qualified retirement systems of
5 qualified units receiving funds under section 979a have a funded
6 ratio of at least 60%. The qualified units shall be located in a
7 county with a population between 400,000 and 500,000, according to
8 the most recent federal decennial census.

9 (2) Funds distributed under this section are subject to
10 section 1261 but are not subject to the cap in section 1261(3).
11

12 **REPEALERS**

13 Sec. 1271. Sections 979a and 979b of article 5 of 2022 PA 166
14 are repealed.
